IN MEMORIAM

In memory of Mrs. Donald Smith who passed away five years ago.

Deep in my heart lies a picture
More precious than silver and gold,
It's a picture of my dear Mother
Whose memory will never grow old.

Always remembered by her son Lester.

IN MEMORIAM

In loving memory of my dear mother, Mrs. Donald M. MacLean, who passed away May 29, 1953.

There is never a day that passes
But my memory fondly strays
To thoughts of home and loved ones
And memories of bygone days.

I can picture my dearest mother
Standing by the open door,
With a smile of love and welcome
But her face I'll see no more.

We watched her suffer day by day
And could not help in any way,
But just stood by and saw her pass
Into the Saviour's arms at last.

To those that have a mother,
Cherish her with care,
For you'll never know the heartache
Till you find she is not there.

Lovingly remembered by her daughter Mary E.

ROBERT E. BRADLEY

Heads Maritime Art Association

Mr. Vic Runtz, editorial cartoonist for The Guardian, was elected president of the Maritime Art Association at its annual convention held this year at Dalhousie University, Halifax. From its twenty-nine member bodies in Nova Scotia, New Brunswick and Prince Edward Island a good representation was in attendance, to draw up plans for the coming year.

An enlarged selection of exhibitions for showing in all the major centres of the Maritimes was made available, including as a new feature, a yearly exhibition of children's art, originating this year in Fredericton.

Two exhibitions of Maritime art of first quality will be made up simultaneously in the near future, one to tour Western Canada and the other for the Maritime circuit as the M. A. A.'s annual exhibition. Artists whose work will be shown will be invited to submit their paintings by a special exhibition committee.

The Association was authorized to produce silk screen reproductions of leading Maritime artists starting with a picture by Saint John artist Jack Humphrey.

Television was considered as a medium for art reviews and retiring president L. J. Zwicker reported Halifax program officials as quite interested.

Other officers elected are as follows: Vice-presidents: for Nova Scotia, Donald C. Mackay, principal of the Nova Scotia College of Art, Halifax; for New Brunswick, Avery Shaw, Curator of Art, Saint John Museum; for P. E. I., Mrs. D. M. Gass, Charlottetown artist and art teacher. Secretary and Exhibition Director, Mrs. Ruth Henderson of Sackville, N. B. (formerly of Charlottetown). Treasurer, Prof. Alex S. Mowat, Dalhousie University (re-elected).

Funeral Sunday Of C. E. Shaw

The largely attended funeral of the late Chester E. Shaw was held yesterday afternoon from Trinity United Church at 1:30. Service was conducted by Rev. A. Frank MacLean who was assisted by Rev. E. C. Evans and Rev. Mr. Baxter of Hampton United Church. Hymns sung were "The Lord's My Shepherd" and "Abide With Me". During the service the Trinity Male Eight sang "Shall We Meet Beyond the River". The Masonic Order, The Loyal Orange Lodge and the L.O.B.A. attended in a body.

Rev. Mr. MacLean in the funeral address said "It is not the duration of a man's life that is important but the donation he makes to life." He went on to say "that the amount a man contributes to his community and how much he is missed are what count most." The minister pointed out that the large representations from the two Fraternal Orders present and the high office which the deceased had attained in these orders was ample proof of the degree to which he was missed.

Burial was at Crapaud Cemetery where Rev. A. Frank MacLean and Rev. Mr. Baxter officiated. The Orange burial service was conducted by Mr. Peter MacEachern, Deputy Grand Master for Prince Edward Island, assisted by Rev. A. E. Piercey, Grand Chaplain of the Order. The Masonic service was given by Bro. Arthur Dawson of True Brother's Lodge, Crapaud of which Mr. Shaw was a Past Master.

The pall bearers were John Dixon, Melville Bell, Clifton Ince, Ernest Holm, Boyd MacQuarrie, Frank MacDonald.

IN MEMORIAM

In loving memory of Mrs. Alfred Mayhew, who passed away May 31st, 1942.

Our memories often wander as
twilights shadows fall,
Back to the days of happiness, days
beyond recall,
Visions come before us, so calm,
so dear, so sweet,
Of her whose lips are silent, and
whose eyes are closed in sleep.

Lovingly Remembered by Husband and Family.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Donald Smith, who passed away May 31st, 1949.

They say time heals all sorrow
And helps us to forget,
But time has only meant to us
How much we miss her yet.

The old home now is broken
No longer there we roam,
For the hands that rest forever
Are the hands that made our home.

Always remembered by her daughters, Katie, Mary, Dolly and Jessie.

Veteran Employee Of C.N.E. Retires

Mr. J. Henry Gallant, who has long enjoyed the esteem of the business and professional men of the city, with whom his occupation required daily contact, was tendered a party and presentation function by his fellow workers with the Canadian National Express on Saturday evening, prior to his retirement, effective today, as City collector for the company.

Members of the organization met in the recreation room of the Canadian National Railway under the chairmanship of Mr. Alex MacLean, where, following the reading of an address by Mr. Marcus Calder, General Agent, a valuable gift was presented by Mr. C. H. Hodgson on behalf of the Express staff. The atmosphere of good-will and appreciation was enhanced by the presentation of a beautiful handbag and a dozen American Beauty roses to Mrs. Gallant by members of the organization.

The address made fitting reference to Mr. Gallant's service while the Railway Express Department was in a state of transition in the early period of his 41 years employment. "You have done a job equal to the best, and this has been a credit to us all," the address stated.

Mr. Gallant, in acknowledging the kindly expressions in the address, and the presentations to himself and Mrs. Gallant, recalled the pleasant associations of his work not only with the Company employees but also with the business men of the city, who invariably treated him with courtesy and kindness as he performed his duties as City Collector for the Express Company. Mrs. Gallant also thanked those present for their thoughtful and beautiful presentation.

Following the presentations the assembly repaired to the residence of Mr. and Mrs. Alex MacLean, North Street, Parkdale, where a nicely arranged buffet luncheon had been provided by the committee in charge. A most enjoyable hour of song and story followed in which Railway Express experiences were uppermost in the telling.

Mr. Gallant entered the Railway service with the Canadian Pacific in August 1911 as timekeeper at Montreal. He came to the Island with the Dominion Express when they inaugurated their service here in 1913, and was the first train messenger in the new service, between Charlottetown, Borden and Tignish.

In 1920 Mr. Gallant was appointed Express Agent at Summerside and three years later was assigned to the Canadian National Express train service bteween Halifax, Sydney, Yarmouth, Campbellton, Mont Joli, Saint John, N.B., and Charlottetown at various times until 1932 when he returned to Charlottetown as general clerk.

Friends throughout the province will wish Henry a long and pleasant retirement period to devote to his hobbies, fishing and gardening, the latter also being a pleasure enjoyed by Mrs. Gallant.

Injured Mountain Climber Reached

FAIRBANKS, Alaska,(AP) — A Brooklyn N. Y., mountain climber, gravely injured and stranded for 15 days in a tent 11,000 feet up on towering Mt. McKinley—tallest in North America—was reached Sunday by a rescue team which radioed back:

"He's alive and well."

Two men of a five-man rescue party reached the injured mountain climber, George Argus, at 1:10 p.m. PDT. The other three were expected at the tent shortly.

They radioed their brief message to a hovering airplane, which in turn radioed the report to Fairbanks.

The brief message did not give full details, but stressed that "he is well."

Observers said they expected it would take from two to three days to bring Argus down the tortuous mountainside.

Christopher Lynch, world famous lyric tenor, capitvated an audience of upwards of 1,000 music lovers who came from all parts of the Province to hear him sing a Centennial Concert in St. Dunstan's College Auditorium Saturday night. Music critics were agreed that it was one of the finest concerts of its kind ever heard here.

The great Irish tenor, in his two-hour concert, had a repertoire of songs filled with the flavor of his native Ireland. From his opening number "New York Is An Irishman's Town" to his final encore, his clear, rich voice filled the large auditorium with music reminiscent of his great friend and benefactor, the late John McCormack.

His piano accompanist was Werner Singer. Also travelling with Mr. Lynch was his manager David B. Whelan.

54th Annual I.O.D.E. Convention Gets Under Way

By PAULINE KENNEDY
Canadian Press Staff Writer

SAINT JOHN, N. B. (CP)—Mrs. Kathleen Drope, national president of the Imperial Order Daughters of the Empire, said Saturday that the order now is "big business."

She spoke at opening ceremonies for the 54th annual IODE national meeting. A brilliant array of 88 standard bearers, all clothed in white and carrying Union Jacks, paced down the aisle of the Admiral Beatty hotel ballroom in a colorful opening parade.

Representatives of the Crown, church, province and city were on the platform. In speeches by D. L. MacLaren, New Brunswick's lieutenant-governor, and Mrs. Drope, the words unity, loyality and Empire formed the central theme of the opening.

Looking back over 54 years of IODE progress, Mrs. Drope said the order has grown to a membership of more than 32,000 and a yearly turn-over in goods and money of more than $760,000.

Of the Queen, IODE patron, she said: "We have a brave and unselfish young Queen who is setting an example which is a challenge to all women, particularly to members of the order."

TRIBUTE TO ORDER

Lieutenant - Governor MacLaren welcomed the 300 delegates to New Brunswick, recalling that his province is the cradle of the IODE. The order was organized at Fredericton in 1900.

He also paid tribute to IODE work in educating sons and daughters of war veterans.

Premier Hugh John Flemming of New Brunswick said the IODE spirit of sacrifice and loyality is sorely needed today.

He spoke of the uncertainties of international relations and the need for human loyalty and understanding to overcome them. He lauded the IODE for its work of rehabiliating and teaching basic English to new Canadians.

Monday, standard bearers and national officers trooped to the cenotaph where Mrs. Drope placed a wreath. Following the ceremony, a service of intercession for the order was held at Trinity church.

Meetings continue until Thursday.
