"The Rain it Raineth Every Day."

What a comfort it is to walk down town in the morning wrapped in the luxurious embrace of a RIGBY POROUS WATERPROOF COAT, all dry and comfortable, while those of one's less fortunate friends shiver and endure the old style of waterproof garment. But people are rapidly becoming educated to better things, and the cold, clammy, air-tight rubber waterproof is fast disappearing.

KNOWLEDGE Brings comfort and improvement and tends to personal enjoyment when rightly used. This many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative... Campbell's Quinine Wine.

MOUNTAINS IN MOTION.

LANDSLIDES OF ROCK AND EARTH THAT CARRY DESTRUCTION.

Historic Calamities That Have Been Caused by Heavy Rains—Avalanche Destruction to Life and Property—The 1894 Slide at St. Albans, Quebec. The landslide reported lately from Charlevoix county, Quebec, which resulted in the destruction of ten houses and the loss of many lives, has numerous counterparts in mountain countries through whose valleys flow extensive water courses.

LANDSLIDE IN NORWAY.

Perhaps the greatest landslide of Northern Europe occurred at Vaorsland, Norway, in May, 1893. A few miles north of Trondheim a large mountain rises precipitately above the Lovanger Valley, then a fertile plain, dotted with prosperous farms, surrounding a lake. The slide measured three miles across and followed a pathway down the mountain slopes more than six miles in length. The mighty mass gave notice of its coming by fearful thunderrings far up on the mountain, but so rapid was its downward flight and so broad the swath it cut that few had time to make good their escape.

Pains in the Joints Caused by Inflammatory Swelling

A Perfect Cure by Hood's Sarsaparilla. "It affords me much pleasure to recommend Hood's Sarsaparilla. My son was afflicted with swelling in his joints, accompanied with swelling so bad that he could not get up stairs to bed without crawling on hands and knees. I was very anxious about him, and having read Hood's Sarsaparilla Cures so much about Hood's Sarsaparilla, I determined to try it, and got a half-dozen bottles, four of which entirely cured him." Mrs. G. A. LARK, Oshawa, Ontario.

WAR'S HUMORS.

A Few Good Stories Told of Great Commanders. Once during the Iron Duke's campaign in the Pyrenees, it happened that local custom, such as the practice of receiving the assault of Marshal Soult displeased him. The danger threatened from in front, and the difficulty lay in delaying the attack until the morning, could effect the change he wished. He was, as usual, equal to the occasion. Waving his hat in the air, he galloped to the front of a regiment of volunteers to order a charge. The whole of Picton's line cheered tremendously, and as the regiment advanced, the Duke was heard to remark, half to himself, "Soult is a cautious commander and will not attack in force without ascertaining the means of his victory. That will leave time for the sixth division to come up, and we shall beat him." This was exactly what happened, and Soult sustained a bloody repulse where he might have won a easy victory.
