500 KILLED
PARIS (AP)—The newspaper Le Monde said Wednesday 500 Algerians were killed and 2,000 wounded in metropolitan France between Jan. 1 and Oct. 30. The newspaper said the slayings resulted from quarrels among rival Algerian Nationalist bands and from executions of North Africans reluctant to pay money to one or another of the factions. There was no official confirmation of the casualty figures.

DIGNIFIED MUSIC

Legion Wreath, Poppy Fund Canvass Today

A house to house canvass in Summerside will be held this evening between 8:30 and 9:00 o'clock when 100 members of the Summerside branch of the Canadian Legion will officially inaugurate the 1957 poppy campaign.

This is the first year that a house to house canvass will be carried out by Legion members but it was deemed necessary due to the increasing demand for funds which go toward relief for needy veterans, providing university scholarships for children of veterans who would otherwise be unable to further their education, veterans affairs counselors, cigarettes and other items to hospitalized veterans etc. Veterans who receive assistance through the wreath and poppy fund need not be members of the Canadian Legion B.E.S.L.

Mr. Harold Harkness is chairman of the wreath and poppy fund committee.
