

RCMP Report Tabled in House

The aggregate criminal investigations carried out by the Royal Canadian Mounted Police in the Province during 1954 was 4,501. This is shown in the annual report of the R.C.M.P., "L" Division, tabled in the Legislature yesterday. Included are those made under the Federal Statutes and the Municipal Laws.

This is a decided upward climb since 1952. The increase of 1954 over 1953 is 860 or 24%. There were no murders or attempted murders in the Province last year. There was one case of manslaughter but at the subsequent preliminary hearing the accused was not committed for trial.

An increase is noted in the offences of driving whilst intoxicated and driving whilst impaired, as well as failing to stop at the scene of an accident and reckless driving. There were three cases of robbery with violence and the same number charged with theft of cattle.

Breaking, entering and theft resulted in 85 cases, nine of which were the work of juveniles who attacked summer cottages and did a great deal of damage. Thefts of which there were 113 were mostly of a petty nature involving small amount of cash, merchandise and moveable equipment taken from unlocked vehicles.

FUNERAL SERVICE — The funeral of Edward Bradley was held on Monday morning from the Hennessey Funeral Home to St. Dunstan's Basilica where Requiem High Mass was celebrated by Rev. Justin MacDonald, who also conducted service at the grave. Interment was in the Catholic Cemetery. Pall bearers were: Patrick Dennis, Harry Cahill, Henry Redmond, John Carragher, Ambrise Duffy and Harold Cullen.

FUNERAL MONDAY — The funeral of Henry McGurk was held Monday morning from his late residence in Dromore to St. Patrick's Church. Rev. Augustus Quinn officiated. Requiem High Mass was celebrated by the pastor, Rev. P. Butler, who also conducted the service at the grave. Present in the sanctuary were Rev. William Simpson and Rev. Alan MacDonald. The pall bearers were: Emmett Wisner, Charles Quinn, Chester Walsh, Walter White, Joseph Holland and Rev. Nally. Interment was in the church cemetery. The funeral was very largely attended.

Personals

John Fitzpatrick, farmer of Bedford was making a few business calls in the City yesterday.

Mr. Arthur Stewart, livestock buyer Sea View, was a visitor to the City yesterday. Mr. Stewart reported the roads were extra good for this time of year.

Miss Elizabeth Wright of Charlottetown, spent the week-end with her parents, Mr. and Mrs. Edson Wright, Central Bedouque.

Pension Payment Is Explained

Hon. B. Earle MacDonald stated in the Legislature yesterday that the maximum amount that a single person can earn and \$1,200 the maximum amount that a married person can earn and still be eligible for the Disabled Person's pension. Mr. MacDonald said that any amount under the maximum would be paid by the Government. For example, he said, a single person earning \$500 would be entitled to receive \$220 per year and likewise a married person earning \$800 would be entitled to \$400 a year pension.

B. P. Women's Club Meeting

The "International Federation of Business and Professional Women" was the program topic at the February meeting of the Charlottetown Business and Professional Women's Club held at the Charlottetown Hotel, February 14th. The program chairman, Miss Gladys Hart, introduced the topic. A resume of the founding, development, and projects of the International Federation was given by the committee members: Mrs. M. Bell, Miss Ethel Sutherland, Mrs. W. Hoyt, Miss Lillian Duchemin and Miss Hilda Harper. In summing up, Miss Hart stated the aim of the Federation is to promote co-operation between business and professional women throughout the world.

Mrs. G. A. Chan, guest of honor, who recently came to Charlottetown from Hong Kong completed the program with a beautiful rendition of piano works by Handel and Chopin and the singing of a Chinese hymn.

The dinner tables were attractively decorated in keeping with St. Valentine's Day, a bouquet of red and white carnations being the centerpiece.

During the business meeting, presided over by Miss Dorothy Cullen, president, a scholarship of \$25 was voted for the 1955 Music Festival. Mrs. Laura Clapp, convener of Ways and Means, presented plans for a white elephant sale. Tentative plans were discussed for a get-together of Maritime business and professional women in connection with Charlottetown's Centennial celebrations. Miss Ruth Vinnicombe was named convener to arrange observance of Business Women's Week in October 1955.

Card of Thanks

I wish to express my sincere thanks to Dr. MacDonald, Dr. Grant, nurses and staff of Prince County Hospital. Also my teacher, friends and neighbors who sent me treats and cards during my illness.

Walter Wilson,
Craodau.

Girl Guide Leaders Honored

Queen's County Guides, with their escorts, were the guests last evening of the local Associations and sponsoring groups at a dinner and dance held in the banquet room of the Y.M.C.A.

At the close of the dinner Mrs. F. G. Hutchison, provincial commissioner addressed the Guides, thanking them for their many hours of voluntary work with the Guides, for without the leaders there could be no Girl Guide companies or Brownie packs.

A lively sing-song followed with Mrs. Ronald Atkinson as pianist. Bridge and scrabble were in play for the remainder of the evening and dancing was enjoyed to the music of the Brightonaires.

Annual Meeting

Gordon Macdonald, Judge J. S. DesRoches, Mr. H. R. Carruthers, Auditors: H. R. Doane & Co.

(Continued from page 1)

SPECIAL SPEAKER
The special speaker at the afternoon session was Mrs. Lane Knight, National Chairman of Red Cross Voluntary Services, who stated that although 97% of all Red Cross work is done by volunteers, it is vital to Red Cross that in every phase of Red Cross work volunteer participation should be maintained and further developed.

She said she was happy that Mrs. H. L. Palmer is now Divisional Chairman of Red Cross Voluntary Services and in this capacity will act as consultant to the Divisional Chairman in extending the field of voluntary services in Red Cross programs in Prince Edward Island.

FUNERAL MONDAY — The funeral of Henry McGurk was held Monday morning from his late residence in Dromore to St. Patrick's Church. Rev. Augustus Quinn officiated. Requiem High Mass was celebrated by the pastor, Rev. P. Butler, who also conducted the service at the grave. Present in the sanctuary were Rev. William Simpson and Rev. Alan MacDonald. The pall bearers were: Emmett Wisner, Charles Quinn, Chester Walsh, Walter White, Joseph Holland and Rev. Nally. Interment was in the church cemetery. The funeral was very largely attended.

EVENING MEETING
At the evening meeting, presided over by the president, MacDonald, guests at the head table were: His Honour Lieut-Governor T. W. L. Prowse and Mrs. Prowse, Premier A. W. Matheson, Mayor J. D. Stewart and Mrs. Stewart, Hon. B. Earle MacDonald and Mrs. MacDonald, Rev. J. H. Bishop and Mrs. Bishop, Dr. V. J. P. MacMillan, Mrs. L. A. Knight, Miss Margaret E. Wilson, Mr. Edwin C. Johnstone, Mr. H. R. Carruthers.

Following the report of the Commissioner, Miss Iphigenie Arsenault, Premier A. W. Matheson spoke briefly commending the organization for the splendid work being done and assuring the members of his appreciation.

Lieut-Governor Prowse said: "The thanks of the city and Province are due the Red Cross if for nothing else than the work done on behalf of crippled children and water safety." His Honour cited several cases where the society had done splendid work locally when called upon in emergencies.

He paid tribute to the Rotary Club, the Masonic Fraternity at Montague and Dr. MacMillan for work done on behalf of crippled children over a period of years.

Mayor Stewart congratulated Miss Arsenault on her report and Miss Wilson on her talk on international affairs. "We at City Hall are most conscious of the work being done by the Red Cross here and throughout the Province," Mayor Stewart said.

Hon. B. Earle MacDonald, Minister of Health and Welfare, said "The Red Cross have done a good job or they would not have survived. The work they do very best we can at all times, and we should all be thankful for the deep interest and enthusiasm of the ladies here, who are ready and willing at all times to advance the work of Red Cross."

Mr. MacMillan commented on the large and enthusiastic audience. "We should all be satisfied to be here and learn of the fairly good position now enjoyed by the Red Cross. There is much work to be done in this province among handicapped children," he said, "a work which is only limited by our contributions."

He paid tribute to the Rotary Club and the Masons of Montague for the work they have contributed over the years have contributed more than \$80,000 to the crippled children funds."

GUEST SPEAKER

Miss Margaret E. Wilson, National Executive Secretary as guest speaker said in the course of her remarks on the international activities of the Red Cross.

"Our international activities make us unique among organizations of the world today, as Red Cross has for some time been the only organization which all nations still adhere to."

Within one generation of the organization of our national society, a highly developed system of communication has rendered it impossible for any one to stand aloof and self-sufficient. Disaster in Europe, hunger in Asia, war wherever it may occur, affect the future of Canada just as surely as does any domestic tragedy. Conversely, every suffering human, sheltered or fed or given medical aid under the banner of Red Cross, and every one who helps, forges one more link in the chain of brotherly care and love which is the one hope of this troubled world.

The speaker then dwelt on the activities of the Society in meeting the demands brought on by major disasters, in 12 different countries which brought a swift and definite response from the Canadian Red Cross. In the Enquiry Bureau, 369 persons were traced internationally last year for Canadian next-of-kin.

MODERN TREND
SOUTH BRIMANTON, England (CP) — A car park is included in plans for a new church in this Derbyshire town.

To Renew Application For TV Broadcasting License

At a recent meeting of the Island Radio Broadcasting Co. Ltd., the directors unanimously approved action to renew the Company's application for a Television Broadcasting License. The application will come before the mid-April meeting of the Board of Governors of the Canadian Broadcasting Corporation. If a license is granted at that time, CFY television operations will get underway during the month

of October, depending on construction and manufacturers' delivery schedules. TV Studio and Transmitting facilities would be located, as originally planned, at Strathgairney, P. E. I., and coverage of this station would include Prince Edward Island, and the adjacent areas of Nova Scotia and New Brunswick. The proposed Television station would have an effective radiated power of 30,000 watts.

Rotarians Hear Excerpts From Ch'town's History

Dr. Frank MacKinnon, Principal of Prince of Wales College, was guest speaker at the weekly luncheon meeting of the Rotary Club, held at the Charlottetown Hotel yesterday, presided over by N. D. MacLean and Arthur Moffat jointly.

Guests present were Hon. E. P. Foley, M.L.A. of the Summerside club and Mr. Dennis Inwood of Montreal.

In the course of his address Dr. MacKinnon said: "The purpose of the centennial is not merely to hold a celebration, but also to remind us that it is givenly one chapter in the city's history, that we have inherited the city from those who went before, and that it is our duty to pass it on improved and strengthened to posterity."

Charlottetown was simply woods and a small settlement when it was selected as the colony's capital by Captain Samuel Holland. Every inhabitant was a farmer in the earliest days for there were no stores and little trade and people had to grow their own food. The streets were laid out so as to give one chapter in the city's history, that we have inherited the city from those who went before, and that it is our duty to pass it on improved and strengthened to posterity.

WATER FLUORIDATION
Letters from the Queen Square, Prince Street and Queen Charlotte Home and School Associations were submitted to the Council requesting the fluoridation of the water supply as soon as possible.

Councillor Hutchison spoke in favor of the undertaking and stated it was quite inexpensive at 15 cents per head per annum. Councillor Gaudet suggested that the matter be left alone until the people knew what it was all about. He stated he was at one Home and School Association meeting at which there were 200 people present and no members of the Association spoke either for or against. He stated the group was high pressured into requesting the experiment by one or two individuals from outside.

Mayor Stewart thought the matter should be solved for a time and he asked the City Clerk to write the water commissioners for information about the cost of installation and operation.

The question of whether or not a certain house in the City was built in the rural area was brought before the Council in the Health Officers report and was discussed at some length. The report stated that the question was a difficult one to decide but noted there were nine dogs and one horse living in the place which was owned by a woman. Councillor MacCormac stated the place was a definite fire hazard as well as a health problem.

Reports were presented by the various committee chairmen. Mayor Stewart and Councillor MacCormac disagreed over the repair of a snow removal machine. Mayor Stewart maintained that the Street committee members should be consulted in the matter. He also said that Councillor MacCormac had called one meeting of the Street Committee and this situation would have to be changed.

Councillor MacCormac replied that the repairing of the machine was an emergency and had to be attended to at once. He stated that a storm might have occurred at the time and then where would the Council or himself be if there was no snow removing machine.

Mayor Stewart stated that Provincial Government would have given the City a machine in an emergency, to which Councillor MacCormac replied that the Government had told them they had no machine available for the City at any time.

GROUP INSURANCE PLAN

Messrs. Robert Younker and Fred Pound of the Canada Life Insurance Company presented a proposal to the City regarding a group life and hospitalization insurance plan for the permanent employees. According to the plan the City would pay half the expenses and the employees half. Expenses for the City would amount to about \$2800 for the year.

Councillor Johnstone stated that the City should not hesitate for a moment to go along with the scheme if the employees wanted it. Councillor Gaudet thought it was a good thing but suggested that some other companies be given a chance to submit proposals. Accordingly a two weeks time limit was granted in which other companies might submit proposals.

Resolutions passed asked that the sum of \$5,000 be granted to the Centennial Committee as requisitioned for by the chairman and manager of the Centennial Committee.

Messrs. H. A. Messervy and Louis Rananah were appointed to represent the City Corporation at

Parents Council Monthly Meeting

The regular monthly meeting of the Parents Council for Mentally Retarded Children was held last evening in the YMCA with President John Leightizer, Jr., in the chair.

Following a conference with a representative of the Mental Health Clinic assurance was given that co-operation would be forthcoming to the extent of the ability of the Department to render assistance.

The Secretary, Mrs. Stewart Pierce reported having conferred with several rural parents who desire to become actively associated with the Council when travelling conditions permit.

Following the meeting, refreshments were served by the lunch committee.

Council Urges

A circus lion tamer rehearsing his act put his foot on a lion lying at his feet as four more lions sat snarling on their pedestals.

So far so good, thought tamer Rene Ruellot, 26.

Suddenly the lion on the ground rolled over and snapped its jaws on his leg. As if at a signal the four other lions sprang from their perches. In a split second the cage was a flying maelstrom of snarling cats.

Ruellot was clawed to death before ring hands could drive the animals off. Ruellot was working the cats for the first time since he arrived from Paris to take over the act in an English circus wintering at a farm here. He followed the act used by the previous tamer but the lions sensed the change, circus officials said.

Approve Ban On Red Stripes

OTTAWA, (CP)—The Canadian Association of Consumers expressed approval Monday of the government's decision to ban the use of red-stripped wrappers for bacon packaging.

"Our members all through Canada have repeatedly protested this special type of misleading packaging," said Mrs. H. E. Vaucler of Montreal, association president.

The health department informed meat packers by letter last week that use of the red-stripped wrappers violates a section of the Foods and Drugs Act prohibiting "misleading" packaging. The ban will be enforced when present stocks of wrappers are exhausted.

Quebec Blood Donor Record

MONTREAL (CP)—The Quebec division of the Canadian Red Cross announced today blood donors in Victoriaville set a record, at least for this province.

During a four-day clinic last week 1,662 donors gave more than 1,500 bottles of blood. The average was more than a bottle a minute during the hours of the clinic, 3 to 6 p.m. and 7 to 10 p.m. The previous record was 53 an hour, at St. Jerome last fall.

AMERICAN INFLUENCE

BENTWATERS, England (CP)—English employees at the United States air base near this Suffolk town asked to be taught baseball rather than play cricket this season.

A motion was passed requesting the loan of one million dollars from the Royal Bank to meet the expenditures of the Corporation and another motion re-appointed H. R. Doane and Company as auditors for 1955.

Works Deputy Visits Ottawa

R. G. White Deputy Minister of Public Works and Highways for the Government of Prince Edward Island left Ottawa for Charlottetown today after discussing details of federal-provincial matters here with several government departments. Mr. White, who is a classmate of Public Works Minister Robert Winters and also of Neil A. Matheson, Liberal member for Queens at Mount Allison University, renewed acquaintanceships with a number of former Maritimers now residing in Ottawa.

Parents Council Monthly Meeting

The regular monthly meeting of the Parents Council for Mentally Retarded Children was held last evening in the YMCA with President John Leightizer, Jr., in the chair.

Following a conference with a representative of the Mental Health Clinic assurance was given that co-operation would be forthcoming to the extent of the ability of the Department to render assistance.

The Secretary, Mrs. Stewart Pierce reported having conferred with several rural parents who desire to become actively associated with the Council when travelling conditions permit.

Circus Lion Tamer Killed

DUNDEE, England (Reuters)—A circus lion tamer rehearsing his act put his foot on a lion lying at his feet as four more lions sat snarling on their pedestals.

So far so good, thought tamer Rene Ruellot, 26.

Suddenly the lion on the ground rolled over and snapped its jaws on his leg. As if at a signal the four other lions sprang from their perches. In a split second the cage was a flying maelstrom of snarling cats.

Tribute To The Late Mr. Larabee

Fitting tribute was expressed to the memory of the late J. J. Larabee in a motion by Hon. Dougald MacKinnon when the House met yesterday. "We have lost one of our most outstanding members of the last number of years," said Mr. MacKinnon who recalled that he had followed Mr. Larabee as Assemblyman in the Fourth District of Queens.

"His record was unique" said the Minister of Public Works who said that Mr. Larabee went into politics as a young man without experience. "In fact he was conscripted because of his popularity. Even when his party went down to defeat he was elected."

Mr. MacKinnon recalled that when a request came from the Government at Ottawa to make room for the Hon. Charles A. Dunning, Mr. Larabee very willingly gave up his seat at a great sacrifice so that the Island would have representation in the Dominion Cabinet. "As a direct result of this move the Wood Islands Ferry service was inaugurated," he said. Further remarks by Mr. MacKinnon made reference to Mr. Larabee's appointment to the job of Director of Fisheries. "In this position he was, in every sense of the word successful."

W. F. A. Stewart (First Queens) was the seconder to the motion moved by Hon. Mr. MacKinnon. It had been intended that Dr. W. J. P. MacMillan would second the motion but the Doctor had been called out of the House just before resolution was moved. Mr. Stewart as a former sitting member with the late Mr. Larabee, recalled him as an honest and an upright gentleman.

Premier Matheson said that as a young man he had occasion to remember Mr. Larabee for his good deeds. "His family are following in his footsteps and are citizens of the highest calibre," said the Premier.

Mr. R. R. Bell, Leader of the Opposition, said that he had not been associated with Mr. Larabee in the House but had known him for a long time. "He was most co-operative and a man who was greatly interested in the fisheries of the Province," said Mr. Bell.

Actress Abigail Adams Is Suicide

BEVERLY HILLS, Calif. (AP)—A police physician has described the death of actress Abigail Adams, once the fiancée of comedian George Jessel, as an apparent suicide from an overdose of sleeping pills.

Her body, clad in a blue nightgown, was found in bed in her Beverly Hills apartment Sunday after the 37-year-old brunette did not answer her phone.

Miss Adams was divorced from actor Lyle Talbot in 1942. Two months ago she paid a \$10 fine on a drunk charge after being arrested with Broderick Crawford, Academy Award winning movie actor and Myron McCormick, New York actor. Crawford was fined \$250 and McCormick \$50.

PRESENTATION OF DOMETIC REFRIGERETTE
Mrs. D. R. George, 9 Richmond St., was the winner in a drawing by Electrolux (Canada) Ltd. Mrs. George is shown receiving her prize from Mr. O. K. Presby, sales manager, while standing by Mr. T. F. Stewart, salesman. Advtd.

actor Lyle Talbot in 1942. Two months ago she paid a \$10 fine on a drunk charge after being arrested with Broderick Crawford, Academy Award winning movie actor and Myron McCormick, New York actor. Crawford was fined \$250 and McCormick \$50.
