Extract of Sarsaparilla.

THE WONDER AND BLESSING OF THE AGE

The most Extraordinary Medicine in the World!

THIS EXTRACT IS PUT UP IN QUART BOTTLES; IT IS SIX TIMES CHEAPER, PLEASANTER, AND WARRANTED SUPERIOR TO ANY SOLD. IT CURES WITHOUT VOMITING, PURGING, SICKENING OR DEBILITATING THE PATIENT.

The great beauty of the superiority of this Sarsaparilla over all other Medicines is that while it eradicates the Disease, it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known. It not only Purifies the Whole System and Strengthens the Person, but

CREATES NEW, PURE AND RICH BLOOD!

a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last three years more than 150,000 cures of severe Cases of Diseases; at least 20,000 were considered incurable. It has saved the lives of more than 15,000 Children during the three past seasons.

GREAT BLESSING TO MOTHERS AND CHILDREN.

It is the safest and most effectual medicine for purifying the system and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Cosackie, Sept. 29, 1848.

DR. TOWNSEND.—To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement under the most alarming and delicate circumstances, being troubled with the dropsy and swelling of the feet, nervous affections, and very much debilitated; with my persuasion and the recommendation of those who have used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you, or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedt. and obliged servt.

S. S. JAMIESON.

CHRONIC COSTIVENESS.

This Sarsaparilla is the greatest remedy for Habitual Costiveness, Inflammation in the Bowels, Fistulas, &c. The constant use of physic for Costiveness, is as injurious as for the Piles—the more it is used, the more it requires—at last the tone and action of the bowels are destroyed, and the patient afflicted with numerous nervous disorders, Dyspepsia and the Piles—avoid Pills, and Physic in Electuaries. Thousands of cases of Chronic Constipation of the Bowels have been cured by this Sarsaparilla.

3,000 CASES OF CHRONIC RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes gives temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

2,500 CASES OF DYSPESIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food, and strengthens the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of Dyspepsia, however severe or chronic. If any doubt this assertion, we can furnish the testimony of some of the most respectable gentlemen in the United States, who have been perfectly cured.

10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

It invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by the use of this pleasant remedy.

This Sarsaparilla is far superior to any

INVIGORATING CORDIAL.

as it renews and invigorates the system, gives activity to the limbs, and strengthens the muscular system in a most extraordinary degree.

7,000 CASES OF FEMALE COMPLAINTS.

This is, without dispute, the best medicine for the various and peculiar complaints ever offered to the public. It is never injurious, and always beneficial, especially to nervous, debilitated, and delicate Females. It quickens the circulation of the Blood, infuses it in the extremities, and creates new blood and life in the most noble and prostrated. No female in delicate health, old or young, or middle-aged, should neglect to take it.

4,000 CASES OF CONSUMPTION.

Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Catarrh, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured. Dr. Townsend has the most indisputable testimony of thousands of severe cases of Consumption that his Sarsaparilla has cured.

3500 Cases of Erysipelas and Salt-Rheum. 1,000 Cases of Scrofula. 1,000 Cases of Yellow Jaundice. 1,000 of Liver Complaint. 1,500 Cases of Diseases of the Kidneys. 7,500 Cases of Dropsy. 1,000 Cases of the Gravel.

This Sarsaparilla acts with singular energy on the secretions of the Liver and Kidneys and Bladder, and Dropsy, and all affections of the Urinary Organs. Several thousand cases have been reported as cured when all other remedies have failed.

1,000 CASES OF PILES.

Blind, Bleeding or Itching Piles, are entirely cured—whether internal or external, by this remedy. This is by far the most certain and pleasant medicine for this painful disease. Ointments cures some cases, but in others are highly injurious. For Married Ladies nothing can be compared to it. It keeps the bowels in perfect order, without acting as cathartic, and strengthens mother and child, and is never injurious. If persevered in it will cure any case. The parts should be frequently bathed with cold water and castile soap.

2,000 CASES OF COSTIVENESS.

No remedy equals this in Chronic Costiveness. It regulates the Bowels and leaves them in a natural state, without purging or weakening the patient.

IT HAS CURED THOUSANDS, AND THOUSANDS OF CASES OF

Cholera and Cholera Morbus, Summer Complaint and Dysentery, Biles and Blotches, Fever Sores and Ulcers of all kinds, Syphilitic Affections, Tetter, Tumor, Tiedoloreux, Sores of all kinds, Scald Head, Skin Diseases and Scaly, Sick and Nervous Headache, Uterine Diseases, Cancer and Cancerous Tumors, Bad Breath and Yellow Complexion, Catarah, Cholice, Cramps and Spasms, Carbuncles and Swellings, Group or Hives, Influenza, Crying and Cross Children, caused by pain, from Acidity or Wind in the Stomach, Drowsiness & Drumming in the Ears, Diseases in the Skin, Diabetes, Impurity of the Blood, Eruptions, Enlargement of the Joints and Bones, Goutte or Bronchial Enlargement of the Neck, Faintness, Flatulency, Heart Pain, Palpitation of the Heart, Headache, Hysterics, The Gout and Gripping Pains, Jaundice, Leprosy, Lumbago, Lowness of Spirits, Loss of Appetite, Pains in the Head, Back, Stomach, Sides and Bones, Measels and Mumps, Pleurisy, Rash, Neuralgia, Small Pox, Hooping Cough, Melancholy, Giddiness, Epilepsy, Pruritus Uteri, Suppient Constipation, Exposure and Imprudence in Life, &c.

THE NEW YORK SUN'S ART UNION!

A SPLENDID ENGRAVING AND A YEAR'S SUBSCRIPTION TO THE NEW YORK WEEKLY SUN,

FOR ONLY ONE DOLLAR!

Besides the Distribution of 1000 MAGNIFICENT PRIZES AMONG THOSE WHO SUBSCRIBE.

BEACH, BROTHERS, Publishers of the WEEKLY SUN, as a testimonial of their appreciation of the vast and constantly increasing patronage bestowed upon that dollar newspaper, will make a gratuitous present of a large and splendid full length engraving of Major General Zachary Taylor, President of the United States, covering four hundred and thirty-seven square inches, beautifully printed on fine paper, to every subscriber (whether a new one or one who renews an old subscription) whose name is entered upon the subscription books between the first day of January, 1849, and the first day of January, 1850; and they will also distribute among those subscribers one thousand prizes, varying in value from \$25 down to \$1, the total value being not less than Two THOUSAND DOLLARS.

THE ONE THOUSAND PRIZES

which are to be distributed among the subscribers to the Weekly Sun, comprise some of the most valuable and costly books ever published in the United States. A large number of these volumes are bound in the most expensive manner—in ornamental Turkey morocco, with gilt edges. The greatest part of them are supplied by the well known publishers, Harper & Brothers. Each person who draws a prize has the privilege of making his own selection of books to the amount of his prize from the published catalogue which is furnished to each subscriber. The plan for

DISTRIBUTING THE PRIZES

is as follows: Every person from whom we receive one dollar in payment for his subscription will obtain a numbered receipt corresponding to the numbered entry upon the books, and also a copy of the Engraving. On the first day of January 1850, the total number of subscriptions which will have been received during the year will be published in The Sun and a magic figure for distributing the prizes will be selected as follows. We shall obtain from the Captain of the First American Steam Ship arriving at New York from any European Port after the 1st of January, 1850, a certificate of the greatest number of miles travelled in any one day during the voyage; and the last two figures of that number, after being transposed in position, will be made the magic number. The prizes will be divided into ten series of 100 each, the first 109 prizes being distributed among the first 5000 subscribers, the second 100 among the second 5000 subscribers, etc. Every subscriber whose number ends with the magic figures or with the last two figures of the last two figures of the sum of the magic number with 30 added to it, will be selected to receive one of the prizes. The prize subscribers will then be re-numbered in the order of their selection, and those whose new numbers end with two magic figures will be entitled to the first prize.

THE ENGRAVING OF GEN. TAYLOR

Is not equalled by any similar work of art. It is done from a life-sketch in Howland's best style, and is of itself richly WORTH THE PRICE OF SUBSCRIPTION.

This engraving it will be remembered, is GRATUITOUSLY PRESENTED to every one who pays in not less than one dollar on account of subscription to the Weekly Sun, so that for a single dollar each person is sure of receiving The Weekly Sun for a whole year, and also a perfect copy of a superb likeness of General Taylor besides a fair chance for one of the prizes offered.

Among the One Thousand prizes to be distributed among subscribers are the following:

FIRE! FIRE!! FIRE!!! TO THE PUBLIC!

THE Subscriber, with some degree of confidence, begs to call the attention of the Public to the great and peculiar advantages which persons will enjoy, by effecting Assurances with the

Alliance Life and Fire Insurance Company, OF LONDON.

These advantages are— First.—PERFECT SECURITY.—It must be admitted, that a Capital of £5,000,000 sterling, under the immediate management of such a wealthy and influential body as the Directors of this Company, affords perfect security to the Assured.

Secondly.—HONOR AND LIBERALITY on the part of the Company has ever characterized all its transactions. As the assured in this community have invariably experienced this FROM THE COMPANY, during the last Eleven years nothing further need be stated upon this head.

Thirdly.—The purchase of this advantage at a moderate rate. It is material to know, that while from the largeness of the Capital, which is alone answerable for losses, the Assured not only enjoy perfect security, but also are privileged to participate in the profits of the Company, which are declared and divided at the expiration of every successive period of Five years. This participation will be returned to the Assured in the form of percentage, on the Premiums that have been paid. In the year 1844, the Subscriber paid to the Assured, entitled to receive this percentage, a fair return; and during the present month, the Subscriber has had much pleasure in paying to various gentlemen who have assured with the Company, for the last five successive years, the handsome return of Seven and a half per cent. one of whom received the large amount of £41 9s. 9d., Island currency, as his proportion.

The Directors have removed the restriction relative to the burning of Camphene. This Oil may now be used in buildings assured by the Alliance.

The advantages above stated have reference also to the Life Department.

If the Public really want PROTECTION against the devouring element of FIRE, especially at this season of the year, they can obtain it by applying to the Subscriber, who will be happy to take risks at fair Rates of Premiums, against FIRE, and issue Policies on LIFE, on satisfactory terms.
