OCTOBER 9, 1894.

DON'T NEGLECT IT NOW!

But five days more and it will be too late to register your name! Do not leave it to the last day, because the rush may be great and the lawyers too busy to wait on you.

A NEW DODGE

A GENTLEMAN of the country sends THE EXAMINER a list of Liberal-Conservatives living in the settlement in which he resides, who have been assessed for income tax.

TRADE WITH THE SPANISH WEST INDIES.

MR. GEORGE MURPHY said to a reporter of the Halifax Evening Mail, a few days ago, that the Spanish West India Islands now afford the largest and richest field of operations that has been offered Canada for a long time.

CIVIC MATTERS.

The spirit which reigns in the City Council is deplorable. Some of the most important interests of the city are being overlooked while the Mayor and Councilors wrangle.

Something ought surely now to be done to ensure a more vigorous execution of the Canada Temperance Act. It is lamentable, scandalous and disgraceful to the city as a corporation and the City Council in particular, that this law of the city is being constantly broken and the poverty and misery of the drunkards and their friends enhanced in the face of local prohibition.

Then a number of bills were read and disposed of. A considerable amount of cross firing took place between Councilors Taylor and Fennell when Prowse & Howatt's bill for painting the Market House was under consideration, but the bill finally passed on a vote of 10 to 7.

Do you have headache, dizziness, nervousness, loss of appetite and other symptoms of biliousness. Hood's Sarsaparilla will cure you.

CITY COUNCIL MEETING.

The Business Transacted Last Evening—Some Lively Talk.

The regular monthly meeting of the City Council was held last evening, Mayor Dawson presiding and every member of the Board being present.

The proceedings began by the reading of the proclamation relative to the election of Mr. Francis P. McCarron as representative of Ward Two, who was sworn in on Monday.

Mayor Dawson then referred in feeling terms to the lamented death of the late Councilor Robertson, and to the efficient and agreeable manner in which he had always discharged the duties of the office to which he had been elected.

Councillor Hazzard said that at this meeting he had protested against its legality, and since it was held he had obtained the opinion of the Mayor on the point, which he wished to present.

Councillor Fennell moved that a platform be put down on Grafton Street west, from Bell's corner to the corner opposite L. H. Davies' residence.

The resolution was lost. Councillor Fennell then brought up the matter of the qualification of Councilors Fennell and Hazzard, submitting two lengthy documents in connection therewith.

Councillor Taylor moved that the Mayor be put down on Grafton Street west, from Bell's corner to the corner opposite L. H. Davies' residence.

Councillor Taylor then moved the following resolution: That the minutes of the meeting of the Council held on the 31st August be adopted and that all proceedings and transactions of said meeting be and are hereby ratified and confirmed.

That Joyful Feeling.

With the exhilarating sense of renewed health and strength and internal cleanliness, which follows the use of Syrup of Figs, is unknown to the few who have not progressed beyond the old time medicines and the cheap substitutes sometimes offered but never accepted by the well informed.
