

LOCAL AND OTHER ITEMS.

Drill.—No. 1 Battery, G. A., will meet for drill at 7.30 sharp this evening in uniform.

The FERRY left for Halifax yesterday afternoon with a general cargo, and several passengers.

WANTED.—Two copies of THE DAILY EXAMINER of March 5th, 1893 and March 24th, 1893. Please send to this office.

CRICKET.—The cricket game at Victoria Park tomorrow afternoon will be between 25 eleven chosen from the two clubs of the city—the Phoenix and the Cabot Cricket Clubs. Stumps pitched at 2 o'clock, sharp.

POLICE COURT.—This morning John McGinnis for assaulting John Campbell on the 5th inst. was fined \$4 and costs. James Hughes, drunk and disorderly on the 6th, \$10 or 20 days. John Drake, for assaulting Duncan McLean on the 5th, fined \$10 and costs. James Mellish, drunk, \$2 or 8 days.

A CONTRADICTION.—We are desired by the Rev. W. W. Brewer to contradict the statement of the McKay Woolen Company, that for the first time in the history of this Province the Rev. Mr. Brewer (in whose church the senior Prowse holds the position of Sunday School Superintendent) was obliged to call Prowse Bros. to order and rebuke him openly before his fellow-merchants.

W. M. S.—A public meeting under the auspices of the Women's Missionary Society will be held in the lecture room of the First Methodist Church this (Friday) evening at 7.30 o'clock, when Miss Cunningham, a returned missionary from Japan, will give an address on Japan, its vast population, and the need of more workers. By special request Miss Cunningham will appear in Japanese dress.

A RARE TREAT.—Sara Lord Bailey is a refined and cultured lady, and a splendid elocutionist. We regret that the audience of last evening was not larger. Everyone who cares for intellectual entertainment should hear her at the Lyceum to-morrow. Sentiment, tragedy and comedy are alike faithfully and beautifully interpreted by her. "The Chariot Race," by Ben Hur, will be the chief feature of this evening.

FIRE AT MONTAGUE.—A valuable building known as the "Shipping Warehouse," belonging to George Whitman, was destroyed by fire early this morning, together with all its contents, which were very valuable. Only for the dampness of the night the fire would have been much more disastrous; indeed, there is no doubt that it would have stopped. There is no insurance. The origin of the fire is unknown.

FOUR BROTHERS.—The steamer Worcester, Captain Baker, left for Boston last evening, taking the following passengers: John Cuddeon, G. Downey, Mrs. Downing, Dr. Henderson, F. W. Dewar, C. Land, Mrs. Renwick, Mrs. McDonald, J. Adams, C. G. Gagnon, Wm. McDonald, Jas. Wood, John Bege, Mrs. J. Rogan, Wm. Carralard, D. Robinson, John McLean, H. Monaghan, Mr. McNally and Mr. Blue. Her cargo included 1751 cases lobster, 928 cases eggs, 242 bel., coal oil, and 105 bags potatoes.

DIED IN BOSTON.—A telegram received today by Mr. Charles Dalziel, City Surveyor, brings the sad intelligence of the sudden death of his father, Mr. John Dalziel, which occurred at that place at an early hour this morning. Mr. Dalziel was in the 77th year of his age at the time of death. For years he was in the employ of McKinnon & McLean as book-keeper, and was well-known and deservedly respected. In company with his daughter, Mr. Dalziel left the Island last autumn, and since that time he has been in the employ of the American Radiator Company, South Boston. It was only last evening that a letter was received from the old gentleman by his son, and judging by it he was evidently in excellent health and spirits at the time of writing. The body will be brought home for interment, leaving Boston in the Carroll to-morrow. His bereaved family and relatives have the sympathy of THE EXAMINER.

Y. M. C. A. NOTES.—Phoenix Cricket Club meets in parlor to-night at 7.30. A full attendance is requested. Committee to arrange for Y. M. C. A. tent at military camp next week, meets to-night at 9 o'clock. Executive committee met last night in Secretary's office. Business relative to the coming convention was discussed, and a strong committee appointed to have supervision of all matters connected therewith. A committee to have charge of work in the military camp was also appointed. The financial situation was next discussed, but owing to the lateness of the evening it was decided to adjourn the committee meeting until Monday afternoon next at 4 o'clock, when the matter will be further taken up.

Plays are being rapidly consummated for the twenty-sixth annual convention, to be held in this city August 10-14. This promises to be the largest Association gathering held in the Province for years. The meeting of this and the Railway Men's Convention will also materially strengthen both bodies in size and vigor, and the result cannot help but be beneficial to the Maritime in general, and to the local work in particular.

Miss Annie Louise White, the renowned versatile reader of New York, has been engaged to give a recital under the Association auspices on August 7th next.

DIED.—In this city on the 7th inst., Catherine McKenna, wife of John McKenna, in the 81st year of her age. May her soul rest in peace.

[Funeral will leave her late residence, Union street, on Sunday at 2 p. m.]

At Cules' Homestead, on the St. Peter's Road, on July 7th, Abraham Dowling, for a few months' illness, aged 65 years.

[Funeral will take place on Sunday at 2 o'clock, from his late residence.]

On the 20th ult., at Little River, Lot 56, Mary Agnes, aged 18 years and 8 months, oldest and dearly beloved daughter of James and Barbara Morrow. She was esteemed in life as she is now lamented in death by all who knew her. Her remains were followed to the grave by a procession consisting of eighty-five carriages.

A precious one from us is gone, A voice we loved is stilled, A place is vacant in our home Which never can be filled.

RACES AND SPORTS.

Fair Weather and a Big Time at Georgetown.

Result of the Races and Athletic Sports.

When the races were called at Georgetown yesterday afternoon there must have been one thousand people on the grounds, and the prompt ringing of the gongs bell at 1.45 p. m. brought out the horses for the 2.40 race for pacers and trotters on time. In this class only three entries were made, viz: Lady Hilda, Clemmie B, and Almont M. Lady Hilda drew the pole with Almont M and Clemmie B in 2nd and 3rd positions.

First Heat—At the third score the word "go" was given. J. J. Davies, who acted as starter for the judges, and it so became apparent that Lady Hilda was too fast for the others; Almont M, driven by R. Steel, acting very badly and evidently in sympathy with his driver. Lady Hilda distanced both and won first money. Time, 2.45 2-5.

Second Heat—In the second heat only Clemmie B and Almont M answered the bell, and the heat was not interesting. Almont M again acting badly and not doing anything like good work. Clemmie B trotted fairly well, but not very fast, and was in a good way ahead. Time, 3.00.

Third Heat—The owner of Almont M got on the sulky as driver in this heat, and quite an interesting contest took place. Almont M was altogether a different horse now, and after scoring three times the two horses started fairly well together, but at the first turn Almont M took the pole and was never headed, trotting the mile without a skip or break in 2.50, and distancing Clemmie B.

The purse in the foregoing race was \$60 divided.

The 3-minute class proved more interesting, and having 20 entries, viz: D. J. Abdallah, driven by A. E. McIntyre; Peter B driven by W. Campbell, Messenger Boy driven by L. Hayden, Wallie M. driven by E. W. Martin, Boundless driven by R. Steele.

First Heat—In the first heat of this class, which was started after the first heat of the 2.40 class had ended, Wallie M. took the lead from the start, but was closely pressed by Messenger Boy and Boundless. At the half Boundless took second position, with D. J. Abdallah fourth and Peter B in 5th, being behind the distance flag, when the heat ended. Time, 2.30.

Second Heat—In the second heat there were four starters, Wallie M., Boundless, Messenger Boy and D. J. Abdallah in the order named. Wallie M. held the pole under the first half with Boundless and Messenger Boy close up and all going level, making the best contest of the day. At the three-quarters Hayden hauled out and passed both Boundless and Wallie M., getting under the wire three lengths ahead, with Wallie M. second and Boundless a good third. D. J. Abdallah was distanced for running. Time, 2.51.

Third Heat—In the third heat was called P. S. Brown was driving Wallie M., having replaced the owner, E. W. Martin. The word was given on the fifth score and the horses got away well together, Wallie M. not acting as well as when his owner drove him, soon went off his feet, and notwithstanding a 1 his driver could do, broke repeatedly and was soon in third position, with Messenger Boy close up to Boundless, who had got the pole soon after the start. But everyone soon saw that the big brown horse was going to take the heat, although the bay son of Barney B. was pushing as to his driver. After a close contest to the three-quarters, Hayden again let out his horse and passed Boundless, and was an easy winner in 2.52, looking around with his cap and waving to the crowd, who cheered him heartily for his fair driving. The judges distanced Wallie M for repeated breaking, so consequently there were only two starters in the last heat which proved an easy victory for Messenger Boy. Time, 2.51.

This ended the racing which was fairly good excepting in the first heat of the 2.40 class. It is regrettable, however, that one of the drivers, so far forgot himself as to offer insulting remarks to one of the judges and had it not been for the judge pleading on his behalf, he would have been fined heavily if not expelled.

The judges gave general satisfaction and no complaint could be heard excepting from persons who were interested in some horse, that under the rules, had to be distanced.

The athletic sports resulted as follows:

Throwing Light Hammer—1, B F Stewart, Montague, 109 ft 6 in; 2, W A McLeod, Flat River, 101 ft 6 in; 3, Wm McDonald, Panmure Island, 99 ft 10 in.

Throwing 16-lb Hammer—1, B F Stewart, 87 ft 7 in; 2, A McDonald, Dundas, 83 ft 3 in; 3, W McDonald, Panmure, 82 ft 5 in.

Putting Shot—1, W McDonald, Panmure, 41 ft 6 in; 2, W A McLeod, Flat River, 39 ft 5 in; 3, B F Stewart, 39 feet.

100 Yards Dash—1st, B F Stewart, Montague; 2nd, J McDonald, Panmure; 3rd, Craig, SS Acadia.

1 Mile Race—1st, B F Stewart, Montague; 2nd, J McDonald, Panmure; 3rd, Craig, SS Acadia. Time, 1.02.

Tag-of-War—Married vs Single. Won by single.

Tag-of-War—SS Acadia vs P. E. Island. Won by P. E. Island.

A HUNDRED FATHOMS DEEP

The British authorities have decided that the "Victoria" should sleep where they lie—Despatch.

Let them sleep in the secret sea, Let them sleep for woe or weal, Let their forms all sacred be, Confined safe in British steel.

Let them sleep, And God will keep, Our heroes a hundred fathoms deep.

Let them sleep beneath the wave, Where Britons never feared to go, Their splendid lives to God they gave, Their faults will melt like English snow.

They sleep, Let no one weep; In British steel they're confined deep.—The Khan, in the Dundas Banner.

COME TO HEADQUARTERS

FOR

Hard Coal Clothing, Tweeds, Flannels and Blanketings.

WE HAVE KNOCKED HIGH PRICES OUT, and placed a better grade of goods on the market. All Clothing new and stylish, all prices low. The value of Clothing made from our make of Tweeds cannot be excelled. Our Tweeds have become a standard article of value with the Farmers of P. E. Island, and the prices are low. WOOL TAKEN IN EXCHANGE and the highest price allowed.

Prowse Bros., in an advertisement headed "Information Wanted," are trying to injure us with the Farmers by quoting the prices of Wool in another place. For the past number of years we have been buying Wool, and in every case have given the best price the market will allow. To-day trade journals, such as the Journal of Commerce, quote Canadian Wool similar to ours in wholesale lots at Montreal and Toronto at 17 and 17 1/2 cents per lb. It is an old trick of this blowing firm to cast insinuations on firms entering into the Ready-made Clothing business. The public will remember their actions towards Messrs. J. B. Macdonald and James Paton & Co. when they entered into the Clothing trade; and now, as we are large dealers in Ready-made Clothing, and have placed a higher grade of Clothing on the market at prices within reason, completely knocking out their high figures, they feel our opposition, and in their ungentlemanly way abuse and try to injure us with the people.

FARMERS!—When trading with us you will find square treatment. Goods sold at the lowest possible prices. And please bear in mind: we pay cash down for every dollar's worth of goods as soon as landed in the shop. No firm buys goods at a better price than we do, and any firm stating otherwise are trying to mislead you. Our Company is a Joint Stock Company; our shareholders are satisfied with interest on their money. Other concerns are partnership firms, and each wonderful partner and his family has to be supported on the wonderful profits made out of the farmers.
