REPORT OF THE PETITIONING COMMITTEE AGAINST THE ORANGE BILL.

The Committee appointed at a General Meeting in Charlottetown, in April last, to prepare a Petition to Her Majesty the Queen, and to procure signatures thereto, praying that Her Majesty would be graciously pleased to disallow the Bill intitled "an Act to incorporate the Grand Orange Lodge of Prince Edward Island and the subordinate Lodges in connection therewith"—have the satisfaction to report to their fellow Petitioners, who number over 11,000 of the inhabitants of this Island, that the Petition was most favourably received and considered, and its object fully carried out by the refusal of the Colonial Minister to submit for the Queen's assent the Bill complained of.

The Committee have great pleasure in particularly noticing the emphatic manner in which his Grace the Duke of Newcastle signified his disapproval of Orange Institutions, stating that "all experience has shown them to be calculated, if not actually intended, to embitter religious and political differences, and which," his Grace further observes, "must be detrimental to the best interests of any Colony in which they exist."

In justice to their own feelings, and to those of their brother Petitioners, as well as all others animated by similar sentiments in regard to the Orange Question, the Committee take this public opportunity to congratulate the community on its escape from the operation of a most mischievous measure, and to express their gratitude to the distinguished Nobleman at the head of the Colonial Department for this further proof of his desire to preserve peace and harmony in communities where religious differences are found to exist; and without which peace and harmony, as His Grace well knows, civil and religious freedom must be endangered.

The Committee respectfully submit for the perusal of their fellow Petitioners the correspondence which has taken place relative to the Petition.

DANIEL BRENAN, Chairman.

CHARLOTTETOWN, June 4th, 1863.

SIR:—As Chairman of a Committee appointed to forward a Petition to Her Majesty the Queen, praying Her Majesty to withhold the Royal assent to the Act to incorporate Orange Lodges within this Island, passed during the last Session of the Legislature, I have now the honor to transmit the same herewith to your Excellency, and to request that your Excellency will forward the Petition, with as little delay as possible, to the Duke of Newcastle, with my letter to His Grace accompanying the same. I also enclose a copy of the Petition for your Excellency's own perusal or use.

I have the honor to be, Sir,
Your Excellency's most obdt.
Humble servant,
DANIEL BRENAN.

His Excellency George Dundas, Esqr.,
Lieut. Governor, P. E. I.

CHARLOTTETOWN, P. E. ISLAND,
4th June, 1863.

MY LORD DUKE:

Herewith I have the honor to transmit a Petition to Her Most Gracious Majesty the Queen, numerously signed by Her Majesty's loyal subjects, inhabitants of this Island, praying Her Majesty to withhold her Royal assent from an Act recently passed by the Legislature of this Colony to incorporate Orange Lodges within the same. And as Chairman of the Committee appointed at a public meeting to forward the Petition, and having the peace and prosperity of the people much at heart, it becomes my duty, on the part of the Petitioners, to earnestly entreat your Grace's favourable consideration to the subject prayer of the Petition, and to afford Her Majesty such advice as may be in accordance with that justice and liberality towards all classes of Her Majesty's subjects which has hitherto so eminently distinguished your Grace's career as a statesman.

I have the honor to be,
My Lord Duke,
Your Grace's most obdt.
Humble Servt.,
DANIEL BRENAN.

His Grace the Duke of Newcastle, Her Majesty's Principal Secretary of State for the Colonies, &c. &c. &c.

GOVERNMENT HOUSE,
18th June, 1863.

SIR;

I have the honor to acknowledge the receipt, this day, of your communication, of date the 4th instant, forwarding a Petition to the Queen, "praying Her Majesty to withhold the Royal assent to the Act to incorporate Orange Lodges within this Island."

I shall have the honor to forward this Memorial, together with your letter to the Secretary of State, which accompanies it, by the mail by which I transmit the Act against which it is directed.

I have the honor to be, Sir,
Your most obedient
Humble Servant,
GEORGE DU. DAS,
Lieut. Governor.

Hon. Daniel Brenan, &c &c. &c.

DOWNING STREET,
26th September, 1863.

SIR;

I have the honor to acknowledge the receipt of the following Act of the Legislature of Prince Edward Island, passed with a suspending clause on the 22d of April, 1863, and transmitted to me, together with other Acts, in your Despatch No. 65, of the 5th ultimo, Cap. VII., "An Act to incorporate the Grand Orange Lodge of Prince Edward Island, and the Subordinate Lodges in connection therewith."

I have had under my consideration, as well the Act itself, as two Petitions against it, forwarded respectively with your Despatches No. 43, of the 27th of April last, and No. 66, of the 5th ultimo, the latter of which is stated to have been signed by upwards of 11,000 persons.

I deeply regret that the Legislature of Prince Edward Island should have given its sanction to a class of institutions which all experience has shown to be calculated (if not actually intended) to embitter religious and political differences, and which must be detrimental to the best interests of any colony in which they exist.

Holding these views respecting the measure, I have felt it impossible to advise Her Majesty the Queen to signify Her Royal approbation of it, without which, I am glad to observe, it will not take effect.

The Act therefore will remain inoperative.

I have, &c. &c. &c.
(Signed) NEWCASTLE.

Lieut. Governor Dundas, &c. &c. &c.

We regret to learn that another sad accident, through the incautious use of firearms, occurred at New Glasgow yesterday. While Mr. Binns of that settlement, second son of John Binns, Esq., of this city, was returning home from some shooting ramble, his loaded gun discharged its contents into his arm, near the shoulder, seriously injuring him. We are happy to learn that the wound will not prove fatal, though it will render amputation of the arm necessary. Our information, however, may not be altogether correct, as we have not heard particulars.—PROT.

PHILIP LANE, ESQ., OF POWNAL, P. E. I.—Died at Mount Mellick, Pownal Circuit, P. E. Island, on the 5th of Sept. 1863, Philip Lane, Esq., aged sixty eight years. Though death is the believer's gain, and gain too to the church triumphant, inasmuch as it gives them another saint to swell the anthem of the redeemed, yet we mourn for the militant host, who have to contend with the powers of darkness, when one of their number is called to pass "through the valley of the shadow of death." But when that one is a long-tried and valiant soldier of the cross, we feel that our deprivation is great. This is the case respecting the subject of this notice. He was born in Eyne, Queen's County, Ireland; and was converted to God some few years previous to leaving his native land. He immigrated to this Island in 1819, where he has since been a regular communicant in the Wesleyan Church; and for years he has been Trustee and Steward. Some six months ago fell disease laid its unrelenting grasp upon him, and gradually his naturally athletic and robust frame yielded to the power of the destroyer, until on the 5th ult. he made a joyful entrance to the rest that remaineth to the people of God. We visited him frequently since our arrival on the circuit, and found him resting with implicit confidence upon the atonement of Christ. He expressed his willingness either to recover and labor on in the vineyard of the Lord, or to depart and be with Christ. The few last days of his pilgrimage on earth he suffered much, but he endured all with christian patience and resignation, believing "that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed to us." As we have not been in our present field of labor long, of course our personal acquaintance with the deceased was short and partial; but from what we can learn of him, as a husband and father, a neighbor, a Justice of the Peace and an office-bearer in the church of God, he was justly respected and beloved by all who knew him; and the large concourse of people who attended his burial, including not a few Roman Catholics, gave evidence of the estimation in which he was held in the community. The mournful event was improved by the resident minister by a sermon founded on Phil. 1. 21. Our departed brother has left a widow, and three sons with families, to mourn their irreparable loss. May our Heavenly Father sanctify the bereavement to their good, and enable them so to live that they may ultimately be an unbroken family in the City of the new Jerusalem.—[Cor. of Hx. Wesleyan.

In the town of Pampeluna, in Spain, a lion belonging to a travelling menagerie, taking a fancy to a more unrestricted style of living than was afforded by his cage, broke out for a scamper. Before he could be secured he had killed three men and severely injured twelve other persons.

The *Educational Herald* states, among other curious facts, that a man is taller in the morning than at night, to the extent of half an inch, owing to the relaxation of the cartilages; that ten days per annum is the average sickness of human life; and that after the age of thirty the lean man becomes fatter, and the fat man leaner.

REALLY LOST.—The reports which have lately appeared in the papers, stating that the lost man, Mr. Becket, has turned up in Canada, are wholly without foundation. A gentleman of Fredericton, well acquainted with the missing man, and therefore much interested in his fate, writes to his friends in Saint John, under date of the 20th inst., that "poor Becket has *not* been found, and all hope is now at an end."

BIG BABIES.—Nova Scotia has sent us two more Giants, which are now on exhibition at the Franklin House. They are two children, brother and sister, aged respectively four and six years, the younger of whom is named George Smith, and weighs 120 pounds; the elder is named Mary Ann, and weighs 200 pounds. She stands four feet four inches high. The giant babies are really worth seeing, being imbued as they are with all the childish peculiarities incident to children of their age; and the exhibition of these traits, in persons so large, causes the visitor to become much interested in them. As there is nothing repulsive in their appearance, we recommend all to see them. They came from Hants County, Nova Scotia, on the Basin of Minas. They are in charge of Dr. Joy, and are accompanied by their parents, who are of ordinary size.—*Ross's Weekly.*

Launched, on Saturday last, the 24th instant, a Clipper Brig, called the *Pakeha*, from the shipyard of Robert Orr, Esq., New Glasgow, in the presence of hundreds of the friends of those about to take passage in this vessel to New Zealand. She is copper-fastened and copper-bottomed, and measures 212 tons old or 173 new measurement. This vessel was built under Lloyd's inspection by Charles Bell, Esq., of this city, for Thomas Williams, Esq., of Auckland, New Zealand, and is pronounced by *The Commissioners* to be one of the best vessels in every respect ever constructed on this Island. Her accommodations for passengers are complete, being airy, roomy and comfortable, as great care has been given to this particular. Quite a number of persons have already engaged their passage on her to Auckland. She will leave Charlottetown about the middle of November. We wish the enterprising owner every success, and the passengers a speedy trip to their future homes.—*Ib.*

Arrived, on Sunday last, the Bark Theresa, Capt. Robert Frazer, after a passage of 44 days from Liverpool. When 9 days out, in lat. 50, lon. 11, she fell in with the ship Viceroy, Capt. Hoar, from London bound for Quebec, and 21 days out. Two of her masts were gone, and she had 13 feet of water in her hold. Capt. Frazer states that when his vessel approached the wrecked ship her crew set up the most frantic cries for assistance. The wind was W. N. W. blowing freshly, and the Theresa was compelled to follow the disabled vessel, which was rapidly driving before the wind, for more than 24 hours, to seize a favorable opportunity of rescuing the ship's company, consisting of 36 hands all told. Very soon after Capt. Frazer succeeded in getting the men on board of his vessel the ship James Howe hove in sight, and the rescued men were transferred to her.—When the Capt. of the wrecked ship left his vessel she was on her beam ends, her ballast having shifted, and she was pitching her keel out of water.

On Sunday the 11th of Oct., a young man named Leo McKenzie, one of the Theresa's crew, was sitting to leeward of the boats on deck when the vessel shipped a sea, which tore the boats from their fastenings, (ripping the bolts from the deck) and the young man was jammed between the boats and the bulwarks. His neck was broken, and never again spoke. He was buried the same afternoon. Deceased was 18 years of age and a native of Cardigan on this Island.—*Ib.*

The *Greyhound* has been in commission nearly four years, and will consequently be relieved soon. *Pyramus*, 42, old sailing frigate, and used in Halifax as a receiving ship since 1833, has been hauled alongside the Dockyard wharf, where her lower masts have been taken out.

NAIL IN THE KNEE PAN.

A highly respectable lady of the city of New York while nailing down some carpets run a small carpet tack in her knee and shifted the pan. For two years she was laid up a cripple, spent upwards of TWO THOUSAND DOLLARS WITHOUT DERIVING ANY BENEFIT. She was advised by a nurse to use Radway's Ready Relief; the first application gave her ease, one week's use made a perfect cure. Had this lady tried the Ready Relief when the injury happened, she would have escaped the painful sufferings of two years duration, and saved two thousand dollars. Bear in mind that Radway's Ready Relief will prove its marvellous efficacy at once in all cases where pain is experienced, whether Rheumatism, Lumbago, Gout, Neuralgia, Burns, Scalds, Bruises, Wounds, or Diarrhœa. Dysentry, Diptheria, Influenza, Sore Throat, Hoarseness, Colds. Let those who suffer try it. Price 25 cts. per bottle.

HOLLOWAY'S OINTMENT AND PILLS.—Fear not.—Though surrounded by circumstances disadvantageous to health, these remedies, properly applied, will cut short fevers, influenza, inflamation, diptheria, and a host of other complaints always lurking about to seize on the weak, forlorn or unwary. The superiority of Holloway's medicines over others for subduing disease has been so widely and fully proved, that it is only necessary to ask the afflicted to give them a trial, and if the instructions folded round them be followed no disappointment will ever ensue, nor dangerous consequences result. In hoarseness and ulcerated sore throat the Ointment should frequently be rubbed on the neck and top of the chest; it will arrest the increasing inflammation, allay disquietude, and gradually cure.

Such are one in thousands of certificates daily received. They are immensely beneficial to weak persons and delicate females.

Be cautious of re-filled bottles. See our signature on a fine steel plate label. They are not sold by the gallon. They are only sold in our patent log cabin bottles, by respectable druggists, grocers, hotels, saloons, steamboats and country stores.
