Successful Clinic Held At Air Station

SUMMERSIDE — A highly successful blood donor clinic was held on Thursday at the R.C.A.F. Station, Summerside when 161 donors gave blood to this worthy cause.

All the different sections had been cancelled by the RCAF personnel while the canvassing of the married personnel quarters was the project of the mayor and the members of his council. Lunch for the donors was served by the RCAF personnel and the members of blood donor mobile team were served breakfast and dinner in the officers mess.

The Red Cross blood donor clinic held in Summerside last evening at St. Mary's Hall fell far short of its objective of 200 when only 138 donors turned out for this very special cause.

However, two more clinics are being held today, this afternoon and evening and chairman of the Legion sponsored clinics, Walter Duggan expressed the hope last evening that donors in much larger numbers will be on hand today to help reach the total objective of 550.

The local blood bank must be maintained and the only way this can be achieved is through donors presenting themselves at these clinics and doing their share.

Mr. Duggan sincerely requests

all those who possibly can be on hand at St. Mary's Hall this afternoon or evening and give lifesaving blood.
