Dental Report Critical Of Conditions In P. E. I.

A recent report to Ottawa on dental survey made in this Province states: "Generally the picture is one of ignorance, indifference and neglect."
Completed by Dr. B. J. McMeas, Director of the Division of Dental Public Health of P. E. I., the report of the survey was made after the examination of 5,000 children, 2,000 of these children from schools in rural areas, and 3,500 in Charlottetown and Summerside.
The report divides the children into age groups and states that the decay rate in permanent teeth is very similar in urban

Coming Events

- *Abegweit R. B. P. Kingston, Friday, June 8th.
- *Dance Orwell Hall June 11th. Millview Orchestra. Luncheon.
- *Mail your Films to Garnhum Photo Studio, Charlottetown.
- *The Cancer Campaign will be held the first week in September.
- *Farmers' Book your Cloyer Seeds now. McGuigan & Boyle.
- *Mixed Seed, 70% Timothy, 30% Clover. 26 cents. McGuigan & Boyle.
- *Seeds: Store open daily, also Monday and Thursday evenings until 9 P. M. Arthur Vessey, York.
- *Regular Dance, East Royal Bink Hall, Friday, May 18th. Bus leaving I. M. T. 9.45.
- *Kingston Y.P.U. presents their 3-act play, "A Pair of Country Kids" in Cornwall Hall, June 8th.
- *New Haven tonight at 9.00. Thrilling outdoor show "Canon City."
- *See Kinkora Play in Kelly's Cross Hall, Monday, June 11th. Dance after.
- *Hear Bishop Waterman tonight 8 o'clock, St. John's Anglican Church, Milton.
- *Reserve Wednesday, July 18th for the Murray Harbour Tea Party and Boat Races.
- *Kinkora Hall, Friday, June 8th. See Special Film "Maytime" starring Jeanette MacDonald and Nelson Eddy.
- *See Hope River players present their play "The Campbells Are Coming" in Long River hall Thursday, June 7th.

- *The one-act play "The Valiant" winner in the Provincial Drama Festival, will be presented Friday night, June 8, in Masonic Hall, Hunter River, with special presentation as one of the cast moves shortly for military service.

Likely To Be Continued For Eight Months

OTTAWA, June 6—(CP)—An eight-month extension of the Government's multi-million-dollar feed grain subsidy likely will be announced soon, it was learned today.
A wartime idea, the subsidy helps boost the movement of Western feed grains to the Pacific coast and to the Central and Eastern Provinces.
Under the plan, farmers get Western grain at relatively low prices, through a Government contribution to the dealer on the basis of freight costs.
The original idea was to encourage beef and pork production to meet overseas contracts. This has fallen by the way and the question of whether the subsidy should be continued has been the subject of debate in the Cabinet.
However, with a big supply of low-grade wheat still on prairie farms, the Government has been under pressure to continue the subsidy and get the wheat sold as feed grain. Feeders also want the subsidy continued to keep production costs from rising higher.

Price War In The U. S. Continues

NEW YORK, June 6—(AP)—Warring department stores slashed price tags on more merchandise today to pump new vigor into their seven-day battle of bargains.
But the mad rush of customers snapping up former fixed-price items at close to dealer cost appeared to be about over in New York.
Meanwhile, price-cutting spread to new areas of the United States as more retail merchants decided to take advantage of a U. S. Supreme Court ruling that they need not observe manufacturers' fixed prices unless they had signed "fair trade" agreements.
Some department stores in Louisville and Lexington, Ky., dropped tags 10 to 30 per cent on about 1,000 items.
Other price-cutting areas ranged from Claremont, N. H., and Atlanta Ga., to Sitka, Alaska, and San Francisco.

Missing Nfld. Pilot Is Safe

ST. JOHN'S, Nfld., June 6—(CP)—Pilot Eric Blackwood was back home here tonight wondering what all the fuss was about.
The 29-year-old flying manager of Eastern Provincial Airways had been grounded by fog at Sandy Islands, Labrador, while an extensive search was being prepared. He had been reported missing on a flight from St. Anthony to Cartwright Saturday.
Blackwood said he attempted to take off again when the weather cleared Tuesday but was delayed by battery trouble. Lack of communications in the isolated area made it impossible to inform his base of his whereabouts, he said.

Briefs To Be Filed By Counsel On Both Sides

The sitting of the Board of Transport Commissioners to hear the application to make this Province a one-zone freight rate area ended yesterday afternoon without argument by counsel. Chief Commissioner M. B. Archibald ruled that due to the length of time taken up with the case the opposing counsel should submit briefs rather than have the Board hear their arguments.
Mr. A. K. Dyer, A.C. counsel for the Canadian National Railway, opposed the suggestion but his objection was overruled. As a result Mr. J. O. C. Campbell, K. C., counsel for the P. E. I. Potato Marketing Board, was ordered to have his brief prepared by July 7, with Mr. Dyer's brief given until July 28 for his reply.
Mr. Dyer said an alternative had suggested that opposing counsel present their arguments before the Board at Ottawa at the end of this month. This, however, was objected to by Mr. Campbell who stated the Supreme Court of this Province would be sitting here at that time.
At the time adjournment was taken on the case yesterday afternoon Chief Commissioner Archibald said the Board would sit here until Friday night to give this Province and the C.N.R. time to fully present their cases dealing with the cessation of railway traffic on the Hillsborough Bridge.
Mr. Reid's Evidence
The first witness called yesterday morning was Mr. E. D. Reid, manager of the P. E. I. Potato Growers Association and also manager of the P. E. I. Potato Marketing Board. The former, he said, was co-operative with 2,000 patron members who shared in any surplus profit at the end of the operating year. The Board was a producer controlled board whose main function was to regulate price setting and dictate the minimum prices at which P. E. I. potatoes might be sold. He added that the same minimum price pre-

that time.

Alberta Has Worst June Snow Storm In History

CALGARY, June 6—(CP)—The worst June snow storm in history today paralyzed the whole of Southern Alberta.
A record 14 inches of wet snow had been dumped on Calgary by mid-afternoon as the storm went through its second day. The Weather Office estimated just as much snow fell in the Lethbridge region, but poor communications prevented relay of the extent of the two-day total fall.
There was no immediate let-up in sight.
Telegraph and telephone communication lines in the south were knocked out for hours. Many roads were impassable or hazardous. Side roads were reduced to soggy masses of mud by the damp snow.
The weather disturbance, which developed in Montana and moved north into Alberta yesterday morning, brought light to heavy rain to eastern and central parts of Alberta and most of Saskatchewan. It is heading for Manitoba. Skies were sunny in Edmonton.
It was the eighth year since 1900 that more than a trace of snow fell in Calgary in June. The heaviest previous fall in June was six inches in 1910 and 1944.

Livestock Market because of the bad roads and the number of power and other lines brought down by the storm.
The Weather Office held out no hope for an end to the continuous snow at least until late tomorrow. The snow storm, mixed intermittently with rain south of Calgary, was concentrated in the foothills from the Lethbridge and Calgary and Banff.
The weather disturbance, which developed in Montana and moved north into Alberta yesterday morning, brought light to heavy rain to eastern and central parts of Alberta and most of Saskatchewan. It is heading for Manitoba. Skies were sunny in Edmonton.
It was the eighth year since 1900 that more than a trace of snow fell in Calgary in June. The heaviest previous fall in June was six inches in 1910 and 1944.

Gen. Eisenhower Recalls Lesson Taught To Nazis

BAYEUX, France, June 6—(AP)—Gen. Dwight D. Eisenhower returned on D-day plus seven years to Normandy's dearly-bought beaches and hedgerows today and bluntly warned the Communist world to remember the lesson taught Hitler's Nazis.
"All the free world would rally here again" if Western civilization is threatened by aggression, the supreme commander said at Ste. Mere Eglise, where the first waves of U. S. parachute troops paved the way for beach assaults on Hitler's fortress Europe in 1944.
"Today the Western world is united to defend freedom before it is lost," he told a crowd of 8,000 in another short speech at the British cemetery in Bayeux, the eastern end of the 66-mile D-day assault front where British forces captured the first town in the liberation of France.
Eisenhower flew to commemorate the occasion from his headquarters in Paris, where he heads a growing Atlantic Pact army to defend Europe against any new aggression.
His plane circled over a fleet of 40 French, British, Norwegian and Danish warships engaged in a joint "operation progress" exercise. It landed at Cherbourg, the first large French port captured by the Allies in 1944.
Eisenhower motored to Ste. Mere Eglise and placed a wreath on "Milestone Zero," which marks the start of the armored dash across France to the Rhine.
"We hope that the campaign begun seven years ago taught all aggressors one thing—that the soil of France is sacred to all the freedom-loving world," he said in an impromptu speech before the Town Hall.
"All aggressors would do well to remember that."
Eisenhower said the only aim of the Allies now, as seven years ago, is peace, but "tragic experience has taught us that peace could never be the lot of those who were divided, fearful or wishing to remain spectators."

Summer Cottage Damaged By Fire At York Pt.

Fire late last night caused considerable internal damage to a summer cottage at York Point owned by Mr. Plecton "Pic" Brown, Charlottetown. The fire was first noticed by nearby farmers about 11:30.
Origin of the blaze at the time of writing was unknown. It appeared to have started around the fire place but there were none of the owners in the cottage since late in the afternoon.
The blaze quickly spread to the wall and over the floor but nearby neighbors succeeded in removing all the furniture without damage or loss.
City firemen with the Bickle pumper raced to the fire and with the aid of neighbors overcame the blaze.

U. S. Wholesale Food Prices Show Decline

NEW YORK, June 6—(AP)—U. S. wholesale food prices, as measured by the Dun and Bradstreet index, this week posted the sharpest decline in eight months. The index dropped to \$7.08 from \$7.18 last week, and was 18 per cent above the year-ago level of \$6. The index represents the total cost at wholesale of one pound each of 31 foods in general use.

S'ide Robbery Case Will Go To Jury Today

The case of Cecil Arsenault and Clarence Cahill, charged with robbery, which occupied the attention of the Supreme Court in Summerside all day yesterday will go to the jury this morning after the charge by Chief Justice Thane A. Campbell, the presiding judge.
Yesterday the Crown presented four witnesses, including the complainant, Mr. Roy Ford of Northam. The defence did not present any evidence. The jury was addressed by Mr. Harold Goodwin for the Crown and Mr. H. F. McPhee, K.C. for the defence. Attorney-General W. E. Darby, K.C. was present but did not take part.
Mr. McPhee made a vigorous plea on behalf of his clients, contending that there was no evidence of robbery, no evidence of an assault, and that the identification was not proven.
The first witness was Mr. Ford, who told of coming to Summerside with his wife on March 19th and coming out of the New World Cafe in the afternoon and meeting two men he didn't know. One asked for the loan of a quarter which he needed to buy a bottle of liquor.
Witnesses said that he gave him a quarter from a wallet which he opened in view of the men and which contained between forty and fifty dollars. A short time later he met them near Holman's store and one said that they had got the bottle and invited him for a drink. Witness testified that they all went down back of Holman's and sat on a window sill and the bottle was passed around two or three times. He said that when he started to leave one man hit him and then both attacked him and beat him about the head staggering him. As he gained his feet they ran off and one shouted "Come on, I've got it."
He felt in his pocket and his wallet was gone. He was bleeding from the mouth and nose. Witness identified the accused as the men who attacked him. Under cross examination he admitted that at the preliminary hearing he said he was not sure of Cecil Arsenault and after some hesitation, said that statement was correct. He said that the first time he saw the accused after the incident was in court at the preliminary hearing two days later.
Mr. Willard Hogg testified that he is a clerk in Holman's produce office and that on the day in question some one had come to the door and said that a man had been assaulted. He said he saw Mr. Ford and he was bleeding about the face.
Mr. Arthur Andrew, said that he is a member of the R.C.A.F. and on March 19 he was a constable, Alex McIssac, both of Charlottetown.

Taxation Bill Gets Third Reading

OTTAWA, June 6—(CP)—A final Opposition attempt to knock out a \$125,000,000-a-year jump in the Federal sales tax was defeated by the Government majority in the Commons today.
The House voted 138 to 50 against tampering with Finance Minister Abbott's budget proposal, reflecting a move sponsored by the C.C.F. and backed by the other Opposition groups. Then, it gave third and final reading to a Government bill embodying the sales tax increases and other taxation boosts.
The bill, whose sales tax hoist from eight to 10 per cent has stirred criticism in the Commons for some weeks, now goes to the Senate.
M. J. Coldwell, C. C. F. leader, called for the vote on the sales tax issue when the bill was up for third reading. He moved that it be sent back to the committee of the whole House for reconsideration of the clause dealing with the sales impost.
Witnesses said that he gave him a quarter from a wallet which he opened in view of the men and which contained between forty and fifty dollars. A short time later he met them near Holman's store and one said that they had got the bottle and invited him for a drink. Witness testified that they all went down back of Holman's and sat on a window sill and the bottle was passed around two or three times. He said that when he started to leave one man hit him and then both attacked him and beat him about the head staggering him. As he gained his feet they ran off and one shouted "Come on, I've got it."
He felt in his pocket and his wallet was gone. He was bleeding from the mouth and nose. Witness identified the accused as the men who attacked him. Under cross examination he admitted that at the preliminary hearing he said he was not sure of Cecil Arsenault and after some hesitation, said that statement was correct. He said that the first time he saw the accused after the incident was in court at the preliminary hearing two days later.

Mr. Arthur Andrew, said that he is a member of the R.C.A.F. and on March 19 he was a constable, Alex McIssac, both of Charlottetown.

Hospital Ass'n Elects Officers

ST. ANDREWS, N. B., June 6—(CP)—R. H. Gale, superintendent of the General Hospital, Saint John was elected chairman of the New Brunswick section of the Maritime Hospital Association at its ninth annual meeting at Algonquin Hotel here succeeding Dr. D. F. W. Porter, superintendent of the Moncton Hospital. Dr. O. C. Macintosh, Antigonish, was named chairman of the Nova Scotia, Newfoundland section and Neil MacLean, Charlottetown, chairman of the Prince Edward Island section.
Other sectional officers are: New Brunswick, secretary, Rev. Sister Burns, Superior of Hotel Dieu Hospital, Chatham; executive members, Miss A. J. McMaster, R.N., superintendent of Soldiers Memorial Hospital, Campbellton; J. D. Winslow, Woodstock; and E. E. Irvine, St. Stephen; Nova Scotia-Newfoundland, secretary, Miss Rhoda McDonald, superintendent of Payzant Memorial Hospital, Windsor; Prince Edward Island, vice-chairman, Rev. Mother Paula; and secretary, Alex McIssac, both of Charlottetown.

8th Army Back To Positions Held Before Red Drive

TOKYO, June 7—(Thursday) (AP)—Allied armored prongs squeezed Wednesday to the gates of Chorwon and Kumwha—keystones of the Red rebuff in North Korea.
Rearguards of an estimated 300,000 Communist force yielded slightly on the central front but resisted fiercely on the east and west flanks.
A powerful nutcracker was tightening along the two main roads leading to the bastions of Chorwon and Kumwha, 17 and 20 miles north of parallel 38.
United Nations tank forces gained one to two miles in the central mountain corridors.
Robert Euston, Associated Press bureau chief, reported from the front that the battle-hardened Eighth Army, comprised of troops from 14 countries, had smashed back to positions they held six weeks ago when the Chinese and Korea Reds launched the first of two costly and futile spring offensives.
Late last April the main Allied line was four miles from Chorwon or about 12 air miles north of parallel 38.
Heavily-censored field dispatches cloaked the exact positions in the current Allied rebound.
Euston, at Eighth Army headquarters, said there was general agreement the Chinese were building up to strike again, but "it seems to be the general opinion that they won't be back very soon."
From Formosa Wednesday came Chinese Nationalist reports that a Red international brigade of 30,000 men assembled at Pyongyang, the Korean Communist capital northwest of Chorwon.

Board Hears Argument On Hillsboro Bridge Traffic

An argument between counsel over the admissibility of several letters exchanged between Premier J. Walter Jones and Mr. Donald Gordon, President of the Canadian National Railways, highlighted the sitting of the Board of Transport Commissioners in the Supreme Court room yesterday afternoon.
The Board, under the chairmanship of Chief Commissioner M. B. Archibald is hearing arguments by the Province of Prince Edward Island and the C.N.R. over the closing of the Hillsborough Bridge to railway traffic. With the Chief Commissioner on the Board are Commissioners Armand Sylvestre, K. C., and H. B. Chase.
The Chief Commissioner finally ruled against Mr. A. K. Dyer, K. C., counsel for the C.N.R., and suggested that the correspondence be wished to table be laid aside. Mr. Campbell had objected to its admission as the file proposed to be submitted contained only copies of the original letters and "they have not been proven". He suggested that opposing counsel bring Mr. Gordon to the hearing, saying, "he is the man we want."
In his opening discussion Mr. Dyer had traced the stages of the Hillsborough Bridge from the discussions in the local Legislature in 1939. At that time it was decided that the bridge be so constructed as to be adaptable for railway and highway traffic. He said orders had been given to discontinue operation over it as it is dangerous for trains to pass over the bridge and the "C.N.R. was forbidden to run trains over said bridge."
Mr. Dyer said the purpose in wishing to submit the barred correspondence was to show "that the purpose of the request for reconstruction was for the reason of having a bridge for highway purposes to meet the standards of the Trans Canada Highway".

Lieut. Governor Of Ontario To Visit PEI Today

Hon. Ray Lawson, O. B. E., L. L. D., C. C. N. L., D. C. L., Lieutenant Governor of Ontario will arrive in Charlottetown early this afternoon accompanied by Mrs. Lawson and Lieutenant Colonel Thomas Lawson, his Aid-de-Camp and son. The party will be guests at Government House during their brief visit.
This afternoon His Honor will be driven to points of interest throughout the Province, and will see his first lobster factory. He will be accompanied by Lieutenant Governor T. W. L. Prowse, Premier J. Walter Jones, and Mayor B. Earle MacDonald.
This Evening he will be guest of honor at a reception at Government House, attended by approximately fifty guests including Provincial and City officials.
After a visit tomorrow morning to the National Park, the party will leave by R. C. A. F. plane for Trenton, Ontario, where His Honor is to officiate at an Air Force celebration.

OTTAWA, June 6—(CP)—The average Canadian industrial worker was earning \$46.42 a week on April 1, the highest average weekly wage in history, the Bureau of Statistics reported today. It compares with \$48.19 at March 1 and \$44.77 at April 1 last year.

Mr. Gaffney's Evidence

Called as a witness, Mr. Frank A. Gaffney, C.N.R. Chief of Transport Research, Montreal, produced in evidence a photostatic map of the section of railway between Murray Harbour and Charlottetown. He showed the lines affected by the cessation of the service over the bridge. This brought immediate argument from Mr. Campbell who maintained that in the legend defining the map there was also a line which indicated a possible route for a bus franchise.
The map was allowed by the Chief Commissioner who ruled that if they stopped the traffic Mr. Dyer must be able to show that they had an alternative service to offer.
Mr. Gaffney described the region through which the closed line passed and named the villages whose stations were not now operating. They were Bunbury, Hazelbrook, Mt. Albion, Mt. Herbert, Village Green and Southport. All are handy to good highways. It was brought out.
He said that formerly the railway had operated a two-day a week service for passengers and also a four-day a week mixed service on the line over the bridge. Since the order of the Board of March 10, 1951, closing the bridge the service had operated via Mt. Stewart. There has been no passenger service between Lake Verde and Southport since that date, the witness said. He added that granting of the application to permanently close the bridge to rail traffic would have no effect on the freight service with the

HALIFAX, June 6—(CP)—Official forecasts issued by the Dominion Public Weather Office here and valid until midnight Thursday.
Synopsis:
A few remaining sprinkles of rain will drift across Nova Scotia Thursday morning. The weather is forecast to become sunny again about noon over Nova Scotia. Elsewhere in the district there will be a few afternoon and evening showers.

New Moderator Of Presbyterian Church Elected

OTTAWA, June 6—(CP)—Rev. Norman Kennedy, M.C., minister of First Presbyterian Church, Regina, tonight was elected moderator of the Presbyterian Church in Canada.
His election came following the opening service of the 77th General Assembly of the Presbyterian Church being held here in St. Andrew's Presbyterian Church.
Mr. Kennedy, a distinguished Scot and holder of the Military Cross for gallantry in the First World War, was elected on the first ballot. He succeeds Rev. Dr. Frank Scott, MacKenzie of the Presbyterian College of Montreal.
Nominated by the East Toronto Presbytery, Mr. Kennedy has been minister of the Regina Church for the last nine years. He moved to Regina after serving 13 years in New Glasgow, N. S.
Others nominated were Rev. Dr. David Lang, St. Andrew's Church, St. John's, Nfld. and Rev. Dr. William O. Mulligan, minister of St. Andrew's Church, Aurora, Ont.

Toronto Woman Found Murdered In Own Store

TORONTO, June 6—(CP)—The wife of a midtown hardware store owner was found slain in her shop today, a hatchet from a display case buried in her skull and her hands tied behind her back. Kobery was believed to have been the motive for what police termed one of Toronto's most gruesome murders.
The body of Mrs. Edwin Derkison, 40, was found in the rear of the little store on Yonge Street just south of Bloor. She had been almost decapitated while her husband lay ill in bed in a room above.
A towel was tied about her neck and she had been garrotted with wire. The store cash register had been emptied.
A youth described as "looking like a farm boy" was sought. Police said he had been seen leaving the shop, blood streaming down his face, shortly before Mrs. Derkison's body was found by bank messenger Thomas Ireland who had entered to deliver a bank draft.
