Blessed Marguerite Bourgeoys' Feast At Souris Church

The celebration of the first liturgical feast day of Blessed Marguerite Bourgeoys on Friday, January 19, will long remain a pleasant memory for the parishioners of St. Mary's Church, Souris and particularly for the Sisters and pupils of St. Mary's Convent there. At the main altar, artistically decorated with multi-colored lights, was offered the Solemn High Mass by Right Reverend J. A. Murphy, pastor, with the assistant priest, Reverend P. G. Murnaghan as Deacon, and with Reverend Wilfrid Keefe, Pastor of St. Alexis Church, Rollo Bay, as sub-deacon. The eulogy delivered by Monsignor Murphy impressed upon the minds of the Souris Convent pupils and the many friends of the Congregation de Notre Dame present in the audience, the heroic life of the founder, the first school teacher of Canada, Blessed Marguerite Bourgeoys. St. Mary's Parish Choir, fittingly honored the occasion with their homage of song in the repetition of the "Missa Brevis" (Montani) — the Mass already sung at midnight, Christmas, — and in the hymn "Hail, Holy Queen Enthroned Above", "Ave Verum" and "O Most Holy One".

A most enjoyable break in the ordinary class routine was given the pupils in the afternoon when, in the Convent auditorium, films from the National Film Board of Charlottetown colorfully depicted for them the National Park scenes of P.E.I., the Canadian Navy in action, and other topics.

In the Convent Chapel at 5 P.M. Benediction of the Most Blessed Sacrament given by Reverend P. G. Murnaghan, brought God's blessing down upon an evening wherein a memorable day for the resident boarders of the Convent was to be brought to a close by a special dinner and card party.

A fitting remembrance of the day was furnished the pupils of the Convent through the generosity of Reverend Mother St. Charles, Provincial Superior, who brought back from Rome a medal of the Assumption of Our Lady blessed by the Holy Father, Pope Pius XII, for each of the children of St. Mary's, Souris, where she had just terminated her six years as Superior.

Georgetown Eagles 13, Murray Hbr. Bruins 4

In their second encounter of the season in the Southern King's Hockey League schedule the Georgetown Eagles pounded out a convincing 13-4 defeat over the Murray Harbor Bruins, as a follow-up to their 13-1 victory of last week. A large crowd witnessed a clean, hard-fought game on good ice. Stevens, MacDonald and Landry carried the mail for the locals, while the veterans, Hume and Nicole were stand-outs for the visitors. The first period ended in a 6-2 margin for the local pucksters. The second session saw the Eagles out-score the Bears by goals to 2. In the final period the birds of prey had it all their own way as they clawed their opponents and netted three goals. Referees were C. Irving of Murray Harbour and Gerald Murphy of Georgetown.

erly during the past summer it was stated in the report of the general secretary, Mr. Gamble. He noted that more than 200 young men, business men and wives of members were participating in the seven service groups of the Association.

During the year the Charlottetown Association took part in five inter-Association conferences with 30 delegates in attendance and were responsible for the nomination of one boy from Charlottetown who took part in the Weston tour of England.

A strong social and educational program for young adults with about 100 individuals enrolled, was carried out. Saturday evening programs for teen-agers were also sponsored.

Islanders Put On Demonstration At Montague

Before a capacity crowd yesterday afternoon in the Montague rink, the "Islanders" of the Maritime Senior Hockey League, put on a brilliant demonstration of hockey skill with their coach, Leo Lamoureux, acting as referee. The exhibition was in aid of the "March of Dimes".

The fame of the Islanders has spread widely throughout this section, and many travelled for miles to see them perform, and none were disappointed as the boys went all out to show them the fine points of hockey. Their fast rushes, attacks, and passing plays were a delight to see, and at the conclusion of the three ten-minute periods all the fans were delighted that they had seen such a performance, and sorry that it could not be continued for a longer period.

At the gate \$90.40 was taken in for the March of Dimes, and it is understood that one little girl donated out of her own allowance \$1.80 which is indicative of the generous spirit with which such campaigns are met.

For the game the "Islanders" squad was divided into two sections, the "Garnet" and "Gold".

Lines-up:
Garnet—Goal, Gordon; defence, Vitale, Travis, forwards, J. Horack, D. Hovey, Bathgate, Ready, Dowling, Morrow.
Gold—Goal, Strain; defence, MacLagan, Dutchak; forwards, Trainor, Favero, Beaton, Clements, Beaudry, Pawlyshyn.
The Islanders were thanked for coming to Montague to give a demonstration of their hockey skill, and also for their generous donation of their own talents for the purpose of raising funds for the March of Dimes. It is hoped that at some future date they will again return to this locality where they will indeed be welcome.

Former New Perth Woman Passes In B. C.

The following is from the Armstrong Advertiser, Armstrong, B.C.:
The large crowd that attended the funeral of the late Mrs. Thomas Mellich on Tuesday afternoon was a worthy tribute of esteem from the entire community, in the passing of one who for half a century endeared herself to all who came in contact with her throughout the years, and she has left an impress that will long be remembered, not only by her family but by her friends and neighbours alike.
She passed away at her home in Armstrong, B.C. on Saturday, January 6th in her 87th year, and had resided in this farm for better than fifty-three years.
Mrs. Mellich was the former Adria MacMillan daughter of the late Mr. and Mrs. John MacMillan of New Perth, P.E.I. where she received her education.
On July 14th, 1886, she exchanged marriage vows with Thomas Mellich of Union Road, King's County, P.E.I. where they made their home until 1896, when they came west with their family to Kelowna. After a residence of about a year they moved to the farm south of Armstrong which had since been her home. Mr. Mellich predeceased her in July, 1945.
She is survived by five sons, Thomas, who now owns the home farm; Fred, at Williams Lake, B.C.; Milton and Richard in Armstrong, and John of Prince George, B.C., also two daughters, Mrs. G. Murphy (Mary), Vancouver, and Mrs. R. H. Elliot (Margaret), Revelstoke, B.C. One daughter, Mrs. T. Ross (Christina), pre-deceased her, being killed in a railway accident in New Jersey, U.S.A. on Nov. 8th, 1923. The late Mrs. Mellich is survived by one sister, Mrs. Joseph MacGregor, living in Montague, P.E.I. There are 16 grandchildren and 10 great-grandchildren.
Three years ago, accompanied by her daughter Mrs. Murphy, Mrs. Mellich made a trip back to her native P.E.I. where she visited friends and relatives. She was "Mam" not only to her family but

Churchill Warning

Churchill warned against "grave dangers" from divergences with the United States and divisions in the United Nations "brought about by manoeuvres which are obviously to the interest of Soviet Russia."

Attee said to consider sanctions "implies that we have abandoned hope of reaching a peaceful settlement, and this we have not done."

Hope For Settlement

"We have not lost hope of negotiating a settlement in Korea, nor have we lost hope that China may yet be ready to play her traditional part in world affairs and live on friendly terms with other members of the world community."

His Majesty's Government welcomes the proposal (in the United Nations) to set up a committee of good offices which will provide machinery for exploring every possibility of a negotiated settlement.
"His Majesty's Government likewise agree in condemning Chinese intervention in support of an aggressor which has thwarted and frustrated the purposes of the United Nations.
"But we do not believe that the time has yet come to consider further measures."
He agreed with Churchill that it was of the "greatest importance" to preserve unity with the U.S. and Commonwealth nations.
Observers said afterwards they believed Britain would go to great lengths to keep in step with American policy, but before agreeing to such measures as economic sanctions against the Chinese mainland she would want to be convinced that the chances of success warranted the risk.

buted \$370.34. Mrs. Frank Cutcliffe, Fredericton, corresponding secretary reported 78 Auxiliaries with a total membership of 1545. Of this number 1286 are annual members and 259 are life members. The increase in membership last year was 97.

There are eight Evening Auxiliaries with 189 members and five affiliated societies with 88 members. Several new organizations were reported.

Mrs. R. F. MacAusland, Bloomfield literature secretary, reported that Auxiliary members had read 1894 books last year. Bloomfield was the best read auxiliary, its 21 members having read 154 books. As a reward they will receive a set of missionary books for further reading. Mrs. MacAusland quoted the slogan: "More and better readers make more and better leaders."

Mrs. S. M. MacKay, Albany reported 1331 subscribers to the Missionary Monthly and 688 subscribers to World Friends in 1950.

Trinity Explorers and Trinity Tyros were introduced by Mrs. J. F. Scott and delighted everyone with their sweet singing. In explaining Tyro, which is a new United Church program for boys, Rev. K. G. Sullivan stated that Trinity Tyros are the first to be organized in this Province. He recommended the program very highly.

The press secretary, Mrs. A. C. Green, commended the work of auxiliary press secretaries and stressed the importance of publishing good news in these days of world unrest.

A very excellent report of the Berwick camp meeting was given by Mrs. R. F. MacAusland who told of soul searching Bible study led by Dr. Thompson and inspiring messages given by Rev. Charles Templeton, the camp evangelist. Mrs. MacAusland also told of the school for leaders and the enriching knowledge gained there.

Attee's go-slow policy showed plainly, however, in the statement that the newest Chinese reply to cease-fire proposals "is not altogether clear and we cannot be certain as to their real intentions."

"The Chinese reply genuinely holds out any prospect of a peaceful settlement of the Korean problem," he added.
Attee's speech was delivered in response to a request by Conservative leader Winston Churchill to her many friends up and down the valley.
The funeral took place Tuesday afternoon, Jan. 9th from Zion Church, Rev. F. E. Runnalls officiating. The pallbearers were, T. Clinton, G. Schubert, T. Leduc, D. MacDonald, O. Lane, and N.A. Hayes.
Interment was in the Armstrong Cemetery.

noon will be spent in another business session.

ONE WOMAN DELEGATE

Only woman delegate to register from the fishing industry was Mrs. M. A. Hachey of Port Daniel, Quebec who is accompanied by her twenty one year old daughter Yvette, a Registered Nurse from Montreal.

Mrs. Hachey operated a fishing plant in Port Daniel since the death of her husband six years ago. Last summer the plant was destroyed by fire but has since been rebuilt.

She purchases various kinds of fish including cod, herring, lobsters and smelt and buys from about ten fishermen. The number of men employed in her plant varies but is usually about ten.

One of the first friends French speaking Mrs. Hachey made here last night was Hon. Eugene Cullen, Minister of Industry and Natural Resources. Mr. Cullen's brother lives in Port Daniel and both he and his wife are close acquaintances of Mrs. Hachey.

Representing the Quebec Government are Messrs. Louis Beaulac, Director of the School of Fisheries at Ste. Anne de la Pocatiere from the Department of Game and Fisheries; and Gustave Bedard, publicist for the Quebec Dept. of Game and Fisheries.

Messrs. J. H. Robichaud, Director of Fisheries for New Brunswick and W. A. Moore, Deputy Minister of the Department of Industry and Development registered last night as representatives of the New Brunswick Government.

Mr. D. L. Cooper, Director of Fisheries for Nova Scotia registered from the Nova Scotia Government. Mr. Clive Pianta, Deputy Minister of Fisheries for Newfoundland, who had planned on attending, will not be present.

A large number of those attending the conference represent firms or associations in the fishing industry. Mr. E. A. Day, Montreal, Supervisor of Fisheries, Department of Research and Development, C.N.R. also registered.

Plan Pulp Mill For Edmonton

EDMONTON, Jan. 23 — (CP) — The Edmonton Journal says today in a newspaper story that tenders have been called for construction, at a cost of \$14,000,000, of the first unit of a projected five-unit pulp and paper mill here.

The newspaper says that R. O. Sweezy of Montreal, organizer of the project, has invited tenders on the first unit to be built for Edmonton Pulp and Paper Mills Limited.

The outline calls for installation of a dissolving pulp plant.

The report quotes a Government official as saying this process "is so that Alberta jackpine and lodge pole pine can be used for the making of paper. This is of important significance, as there are great quantities of these woods here and little market for them."

An eastern group has been in Alberta recently, studying the possible use of jackpine and lodge pole pine for the manufacture of newsprint, in connection with the projected Edmonton plant.
