JOCK TALK

While we are sympathetic to the universities' financial problems we think U.N.B.'s apparent attempt at economy is ridiculous! Time was, in old S.D.U. days when a three or four team would visit the campus for debates and at times, filled the gym. The regulation sized hockey team would also come and play in the rink. This past weekend, it seemed that the Red Devils were trying to combine the two activities for, at almost every whistle, they instituted a long argument that necessitated their captain's visit to their box for consultation. On Sunday the first period took 58 minutes! We don't know how their debating merits could be adjudicated but we can say that they were obviously outplayed in the hockey games for their 7-4 and 6-2 losses didn't seem that close. We'd also like to suggest that future hockey visits be scheduled for three days instead of two. Why not have fights one night and hockey the other two? While we are in a critical mood we might give a bit of advice to Garth Arseneault, "Stop fighting. We've seen you in several bouts and we think you lost them all. All you have shown is that you can TAKE a punch. Of course you might take a few lessons from Terry McKenna." In the two games our goal scorers Tony MacKenzie, Callie MabPhail, John Butler, Dave Currie and Terry McKenna. While Ron Carragher, Ted Kozub, and Rob Mazzuka added singles. It is a pleasure to see Callie MacPhail back and playing and we also welcome newcomers Dave Currie and Darwin McCutcheon.

We believe these additions assure us of a playoff spot. Next action will be on Sunday at the forum against the national champions, the U. de Moncton. Student Union officials tell us that this has been designated as "Noisemaker Game" We hope the old steel drum and several of the horns that made such a din in previous years, have been lost!

Our lady Panthers made a good start for 1983 as they topped favoured Carleton in an exhibition game 69-56 with Karen Rowell leading our scores with 21. However, in the U.P.E.I. Women's Invitational Tournament we drew the U. of Maine from Orono, eventual winners, as our first round opponents and bowed out 71-51 as Colleen Rossiter topped all scores with 23. We also dropped the consolation to Acadia 54-45 as Donna Noonan chipped in with a high of 17. This weekend, the team travels to U.N.B. for a single game and goes on the trail to Machias for two exhibition contests. They'll be at home on the 23rd against S.M.U. Our volleyball team travelled to Moncton on Saturday and were topped 3 games to 1 by the U. de M. squad. We dropped the first two, won the third 15-5 but our rally fell short in the fourth game. The team record is now 2-10. Coach Donna Sears will be working her charges hard in preparation for preparation for the remaining games, Mount A. and Dal. away and Memorial here on 28 and 29 Jan.

Our basketball Panthers minus high scoring but flu suffering Curtis Brown split a pair of exhibition games avec Le Universite de Quebec a Trois Riviers

on the weekend. The first game we lost 85 to 70 with Micheal Morgan leading our boys with 19 while Tejan Allayne had 12. The team bounced back the next night and played what they consider their best game of the season winning 77-74. We are told the moving of Nigel Daley to point guard was of great benefit to the Panthers as it allowed Bill Redmond to roam and he was tops with 28. Newcomer from Toronto, Colin Edwards 6'7" makes us much stronger under the basket so that we advise fans to

make arrangements for a trip to the AUAA finals in Halifax on the 4th and 5th March. The team travels to U.N.B. for two this weekend to play Mount A. in Sackville on the 18th and won't be at home until the S.M.U. game on the 23rd.

Sorry to report we can only give the hockey standings.
