

Kinkora High School Announces Prize List

Following is the prize list for the four high school grades in Kinkora:

GRADE NINE
Prize for highest aggregate, presented by Kinkora Home and School, and prize for English and French presented by Mr. and Mrs. Fred Coady both awarded to Lorna McCarville; prize for arithmetic, presented by Eldon Roberts, awarded to Gabriel Keough; girl's prize for Latin, presented by James McCardie, awarded to Phyllis Coady; boy's prize for Latin, presented by Canada Packers, Kinkora, awarded to Douglas Peters; highest aggregate in Grade IXB, presented by Rev. H.J. Croken, awarded to Pope Connick; special prize for Algebra, presented by a friend, awarded to Reggie Peters.

GRADE 10
Prize for highest aggregate, presented by Kinkora Home and School, a prize for Latin, presented by Mrs. Spencer Hughes, a prize for English presented by Leslie Trainor, and the all awarded to Catherine Duffy; prize for second highest aggregate, presented by Mr. and Mrs. Joseph Mulligan, awarded to Carol Bradshaw; prize for mathematics, presented by Leslie Trainor, awarded to Gordon Arsenault; prize for science, presented by Rev. J.W. McCardie, awarded to Joseph Trainor.

GRADE 11
Prize for highest aggregate, presented by Alumni Association of Kinkora School, and a prize for French presented by Mr. and Mrs. J.W. Farmer, both awarded to Florence Walker; prize for second highest aggregate, presented by Newton Home and School, and a prize for Chemistry, presented by Mr. and Mrs. Alden Mulligan, both awarded to Donald Morris; prize for English, presented by Rev. E.L. Murray, and a prize for Latin, presented by Mr. and Mrs. W. P. McKenna both awarded to Hugh O'Holloran; prize for history, presented by Rev. H.J. Croken

equally merited by Dorothy Leard and Betty McIver; prize for algebra, presented by Rev. E.L. Murray, awarded to Garth McCarville; prize for geometry, presented by Canada Packers, Kinkora, equally merited by Helen Power and Callistus Campbell; prize for biology, presented by Canada Packers, equally merited by Dorothy Leard and Rita McCabe; prize for physics, presented by Mr. and Mrs. V.E. Duffy awarded to Walter Matters.

GRADE 12
Grade 12 — prize for highest aggregate, presented by Alumni Association of Kinkora School, a prize for Algebra, presented by Mr. and Mrs. John R. McCabe, both awarded to Joan O'Holloran.

Prize for second highest aggregate, presented by MacDougall's store, and a prize for Latin, presented by Kinkora C.Y.O., both awarded to Betty Fanning. Prize for English, presented by Rev. H.J. Croken, and a prize for Biology, presented by Rev. W. Keefe, both awarded to George Smith.

Prize for French, presented by Canada Packers, equally merited by Freda and Joan O'Holloran. Prize for History, presented by Mr. and Mrs. Ralph McCarville, awarded to Eileen O'Holloran. Prize for Geometry, presented by Leslie Smith, equally merited by Catherine McKenna and Joan O'Holloran. Prize for Chemistry, presented by Summerfield Council of the C.W.L., equally merited by Betty Fanning and Joan O'Holloran. Prize for Physics, presented by Kinkora Home and School awarded to Catherine McKenna. P.L. Morris Memorial Prize for the Grade 11 student ranking highest in Atlantic Board Examinations, to be awarded later.

A prize for the Grade 12 student ranking highest in the Atlantic Board Examinations presented by Summerfield Council of C.W.L., to be awarded later.

AMONG THE FARMERS
Federation of Agriculture Newsletter

UNEMPLOYMENT INSURANCE
For a number of years there has been interest on the part of farm organizations and farmers in the possibility of applying unemployment to farm workers. The Federation of Agriculture was prepared to recommend compulsory application to all farm workers, fearing that there would be considerable resentment on the part of many farmers on the bookkeeping involved. In addition dairy farmers and grain growers have not been enthusiastic about having workers come under the plan. Originally the Federation's position was a request that insurance be made available on a voluntary basis so far as the farmer is concerned. This recommendation was not received with any enthusiasm by the authorities involved. More recently the Federation has advocated that insurance be made available to clearly defined groups within agriculture, where an evident demand exists.

In the light of this it is interesting to note that recently in the House of Commons the Hon. Mr. Starr has intimated that consideration was being given to including farm workers on a voluntary basis, and also to the possibility of setting up a new category for seasonal workers under a separate act. While there is nothing very definite yet there are signs to indicate that agriculture, before long, may be moving into the realm of unemployment

Deanery Council A.Y.P.A. Meet
The annual meeting of the Deanery Council of the Anglican Young Peoples Association of Prince Edward Island was held in St. Mark's Parish hall, Kensington on Friday, June 12. Meeting opened by singing the hymn "Just As I Am, Thine Own To Be" and prayers by the chaplain, Rev. M.J. Findlay. The secretary, Carrie Thompson read the minutes of the last annual and monthly meetings. These were approved as read.

Rev. Mr. Findlay then spoke briefly on the basic principle of A.Y.P.A. "For Christ and His Church." This was followed by the reading of the various officers and conveners reports and also the branch reports of the 1958-59 season.

The following state of officers for 1959-60 was then elected: Patron, Canon J.T. Jibott, Charlottetown; chaplain, Rev. M. J. Findlay, Port Hill; assistant chaplain, Rev. D.S.H. Minton, Crapaud; hon. presidents, Rev. M. R. Ness, Alberton and Dr. Geo. Fisher, Charlottetown; president, Allison Gill, Charlottetown; 1st. vice president, Wm. Pidgeon, French River; 2nd vice president, Janette Banks, Conway; secretary, Jane Fletcher, Summerside; publicity secretary, Mary Gill, Charlottetown; treasurer, Robert Fletcher, Summerside.

Conveners: Wider Horizons, Adrienne Webb, O'Leary; Bible reading fellowship, Mariene Birch, Port Hill; missionary projects, Kathleen Ellis, Ellerslie; drama, Rev. Ingraham, Kensington; and Gerald Daley, Summerside; (chairman); conference chairman, Carrie Thompson, Summerside; assistant chairman, Robert Fletcher, Summerside.

It was decided to hold an annual Deanery church service in November of each year, the date and parish to be decided at the next meeting. The next meeting will be held in Crapaud on Wednesday, July 23 at 8.00 p.m.

since 1910 doubled their output. In this period, output per man and of farm labour has increased by three times. With evidence such as this the consumer is hardly in a position to suggest that the farmer is sitting down on the job.

JUNE SET-ASIDE
Farmers who receive milk or cream cheques twice a month will be making their mid-June contribution to the June Set-aside. 1 cent per pound of butterfat is being contributed by dairy farmers to provide funds for advertising and to acquaint consumers with the value and importance of including dairy products in their food budget. The average amount contributed per farmer is approximately \$1 but there are of course bigger operators who will pay \$10 or more, these are the exception.

CAR FERRIES
Without over estimating the importance of the tourist industry it should perhaps be pointed out that in the matter of ferries the needs of agriculture and the tourist industry may not be similar. So far as the tourist is concerned the question of ice breaking is not important. Almost any ferry which can make the trip safely during the summer months can be useful. On the other hand, agriculture in this province has an important stake in a ferry which can operate under all conditions, winter or summer and this points to the provision of a third ice breaker to supplement the aged and aging boats now in service.

PASTURE COMPETITION
In spite of winter killing a dry May and a so far cold June, the first provincial pasture competition is getting underway. Inspectors in each County will soon be making their rounds and appraising the pasture program of almost ninety entrants. While growth and production will of course count for considerable it should be understood that management, provision for rotational grazing, provision of shade and water will all have bearing.

Brownie Leaders Honored At Party
Mrs. Claude Richards entertained the 1st Souris Brownie Pack on her beautiful lawn at their last meeting for the season. The little Brownies presented each of their retiring leaders, namely, Mrs. Richards, Mrs. William Acorn and Miss Joan Stewart with a gift as a remembrance of their happy hours together. The surprised ladies then graciously thanked the girls and were immediately presented with another gift by a group of ladies of the local association of Girl Guides, and Brownies, who first read a well-worded address expressing their appreciation of the years spent by these three ladies in exercising patience, effort and ability in order to train these girls to become useful citizens.

The leaders treated the Brownies to ice-cream and the afternoon came to a close with a game of ball.

POPE SCOLDS CROWD
VATICAN CITY (AP) — Pope John Wednesday gently scolded a crowd of 20,000 pilgrims at his weekly audience when cheering and clapping went on long after he appeared ready to speak. When it finally died down he commented: "There is a time here (St. Peter's Basilica) to speak and a time to keep quiet. One doesn't come to the Basilica to watch a show as in a theatre."

CATTLE NUMBERS
At the present time there are prospects for a building up of from seven to five million cattle in the United States for 1959. Authorities believe that if this building up continues beyond this year that it will be followed by severe price declines in the early 1960's. During the first three months of 1959 there was a 24% decline in cow slaughtering which of course indicates an attempt on the part of the farmer to increase his cattle production.

DAIRY SUPPLIES
For Canada as a whole, during the first five months of 1959, butter production fell off by almost a million and a half pounds. Actually the decrease in May was almost two million pounds. This will of course be some comfort for those charged with the responsibility of looking after Canada's surplus of butter.

MORE PRODUCTION
With one third less man power and almost the same number of acres, United States farmers have

Prime Ministers Will 'Co-operate'

KUALA LUMPUR, Malaysia (Reuters)—The prime ministers of neighboring Malaysia and Singapore met in this city and announced their willingness to co-operate on internal security matters.

Leftist Lee Kuan Yew of Singapore and Malaysia's strongly anti-Communist Dato Abdul Razak Bin Hussein did not refer directly to problem of Communist subversion in the joint statement issued after their closed-door meeting here.

The 35-year-old Lee, in office only eight days, told reporters neither Singapore nor Malaysia wanted to see a Communist Malaysia.

Singapore would not go Communist unless Malaysia did so, Lee added.

Lee, who flew back to Singapore after the meeting, indicated it produced plans for general Malay-Singapore co-operation.

SOME BRITISH CONTROL
On June 3, Singapore was declared a self-governing state within the Commonwealth. It controls its own internal affairs, with Britain continuing to control the defence and foreign policy of the former colony.

Saturday's meeting, termed "cordial and lively," centered around the appointment of Singapore's internal security council, to be announced Monday.

The council will have the right to give directions to Singapore's government if it believes the city-state's security is threatened.

GAELIC COLLEGE
The only Gaelic college in the Western hemisphere is at the village of St. Ann's in Cape Breton, N.S.

O'LEARY
Mr. and Mrs. John Robert Digman Bloomfield had as their guests recently their nephew Mr. Russell Ramsay of Los Angeles California. Mr. and Mrs. Ramsay were called here due to the serious illness of Mrs. Ramsay's mother Mrs. W.J. Harrington of Spring Valley.

Mr. Colin Hutchinson returned to his home after spending a week visiting at the home of Mr. and Mrs. Robert L. England Springfield West.

Sincere sympathy is being extended to the wife family and relatives of the late Leonard Morel of Alberton who was accidentally killed when his tractor overturned on the highway Friday afternoon.

Mr. and Mrs. James Auld of Glenwood left for Halifax where they will visit with his daughter and son-in-law Mr. and Mrs. Eddie Clattenburg and family.

Mr. and Mrs. Percy Boulter Toronto Ont. are spending their holidays visiting their parents Mr. and Mrs. Harry Boulter O'Leary.

The Misses Leila and Lilla Craswell had as their guests on Wednesday evening their classmates, Mrs. Cyril Hendy R.N. and Miss Helen Ralph R.N. all four were graduated from P.C. Hospital school of nursing in Summerside June 1956. On Friday Mr. and Mrs. Hendy left for Newfoundland where they will visit relatives prior to embarking for France where Mr. Hendy is posted.

Entering on the final days of school many of the school districts are already calling for new teachers.
