Comfortable stabling for Horses.

For Restoring, Preserving & Beautifying
THE HAIR.

THIS elegant preparation is an effectual remedy for Baldness
or Falling off of the hair. It prevents and completely erad-
icates Scruff and Dandruff, strengthens the Roots of the hair;
causes it to grow luxuriantly; gives it a rich, dark, soft and
glossy appearance, and prevents it turning gray. The Hunga-
rian Balm is a purely Vegetable compound, scientifically and
chemically combined, and is warranted to contain none of those
deleterious ingredients which prove so injurious to the hair.
It acts directly upon the skin, cleansing and purifying it from
all unhealthy secretions, thereby removing and preventing the
accumulation of scruff, dandruff, and other impurities, which
so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use;
and those who have tried the various oleaginous mixtures, with
no benefit, will at once discover the agreeable and beneficial
effects produced by this pure and delicate preparation. Instead
of matting and tangling the hair, (which is more or less pulled
out in the process of combing,) it leaves it free and clean; pro-
motes a natural moisture, and imparts a beautiful dark and
glossy appearance. Try it once and you will be convinced
of its superiority over all other compounds for the hair. Much
more might be said in favor of this inestimable compound, but
it is deemed unnecessary, as the proprietor feels confident that
ONE TRIAL will convince the most incredulous of its rare and
manifold virtues. Therefore,

If you have lost your hair and wish to restore it.
If you are losing your hair and wish to preserve it.
If you are troubled with Dandruff and wish to remove it.
If you have any humour of the Scalp and wish to cure it.
If you are troubled with Nervous Headache and wish to
cure it.

If you have hair eaters at the roots of the hair and wish to
destroy them.

If you have harsh, dry and wiry hair, and wish it to become
soft, pliable and beautiful as Silk; and if you wish to preserve
rich, graceful and luxuriant tresses to the latest period of life,
use PERRY'S HUNGARIAN BALM.

Price 25 and 50 cents, in large bottles.

Dr. Green's Oxygenated Bitters are a sovereign remedy of
Dyspepsia in all its various forms, such as pain in the Stomach
Heartburn, Habitual Constiveness, Acid Stomach, Headache
Loss of Appetite, Piles Night Sweats, Asthma or Itchitis, Fla-
tulence or wind in the stomach, Nervousness, Coldness of
the Extremities, Weakness of the Limbs, General Debility,
and all the indescribable symptoms of this universal disease.

Many persons suffer from the effects of a derangement of
the digestive systems without the slightest idea of the real
cause which gives rise to their symptoms; and unpleasant feel-
ings, despondency, indecision, and a general lack of energy
deprives them of cheerfulness and makes existence burden-
some. To all who know these troubles by sad experience, we
say try the Oxygenated Bitters; they give immediate relief, and
in most cases effect a permanent cure. For the most satisfac-
tory proof of this, read the pamphlets which may be had of the
Agents gratis.

Prince Edward Island, }
King's County, to wit: }

PERSONALLY appeared before me, Alexander Leslie,
Esquire, one of Her Majesty's Justices of the Peace for
said County, ALEXANDER SUTHERLAND, House Carpenter,
Souris, who being regularly sworn, saith:—That a re-
port has been raised and circulated, to the effect that he,
deponent, had been bribed or bought to offer himself as a
Candidate to represent the people of the First Electoral
District of the County in the Colonial Parliament. Now it is
most solemnly declares, that the said report is a gross viola-
tion of the truth; that he, deponent, was requested by
several of his neighbours to allow himself to be put in nomi-
nation,—as Mr. McIntosh had stated, on several occasions,
that he (McIntosh) was not to be a Candidate,—under these
circumstances, and with the belief that Mr. McIntosh had
stated the truth, deponent promised to go to Georgetown and
allow himself to be put in nomination,—and did so without
any promise of favour, fee, hire or reward, from any person
or persons; that the report above stated has been raised by
some evil minded person or persons, to hurt the character
and feelings of deponent, and for no other reason he verily
believes.
