There's Danger.

Write it on the workhouse gate,
Write it on the schoolboy's slate,
Write it on the copy book,
Where the little ones may look—
"Where there's drink there's danger."

Write it on the churchyard mound,
Write it where the rum-slain dead are found,
Write it on the gallows high,
Write it on the passers by—
"Where there's drink there's danger."

Write it in the nation's laws,
Write it on the license clause,
Write it on the ballot,
Write that each man may read aright—
"Where there's drink there's danger."

Back-Ache.

Back-ache is caused by sick kidneys. Dodd's Kidney Pills will remove it. By their peculiar action on the kidneys they impart activity and benefit the system by purifying the blood. You cannot have pure blood with disordered kidneys; health's existence depends upon their natural condition; they are the governors of the system; continual disorder results in kidney consumption, which is Bright's disease. 4

James (piously) —"What is the gate to heaven?"

James's Father—"Well it's not the gait your've been going at recently."

That Pale Face.

For Nervous Prostration and Anæmia there is no medicine that will so promptly and infallibly restore vigor and strength as Scott's Emulsion.

"Why do you always make such a noise when you shut the front door?" asked mamma. "so that you will know I haven't left it open," explained Freddy.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

Applicant for position—I have here a letter of recommendation from my minister.

Head of house—That's very good as far as it goes. But we won't need your services on Sundays. Have you any endorsement from anybody who knows you the other six days of the week?—Life.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

Employer—So you want a fortnight's salary in advance. But suppose you should die to-morrow.

Clerk (proudly)—Sir, I may be poor, but I am a gentleman.—Fligende Blatter.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

COD LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypophosphates in Puttner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

She—I believe you don't care for me as much as you say you do. With you, I think, it is 'out of sight, out of mind.'

He (earnestly)—You are right, for when you are out of my sight I am out of my mind.

HAWKER'S LIVER PILLS cure all stomach ills. They assist digestion, regulate the bowels and liver, tone the stomach and purify the blood. ....

Mamma—What in the world are you making such a noise down there for?

Roderick—To let you know how good I am.

Mamma—Why do you think you are good when making so great a noise?

Roderick—Because you always say I'm in mischief when I'm quiet.

HAWKER'S LIVER PILLS, contain no mercury, are purely vegetable, safe sure and effective. Do not gripe, small, easy to take. Sold everywhere. ....

First Artist—Well, old man, how's business?

Second Artist—Oh, splendid! Got a commission this morning from a millionaire. Wants his children painted very badly.

First Artist (pleasantly)—Well, my boy, you're the very man for the job.

HAVE YOU A COUGH?—Then use Everybody's Cough Syrup, a pleasant and efficacious remedy. Price 25 cents a bottle. A full line of the popular Cod Liver Oil Emulsions, Cough Syrups, Balsams, &c., guaranteed good and and fresh, always in stock.—Johnson's Drug Store, Cor. Kent and Prince Streets.

Little girl—I beat Nellio Newcome standin on one foot to-day. I stood a whole half minute longer than sha did.

Practical Father—Humph! Of what use will such an accomplishment be when you grow up?

Little girl—Well, I—I guess I'll be pretty good at waitin for change.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

The Telephone Company —OF— P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
