

WILL HUNT, second from right, told Island Ayrshire breeders here Saturday the Ayrshire cow will probably register an increase in numbers in Canada this year. George Boswell, Frenchfort, right, presided over the field day in

his capacity as president of the P. E. I. Ayrshire breeders. Others from the left are Keith Boswell, Victoria; James Williams, Charlottetown who is secretary of the association, and W.H. Brown, retired senior ROP inspector.

Ayrshire Breeders Hold Annual Field Day

Prince Edward Island Ayrshire breeders will have semen available from one of the best bred sires in North America this year, they were told by Bill Hunt, extension fieldman from the Ayrshire Breeders of Canada, at their annual field day held on Saturday afternoon on the farm of Agriculture Minister Andrew B. MacRae, Union Road. The semen will be from the Forester bull who is a son of the Glengary Lloyd Royal who has 15 daughters with average production of 14,000 pounds. His dam Meredith Rossid has a record of 2,000 pounds milk which is an American record and his granddam, Hammond's Top Princess, has two consecutive records of more than 24,000 pounds. She's from the Bowater herd in Newfoundland. All of the records are in the 305-day division. They are not world records but are on the verge of world records. Mr. Paul Told The Guardian in an interview. The Forester bull is

being retained by Meredith Farms for their show string this year, but semen has been made available to the N.B.-P.E.I. artificial breeding unit it was explained. Mr. Hunt told the group he drives up to 55,000 miles each year, flies 30,000 miles more and visits something like 55 exhibitions and major fairs across the country each year, as he expressed regret it is impossible to visit the breeders of lesser. The Ayrshire cow is holding its own and should be registering an increase by the end of the year, he said. **GOLD SEALS AWARDED** Gold seal production certificates were presented to Earle MacRae, Brookfield, and George Boswell, Frenchfort, president of the P.E.I. Ayrshire breeders, who presided. The one to Mr. MacRae was earned by his veteran cow Raeburn-Trinlet, with 124,973 pounds milk and the Boswell cow was Blackadder Fashion Gem with 112,283 pounds. Silver seal certificates went to D. Fred MacRae, Hunter River; one to Mr. Boswell; two to the Experimental Farm at Charlottetown—these were presented to Jan Verbulp of the farm staff—and three to Robert A. White, Rollo Bay West. The presentations were made by Alex Chisholm, senior ROP inspector. Finley A. Stewart, district supervisor, Canadian Department Agriculture for livestock, noted that Island Ayrshire cows have been establishing production records which are the equal of, or better than production records elsewhere in Canada. The record of performance (ROP) set up in Canada is recognized for its calibre as being one of the best in the world, he said. Mr. Stewart's office is in Moncton, N.B. Livestock Director David Peacock told the group the department of agriculture hopes to stamp out the warble fly completely in this province. There is no reason why this cannot be done, he said as he asked for co-operation from cattlemen in attendance. W.H. (Bill) Brown, retired senior ROP inspector, told the group something of his experiences on a trip to Scotland which followed his retirement several months ago. Agriculture Minister MacRae welcomed the breeders to his farm where several animals of the Bosdale Ayrshire herd were used for judging demonstrations and competitions. **LOST AT ONE GO** REDCAR, England (CP) — Ronald Cable, 14, spent a penny while on holiday and will always regret it. The coin, one of only seven minted in 1933, was worth £4,000 if genuine.

Funeral Is Held Saturday For Rev. T. H. B. Somers, DD

The funeral of the Rev. T.H. B. Somers, MA, STM, DD, was held from the MacLean Funeral Home to the Kirk of St. James Saturday afternoon where he had been minister for 24 years.

The service was conducted by Rev. D.A. Campbell, Rev. Ross Howard, and Rev. Hugh Lowery.

The choir was under the direction of the organist, Christopher Gledhill. Hymns sung were, "The Lord's My Shepherd," and "O God of Bethel."

Honorary bearers were members of the Kirk Session, N.D. MacLean, Ahen MacLean, Hon. T.W.L. Prowse, K.M. Martin, H.E. Hyndman, Dr. R.G. Lea, R.M. Raymond, R.S.P. Jardine, Dr. Heath McIntyre, W.R. Burnett, F.W. Curtis, J.B. Larkin, R.W. MacLean and E.K. MacNutt.

Active bearers were members of the Board of Trustees, George Chandler, Dr. John Craig, W.A. Cutcliffe, K.A. MacKenzie, I.R. Rankin, D.H. Saunders, and G.W. Stewart.

The Moderator of the Synod of the Maritime Provinces was represented by Rev. Dr. A.E. Morrison.

REPRESENTATIVES ATTEND The Moderator of the Presbytery of P.E.I. was represented by Rev. D.A. Campbell. The Presbytery of Pictou, N.S., was represented by Rev. Lee MacNaughton.

The Presbytery of Saint John, N.B. was represented by the Rev. David Hostetter and Mr. Parnell.

Rev. Donald Quigg, district secretary for N.B. — P.E.I., represented the Bible Society Societies attending were, Charlottetown Rotary Club, Presbytery of Prince Edward Island, Bible Class and Young People's Society of the Kirk of St. James, Executive of the Bible Society, Executive of the Protestant Family Service Bureau, Ministerial Association, and Executive of the Tuberculosis League.

Interment was in the Sherwood cemetery.

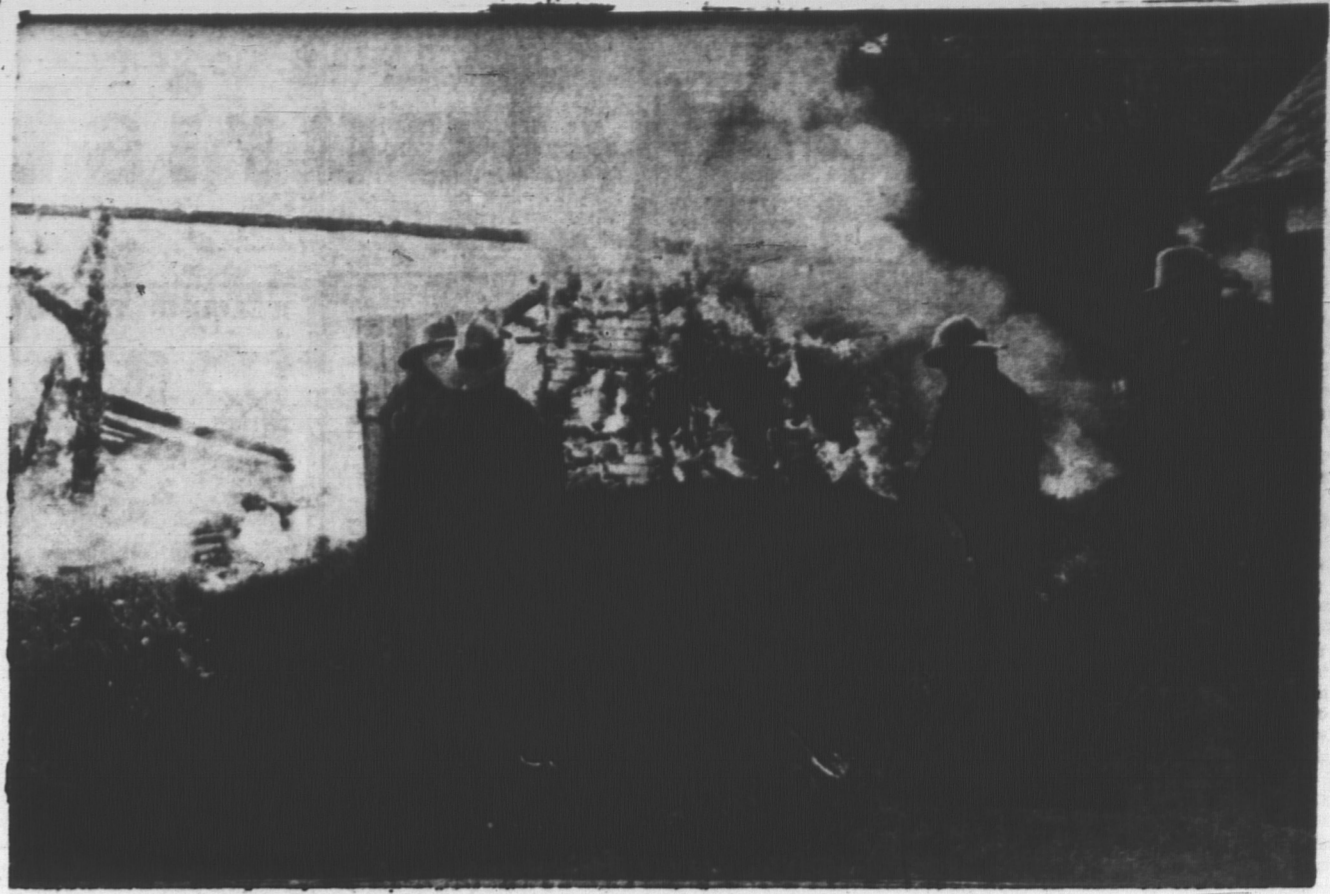

WEATHER

HALIFAX (CP) — Weather office says a large high pressure area implanted over the Atlantic to the south of the Maritimes will provide a moderate flow of very warm air over the three provinces today. Skies will be mostly sunny causing temperatures at inland localities to rise to the eighties. Seabreezes will hold the mercury in check near the Atlantic and Fundy coasts.

Regional forecasts: Valley, Northern Nova Scotia, Prince Edward Island, Eastern New Brunswick Counties, Upper Saint John River Valley: Sunny and very warm. Winds southwest with afternoon gusts to 40. Low-high at Kentville and New Glasgow 50 and 82, Charlottetown 50 and 80, Moncton 50 and 85, Edmundston 52 and 82.

SOUTHPORT BARN LEVELLED BY BLAZE

Firemen from the Parkdale Fire Department are pouring water on the remains of the main barn at the farm of Blake Wood Sr., of Southport which was destroyed by fire early Saturday evening. The structure, constructed of

wood with a concrete floor, housed a number of cattle and a quantity of feed for the farm animals. The barn, which received about \$700 in repairs last year, was partially insured. Mr. Wood estimated his loss in excess of \$8,000, and one of his best Shorthorn heifers was lost.

Fire Badly Damages Home In Georgetown

GEORGETOWN — A fire which broke out at approximately 4:40 Sunday morning gutted a large portion of the interior of the home of James McMahon on Richmond Street here.

The house was apparently unoccupied at the time, as Mr. and Mrs. McMahon and their two children had left by car Saturday, and were believed visiting with relatives in Kensington.

The alarm is reported to have been turned in by Raymond Lavandier who noticed the fire when he arose early in the morning to leave on a motor trip to New York City.

The origin of the fire could not be determined but it was centered mostly in the front corner of the house where the electric wires entered and where the fuse box was located.

All of the living room furniture was completely ruined by fire, smoke and water, as well as some furniture on the second floor.

The Georgetown Fire Department was quickly on the scene with its tank truck and managed to extinguish the fire within a short time. A hose line was run from the fire hall reservoir but was not needed.

There was practically no wind blowing at the time, which greatly aided the firemen in their efforts. Mr. and Mrs. McMahon had the misfortune of having a small fire in their home several months ago, which did a relatively small amount of damage and was believed caused by oil seeping from the kitchen stove.

Town Stiffens Dog Penalties

SOURIS — Dog owners who allow their animals to run at large in this town will face stiffer penalties following a decision at the town council meeting Friday night.

Any licensed dog found running at large will be impounded for 24 hours and will not be released until a \$2.00 fine is paid. If the fine is not paid the animal will be destroyed by an authorized person.

Any dog which is not licensed, and is found running at large, will be destroyed immediately. The town clerk was instructed to place an advertisement in the papers to warn residents of this ruling.

All water rates both commercial and domestic will be due September 1. After this consumers will be billed on a monthly basis. Hydrant rates were also fixed by the council. This rate is applicable only for spraying to properly owners who are

farming within the town limits. The rate is \$25 per season. The problem of smoke from pulp shavings being burned in the field adjacent to the pulp field was discussed. This smoke has caused many town residents annoyance when the wind blows toward the town.

The town clerk was instructed to write Claude MacKenzie, Fortune Bridge, who has the contract to burn the shavings, to use caution and to restrict the burning to days when the wind is blowing offshore.

Town Councillors Meurant, Power, MacDonald and Gillis attended the meeting. Mayor Roy Leard presided.

National Convention CMHA Opens Today

Murray M. Rankin, president of the Canadian Mental Health Association, and Dr. J. D. Griffin, general director, will address some 125 delegates today at the association's national convention here.

Registration for the meeting began last evening at the Charlottetown Hotel, and the convention continues through to Wednesday afternoon.

Delegates are mainly lay members and volunteer workers in the association, although most participants in panel discussions and interviews will be professionals in the fields of psychology, psychiatry, medicine and social work. Most will be Maritimers.

In the morning delegates will hear a discussion on defining the problems in the prevention

NOT THIS MAN The Donald Noonan whose name appeared in June 18 issue for taking a car without the owner's consent is not the Donald Noonan from Kellys Cross.

SMALL FIRE The Charlottetown Fire Department answered a call to the Confederation Centre to extinguish a small fire Sunday morning. A member of the department said the call, which came about 7:15, was for a small pile of rubbish at the Richmond Street side of the Centre.

THREE ACCIDENTS City police reported three accidents in the city for the week ending midnight Thursday, with major damage. \$500, sustained in a collision at the Hillsboro — Kent Street intersection. Other accidents were one on King Street costing \$300 and another on Queen Street with damage of \$175 for a total of \$975 for the week.

HIGH TEMPERATURES Temperatures over the weekend proved to be ideal for sunbathing and swimming. Saturday's high temperature was 64 degrees with a low of 45 and Sunday the thermometer rose to a high of 76 degrees with a low of 52 registered at the Charlottetown Radio Range at nine o'clock last evening.

Record Crowds Visit Beaches At North Shore

Many Islanders and a few tourists were relaxing at the North Shore beaches over the weekend as the last weekend in June saw a record crowd.

Last weekend, camping sites in the North Shore area were reported at a premium. The trend is expected to continue at an increased tempo with the closing of schools next week and the start of the summer holiday season.

DINAR DEVALUED

BELGRADE (Reuters) — The government decided Saturday to devalue the Yugoslav dinar, announcing a new exchange rate of 1,000 dinars to the U.S. dollar effective July 1. The present rate is 750 dinars to the dollar. Dr. Jozef Brijel, president of the federal committee for tourism, told the Yugoslav news agency Tanjug the devaluation would among other things help to speed up tourist development.
