Which car could a Scotia Plan Loan help you buy?

Any one. Large, medium or small... with seats for 2—or 9... powered by engines from 30 to 300 horsepower... imported as well as Canadian... new or used.

Whatever your choice of car may be, you can finance its purchase conveniently and at low cost through Scotia Plan—The Bank of Nova Scotia's unique consumer lending program. Scotia Plan rates are the same for all models of every make. This means you're less likely to find yourself passing up the car of your choice in favour of another that happens to be offered on more convenient terms. What's more, you can arrange your Scotia Plan Loan *before* you shop for your car. This guarantees you the advantage of Scotia Plan's low rates, and lets you make your deal the moment you find the car you want.

You can also get a Scotia Plan Loan to pay medical bills, or for debt consolidation, for new furniture—anything worthwhile. *Whether you're a Scotiabank customer or not, before you borrow money, call at your nearest branch of The Bank of Nova Scotia and discuss a Scotia Plan Loan.*
