PANTHER VICTORY — AUAA TITLE

In Saturday's playoff game, the UPEI Panthers went up against the St. Mary's team. During the first half against the Nova Scotia team, the Panthers were behind 2-1 with the lone goal from Doug Blaine which he stroked into the left corner of the net. At the 34 minute mark of the first half, St. Mary's scored their second and last goal of the game in a scramble in front of the Panther net.

At the end of the first half, the score was 2:1 for St. Mary's. Second half action was very intense, each team having several scoring changes. Doug Blaine's second goal of the game put the score up to a 2 all tie. The Panther's never-say-die efforts paid off once more as Donny MacKenzie kicked in the third Panther goal of the game with the assistance of Richard Pierre-Gilles. The Panthers scored their fourth and last goal of the game as Sweeper Alan Spink, a member of last year's national team, booted

the ball home. The St. Mary's team lost by a 4:2 win for the UPEI Panthers.

Sunday's game against ST. FX was not as intense offensively as the Panther's games usually are. The Panther's defense were perfect which offset the St. FX team. The Panthers, struggling, finally scored against the tough St. FX defense with the goal coming off the head of Donny MacKenzie. Another tense moment came in the first half as Panther Mitch Murphy was brought down with 5 minutes remaining in the half. It was feared that he had suffered a broken ankle, but fortunately the injury was only minor, and he came to play in the second half. The second half was a very defensive fight, neither team materializing their efforts. The Panthers had several shots at the net, but the St. FX defense and goalie were extremely tough. The final score was Panthers 1, St. FX 0.
