Heaf Test Focal Point Of Doctor's Interest

The Heaf Test, a method of detecting tuberculosis in its early stages, was a focal point of interest to Dr. G.J. Wherrett of Ottawa, executive secretary of the Canadian TB Association, when he visited the Provincial Sanatorium in Charlottetown Thursday.

Dr. Wherrett, making a one day trip to the island's capital, noted that P.E.I. health authorities have been in the forefront in the use of this test.

Health departments in both Ontario and Nova Scotia are only now considering the use of this tuberculin test, while it has been in wide use on the Island since 1956 in conjunction with X ray tests.

The Heaf Test has produced excellent effects here and has resulted, among other things, in reducing the number of x-rays needed.

Of 40,000 persons tested, x-rays were required for only 13,000 who showed a positive reaction to the test. Of these only 12 were found to have early TB symptoms and five of those have already been released after treatment at the Sanatorium.

TOROUGH RESEARCH

Dr. Wherrett commented that the reason tuberculosis is taking fewer lives today, lies in the fact that a more thorough search is being made in locating and isolating the disease especially among older people.

However, it was pointed out by Dr. E.M. Found, Director, Division of Tuberculosis control, despite the success of mass surveys, the family doctor remains

Accent Will Be On Youth Tonight At Trinity Church

A mammoth youth rally will feature tonight's session of the Mission to the Nation being held throughout the Island. The general public are invited to join with the youth of the province to hear evangelist Jim Jones preach at Trinity Church. Special musical numbers will be featured.

The final meeting of the mission will be held on Sunday night at the Coliseum. The meeting has been called for 8.30 with a hymn sing preceding at 8.00 p.m. Last night a large congregation attended the mission which was held at the Coliseum. Rev. Tommy Tyson spoke on the age old question—"Are you a child of God's Kingdom?"

REV. JIM JONES

In a powerful message the preacher told his hearers that "Heaven is not some place far off in the sky—it is a relationship with God and it is not a case of putting God first in our lives—it is God only", he said.

Mr. Tyson said it is necessary for men to rid themselves of anything that is not God given. "If you don't it will keep you out of His Kingdom. Turn everything over to Him and the strange thing is that he will give it back to you blessed in a very rare way—if you have a husband or wife who does not belong to God, give him or her to God and he will return that person transformed and blessed."

SONG LEADERSHIP

Rev. Robert Latimer continued to thrill the large congregation with his inspirational song leading. The accompaniment of Royston F. Mugford on the organ and Mrs. Stanley Newman of Cornwall at the piano was

very much enjoyed. Special numbers included a duet by Mrs. (Rev.) C. W. Passey and her daughter Sharon of Hazelbrook. Miss Barbara Rogers of Charlottetown sang very beautifully, "The Old Rugged Cross".

Rev. A. F. MacLean conducted the service. The prayer of invocation was given by Rev. J. M. Sheen, Mount Stewart.
