**Regulations to be Enforced at the Teepee Incinerator as of May 16th, 1964**

1. REFUSE COLLECTION CONTRACTOR  
 As provided in the present contracts, the firm of Jenkins and Clark will not be required to pay any charges for disposal of refuse collected in the City of Charlottetown and in the Villages of Sherwood and Parkdale.
2. CITY BUSINESS FIRMS  
 There will not be any charge made to any commercial or industrial firm or other business firms, or individuals in business, located in Charlottetown, Sherwood, or Parkdale for any additional refuse arising from their business hauled to the Disposal Area either by their own or hired trucks. A permit must first be obtained from City Hall, however, for any truck to use this refuse disposal area. This type of permit will be issued for a price of one dollar per year.
3. OTHER COMMUNITIES  
 Should any other communities contract for Refuse Collection then it is recommended that these communities negotiate with the City on a per capita basis as was done with Parkdale and Sherwood.
4. DEMOLITION OF BUILDINGS  
 Rubble from the demolition of buildings and other structures may be disposed of at the Refuse Disposal Area. All material must be dumped where directed. Tickets for this rubble be issued at a price of One Dollar (\$1.00) per truck load.
5. MISCELLANEOUS  
 In order to avoid congestion at the Receiving Area it is necessary to discourage passenger cars and pick-ups from taking refuse to the Disposal Area. The best way to do this is by a system of charges for each vehicle other than those permitted by the above regulations.
6. CHARGES  
 The following system of charges be adopted with payment to be by tickets purchased in advanced at City Hall with absolutely no cash payments to be made at the Disposal Site. The tickets be made up in booklets of twenty (20).

TYPE OF VEHICLE	Color of Ticket	Cost
A. Passenger Cars & Trailers	Red	\$.50 each
B. Pick-up, panel, and up to and including a 1-ton truck	Green	.50 each
C. Refuse Collection Contract Trucks when hauling from Charlottetown, Parkdale, Sherwood	No Charge	
D. Other trucks hauling from businesses in Charlottetown, Parkdale and Sherwood	Yellow	By permit \$1.00 year per truck
E. All other trucks	White	\$1.00 per load
F. Old car bodies	No Charge	

The above regulations will be strictly enforced and NO DUMPING on the present dump site in the Village of Parkdale after midnight, May 15th. Tickets will be available at City Hall, Tax Office, May 15th p.m.

 As provided in the present contracts, the firm of Jenkins and Clark will not be required to pay any charges for disposal of refuse collected in the City of Charlottetown and in the Villages of Sherwood and Parkdale.
2. CITY BUSINESS FIRMS  
 There will not be any charge made to any commercial or industrial firm or other business firms, or individuals in business, located in Charlottetown, Sherwood, or Parkdale for any additional refuse arising from their business hauled to the Disposal Area either by their own or hired trucks. A permit must first be obtained from City Hall, however, for any truck to use this refuse disposal area. This type of permit will be issued for a price of one dollar per year.
3. OTHER COMMUNITIES  
 Should any other communities contract for Refuse Collection then it is recommended that these communities negotiate with the City on a per capita basis as was done with Parkdale and Sherwood.

 Rubble from the demolition of buildings and other structures may be disposed of at the Refuse Disposal Area. All material must be dumped where directed. Tickets for this rubble be issued at a price of One Dollar (\$1.00) per truck load.

 The following system of charges be adopted with payment to be by tickets purchased in advanced at City Hall with absolutely no cash payments to be made at the Disposal Site. The tickets be made up in booklets of twenty (20).
