Dogs of White Samoyede Breed in Float Parade

Said to be the oldest, kindest and most intelligent in the world, the five white Samoyede dogs used on the prize-winning Island Furriers float yesterday, are the property of Dr. C. S. Bezanon of Aylesford, N.S. Originating in Iran, Iraq, the dogs were taken to the Samoyand Peninsula as their owners migrated there over a period of a thousand years. In Samoyand they were used as sled dogs, watch dogs, and as guardians of reindeer. Seven explorers have taken these dogs to the Arctic instead of huskies. The oldest of the five dogs shown, "Spark of Alai" holds the world record in his breed, and the youngest on the float, nine months "Bonnie Snow White of Samoyand" holds the North American championship. Another of the dogs, "Dawn of Samoyand", led the recent dog show in Halifax.

60th Annual Meeting Of P. E. I. Presbyterial

The 60th annual meeting of the P. E. I. Presbyterial of the Women's Missionary Societies of the Presbyterian Church in Canada was held in Zion Church on Tuesday, July 5th. There was a very large attendance of members from almost all parts of the Island.

At the morning meeting the president, Mrs. F. A. A. Mutch, was in the chair. Members from Zion Auxiliary, Mrs. C. W. Patterson, Mrs. A. A. MacDonald and Mrs. Rendle Larier took part in the Devotional Service.

The greetings of Zion Auxiliary were brought by Mrs. G. C. Webster, a former president, who graciously welcomed the members. Mrs. F. N. Young of Montague fittingly replied to the greetings.

The nominating committee was appointed as follows: Miss Mary MacKenzie, deaconess at North Tyron, Mrs. A. A. MacDonald, Charlotteville, Mrs. Fred Campbell, Crahan Road, Mrs. F. N. Young, Montague and Mrs. Ivan MacLean, Tyne Valley. Mrs. Louis Sadler and Mrs. Daniel Darrach of Charlotteville were appointed as committee for credentials and Mrs. Andrew Jardine of Freetown and Mrs. Annie Kennedy of Murray Harbor North as committee for resolutions and courtesies.

Reports were brought by the corresponding secretary, Mrs. T. H. B. Somers; the literature secretary, Mrs. Robert Jardine; the home mission secretary, Mrs. Al-lan Campbell-read by Mrs. A. M. Green; the home helpers secretary, Mrs. Rendle Larier; the "Message" secretary, Mrs. D. A. Campbell-given by Mrs. George P. MacLeod; and the treasurer, Mrs. Arthur King. All reports showed steady growth and record financial strength. Mrs. K. R. Hurst led in a discussion of the various reports.

The meeting adjourned with the Benediction by Miss Mary MacKenzie, deaconess.

Afternoon Session
The afternoon session opened at 2.30 P. M., with the president conducting. Members of Clyde River Auxiliary, Mrs. Donald Nicholson, Mrs. Auld, and Mrs. Beer were in charge of the worship period. The minutes were read by the recording secretary, Mrs. J. W. MacKenzie.

Mrs. W. C. S. McLure led in the memorial service and placed on the table a bouquet of white flowers in memory of those who had died during the year.

The report of the mission bands was given by the secretary, Mrs. George P. MacLeod of New London. The Murray Harbor North Band won the banner for highest standing for the years work.

The report of the credential committee was given by Mrs. Daniel Darrach. An invitation to hold the 1952 Presbyterial meeting in Summerside was extended by Mrs. Donald Baker and on motion accepted. The augmented report was given by the treasurer, Mrs. Arthur King.

Members of the Zion Mission Band, directed by their leaders, Mrs. P. MacDonald and Miss Doris Ferguson, gave a pleasing choral number.

The report from the P. E. I. Presbyterial was brought by the Moderator, Rev. D. A. Campbell of New London. He briefly brought to the members commendation for their past work and encouragement for the future.

Rev. G. C. Webster, who recently attended the seventy-seventh meeting of the General Assembly of the Presbyterian Church in Canada, gave an interesting account of the church's missionary activities. He spoke of Christ as the solution of the world's problem; he told of the difficulties confronting missionary work and other workers in the newly opened districts in remote parts of Canada; of the work among non-Anglo-Saxon peoples - Hungarians, Rumanians, Chinese, Italians and French; of the overseas missions in India, British Guiana, Manchuria, and Formosa; of the faith and courage of Christians who are holding fast in spite of the opposition of Communism and of some who have given their lives for the Christian faith; he stated that the church now has a strong ministry but to take up the work planned needs more men and more money; he welcomed to "the island" Rev. and Mrs. Vincent Crawford who have come from Northern Ireland to take over the Marshfield congregation; he stated that Prince Edward Island stood highest in the average number of minister and deaconesses given to the church; in closing he said the Presbyterian Church in the last twenty-five years was not of mushroom growth but was firmly established on solid ground.

Beauty Contest Big Attraction At Prince Edward

Nine contestants for the Provincial Crown of Beauty appeared before the public and judges at the Prince Edward Theatre yesterday morning in the first half of the Miss P. E. I. contest.

Mrs. R. Sutherland acted as chairman for the occasion, representing the Business and Professional Women's Club of Charlottetown who have arranged the contest, and outlined the rules to the audience. It was stated the young ladies had drawn numbers for the order of their appearance before the judges, and the second half of the total contestants would be judged this morning.

All contestants appeared in a group on the stage before the curtains were closed. Numbers were then announced and each of the nine young ladies whose number was called, walked across the stage, and then gave a demonstration of her particular talent. These included painting, singing, public speaking and tap dancing.

Judges for the contest are Mrs. A. H. Roper, Mrs. J. P. Millar, Mr. E. C. Johnstone and Dr. Harold Shaw. Points on which decisions will be based are as follows: General appearance, including posture, poise, and personality; 50; beauty of face, 15; talent, 15; beauty of figure, 20.

For judging of the latter points, contestants appeared in bathing suits after the public had left the theatre.

In addition to appearance in the float parade yesterday and at the Firemen's Ball last evening, contestants will also make an appearance at the evening's performance of "Hansel and Gretel", at the Empire Theatre.

GAY'S PLANTS

Many farmers and others, have the false impression that cauliflower and cabbage should be planted in June, and that it is too late if not planted at that time. They forget that the seed is planted about six weeks before July is the best time to plant for Fall and Winter use, or for shipping. We have the variety that will make firm heads, planted any time in July. More than half a century of experience in this line has enabled us to prove this.
