## Speedy Transport Design Promoted

MONTREAL (CP)—Montreal-based World Wide Patents Corporation Ltd. has come up with a design for a supersonic transport which would carry 200 passengers at speeds up to 17,000 m.p.h.

Development costs would run over the \$3,000,000 mark and World Wide admits that only the U.S., Russia or France-Britain could afford them.

But if wind tunnel tests are successful, the project will be presented to the U.S. government, and if they refuse, to Russia, a spokesman said.

John Orr, scientific adviser to the defence production department of the National Research Council, to whom the plan has been shown, says the design is a "very ingenious arrangement." But he said that the Canadian Government was in no way endorsing the project or considering financing it.

The turbo-jet plane is designed to take off lengthways,

## Navy Pilot Identified

WASHINGTON (AP)—The defence department Wednesday identified the U.S. navy pilot who escaped from the North Vietnamese as Lt. Dieter Dengler, 28, of Pacific Calif.

Dengler, a German native, is being debriefed by the department in a terse announcement.

"Security requirements prevent the release of any details at this time," the statement said.

Dengler is believed to be the first American to escape from North Vietnam, where about 63 U.S. men are being held. A few have escaped from the Viet Cong guerrillas.

## West German Team Working On Injured

LONDON (AP)—West Germany's soccer team worked Wednesday to get two star players fit for Saturday's World Cup final against England, and had a third star cleared to play.

Goalkeeper Hans Tilkowski had a sore shoulder and right back Horst Hottges nursed a damaged ankle. Officials said they hoped to have both fit for the final in London's Wembley Stadium.

Franz Beckenbauer, who was reported by the referee in last Monday's 2-1 semi-final victory over Russia, got an official go-ahead to play Saturday.

The World Soccer Federation did not confirm the warning given to Beckenbauer by referee Concetto Lo Bello of Italy. German players a sligh relief, because Beckenbauer had already been warned once and

## CONTRACT BRIDGE

By B. JAY BECKER

**BIDDING QUIZ**

You are South, neither side vulnerable. The bidding has been:

South	West	North	East
1♠	Pass	1♥	Pass
2♠	Pass	3♥	Pass

What would you bid now with each of the following four hands?

- ♠KJ5 ♥7 ♦Q83 ♣AKQ642
- ♠A9 ♥J76 ♦6 ♣AKQJ854
- ♠AKJ ♥K83 ♦7 ♣AQJ875
- ♠AS ♥Q62 ♦K9 ♣AKJ982

1 Three spades. The only bids worth considering are three spades, three notrump and four clubs. Three notrump should be ruled out because there is no true diamond stopper. Four clubs would suppress the spade fit, which partner might know about and would also represent a better suit.

Three spades tells the story best showing, as it does, adequate support for spades and a club suit that is probably not self-sustaining. Room is left at the same time for North to bid three notrump.

2 Four clubs. The possible bids are four clubs, four hearts and five clubs. Four hearts is not desirable because the immediate raise would indicate either four-card support or much better hearts. Five clubs would reflect the club strength, but would also present greater

side values than we have. The four club bid identifies a very good suit, since clubs have now been bid three times, but at the same time puts a limit on the high-card values.

3 Four spades. In the two previous spades the jump to three clubs was based on long clubs and 15 high card points. This time we have 18 points. The extra high-card values are best shown by jumping to four spades.

Partner cannot mislead the three-card support, since a jump raise in spades would have been given earlier with a holding of four spades. The jump to four spades shows that the three club bid was based on maximum high-card values. North is urged to go on towards a slam in his hand permits it. It is especially true in view of partner's bid in spades, which has at least five spades.

4 Three notrump. North's three heart bid may have been based on a four-card suit. For this reason it is not wise to raise hearts at once. Since at the hand is a notrump type and there is no particular reason to prefer suit play, this message is best conveyed by bidding three notrump.

Partner can then carry on or not in the light of this information. North's values at this point are unknown. All we can do at the moment is picture our hand as accurately as possible.
