Attention All Juniors:

Are you graduating next year? Would you like to end your time at U.P.E.I. with a Great Senior Week? Well, you can if you vote in the General Elections (Mar. 23-26 in the Breezeway).

Melanie Johnston is running for Senior Class President. She is a Junior Psychology major.

Both have been involved with the Student Union over the past three years.

!!!!HELLO STUDENTS!!!!

Hi everyone how are you? I hope you are all doing well in the area of finance since coming back from February break. If you are having a "FEW" problems I suggest you come down to my office at Student Services and look over some of the available bursaries and scholarships.

At present I am receiving a great deal of new information on Graduate awards that are payable for the Fall semester of study. I will try and keep updated information on graduate awards on the bulletin board in Main building (second floor), and undergraduate awards on the board in the library breezeway. You are also welcome to come and look over the binders that contain both graduate and undergraduate awards for this and next semester.

My hours are: Monday & Wednesday 1:00 - 4:30
