

# Millionaires Score 3-0 Victory Over Islanders In Game At Sydney

SYDNEY, Oct. 29 — (CP) — Sydney Millionaires blanked Charlottetown Islanders 3-0 in an action-packed Maritime Major Hockey League game here tonight. The teams are now tied for second place with six points each.

The best unit on the ice, the George Robertson-Eddie Marinneau-Johnny Morrow line, scored all three goals for the winners. Marinneau, on left wing, shot the opener and the final goals while Morrow fired the middle tally in the last seconds of the opening period. Islanders argued the issue loud and long before and after referee Hughie Gillis ruled it a goal.

The Robertson line broke in over the Charlottetown blue line in the dying seconds of the period. Goalie Don Campbell stopped the first try, then the puck came back to Morrow who fired it into the net almost simultaneously with the goal ending the period. The rink has the automatic green light and fans said the red light signaling the goal came out just part of a second before the green flashed ending the period.

## Few Dull Moments

Although it wasn't good hockey, dull moments were scarce. Of the six penalties, four were majors. Islanders' Lou Kiely and Marinneau tangled in the first frame. Then, in the second, Nick Pidsodny, Sydney goalie, dropped gloves to do

battle with Islanders' Connie Bonhomme. Both incidents almost developed into free for alls as players from both teams ganged into the fray.

Pidsodny was at his best, and on one occasion he skated almost out to the blue line to clear his own rebound as Islanders flashed around trying to break the shutout. Charlottetown—Goal, Campbell; defence, Kiely, McLagen, Stevenson, Kelly; forwards, Whitlock, Gordon, Hagen, Beatdry, Bonhomme, Clements, Gray.

Sydney—Goal, Pidsodny; defence, MacIntyre, Tyshko, Dalgleish, Whalen; forwards, Robertson, Morrow, Marinneau, Rowe, Hill, Hildebrand, Clarke, Gallagher, Campbell.

# Weaver Signs With Sydney

SYDNEY, Oct. 29 — (CP) — Fred Weaver, an ex-pro who played with Halifax last season, has signed a contract with Sydney Millionaires, club officials said tonight.

The stocky, much-penalized rearguard previously was reported bound for Charlottetown, after he had been turned down by Coach Dugger MacNeil of Atlantics.

Coach Murph Chamberlain of Islanders said he would investigate reasons why blond Weaver went to Sydney instead of Charlottetown.

# Black Hawks In 3-1 Victory Over Rangers

NEW YORK, Oct. 29 — (AP) — Chicago Black Hawks skated rings around New York Rangers tonight, beating the National Hockey League tallenders 3-1 to end a five-game victory drought.

The Black Hawks, who had managed to gain three ties in their last five starts, were in the van all the way.

Gus Mortson, tough Chicago defenseman, blasted home a goal from inside the blue line, his first of the season, during the first two minutes of play.

The Hawks wrapped it up in the second period on goals by centres Jim McFadden and Cal Gardner.

Broken sticks figured in both of the second-period goals. Allan Stanley of the Rangers broke his stick and was forced to drop it. While he was skating to the bench for another, McFadden and linemates Pete Babando and Jim Peters dashed into the Ranger zone with McFadden sending home a 30-foot shot.

Shortly thereafter, forward Nick

Mickoski of the Rangers also broke his stick and again the Hawks charged into the Ranger ice while big Nick skated for a replacement. Gardner sent the puck home from close up.

Rollins' bid for his second shut-out over the Rangers was broken with less than two minutes of play remaining. Mickoski fired a blazer that sailed into the righthand corner.

A crowd of 7,054 saw the game.

# Saints' Second Team Retains Football Ch'ship In Series With P.W.C.

Saint Dunstan's University second team retained their Provincial Intermediate football championship in impressive fashion yesterday afternoon by defeating Prince of Wales College 18-2 and taking the series in two straight games. The game was played on the S. D. U. field.

The John Eldon Green coached Saints controlled play throughout the first half as they piled up a 13-0 score on three tries and two converts. Prince of Wales enjoy a slight territorial edge in the second half although outscored 5-2.

The game was hardly started when Cliff Ready raced across the P. W. C. line for the opening try. The score resulted from a nice passing play following a scrum in P. W. C. territory. Bob Mooney started the play with a pass to Joe Mullally and the latter relayed the ball to Gus Dorais who passed to Ready. The convert by Bub Lawlor was good.

Shortly afterwards the Saints struck again as winger Pete McEwen scored on a play with Gus Dorais.

Larry Travis when they played in Cape Breton and don't think Larry's absence isn't felt.

Congratulations are extended to John Eldon Green and his Saint Dunstan's University second football team today. The Saints second team won the Provincial Intermediate championship by defeating Prince of Wales College 18-2 yesterday afternoon and winning their series in two games. The Intermediate Saints are very strong this year and could give any of the senior or intercollegiate teams quite a battle.

A word of praise is also due the P. W. C. rugbyists. The Welshmen put up a magnificent battle against the Saints in the series opener although they lost out 6-0. Yesterday after a bad first half they fought back and had an edge in play in the last 30 minutes. They have quite a number of good players of their lineup but are faced with difficulties in holding practise session due to time limits and lack of opponents.

# Yugoslavs Seek Refuge In Canada

FRANKFURT, Oct. 28 — (AP) — Eight members of Yugoslavia's Olympic rowing team who refused to return to Yugoslavia after the Helsinki games said today they are emigrating to Canada.

"We have been promised jobs in Toronto and will sail in a few weeks," said Slavko Jankovic, team manager.

The rowers stopped in Germany to complete in a regatta on the way back from Helsinki and then decided not to return to their Communist homeland.

They were granted temporary asylum in Germany until they could emigrate.

"Our most important reason for not going back to Yugoslavia is, naturally, political," Jankovic said. "Also," he added, "we are all young and have our whole lives before us. Life in Yugoslavia is difficult and expensive. Canada is a land where one can work and live in freedom and earn enough to live as an honorable man."

# Richard Ties All-Time Scoring Record But Leafs Down Habs 7-5

TORONTO, Oct. 29 — (CP) — Maurice (Rocket) Richard tied the all-time, high-scoring record with two goals here tonight, but his Montreal Canadiens dropped a 7-5 National Hockey League decision to Toronto Maple Leafs.

However, the Rocket was held scoreless through the next two periods as the Leafs won 7-5, and he failed to break Stewart's mark.

The partisan crowd of 14,069 gave the 31-year-old right-winger a tremendous ovation as he scored his two goals within five minutes and four seconds to equal the mark of 324 set by Nels (Old) Folsom. Stewart. The Rocket had scored only three goals in the Canadiens' previous eight games this season.

After the game, Richard said: "I have nothing to say about tying the record. The game was the thing. The goals have got to come some times. It's the game that counts."

Referee Red Storey took the puck out of the net when Richard scored his 324th goal at 17:07 of the initial period and handed it to him. It wasn't announced on the loudspeaker system that Stewart's mark had been reached but the crowd knew it anyway.

# 3-Year-Old Colt Wins Cambridgeshire Stakes

By Jim Chambers  
 NEWMARKET, England, Oct. 29 — (AP) — Richer a three-year-old colt which went to the post at 100-to-6 odds today, won the 110th running of the Cambridgeshire Stakes — and fortunes for people who had drawn him in the Irish hospitals sweepstakes.

The son of Rockefeller and Grandpa's Will won the 1-8-mile gallop on a soft track beating Sunny Brae, a 66-to-1 outsider by two lengths. Garrison Hack, 50-to-1, was beaten into third place in a photo finish. The winning time was 1:52.8.

A field of 42 went to the starting gate and the two favorites, Cap of Gold and Anticyde both 10-to-1 never showed in the race.

Cap of Gold lost a pot of gold for the MacLeans, a family of Glasgow bookmakers. Two weeks ago George MacLean's 33-to-1

long shot, Flush Royal, won the Cesarewitch Stakes which with the Cambridgeshire comprise English racing's big betting autumn double.

The MacLeans had coupled Flush Royal with Cap of Gold in many big bets although they denied they stood to win \$300,000 (\$1,400,000) if Cap of Gold won.

Richer's victory brought a purse of \$3,523 (\$9,984) to owner Greville Baylis.
