

THE DAILY EXAMINER. JULY 29, 1882.

Triumphant Sir John. The elections for the new Parliament are now complete, and here is the result:—

So that in the new Parliament Sir John McDonald will lead a majority of at least seventy-five. Such is Grit Reaction.

The Theatre of War.

The scene of war now centres between Alexandria and Aboukir. The names most frequently mentioned in our dispatches are those of Ramleh and Aboukir.

Aboukir, the ancient Canopus, is a small village on the coast of Egypt, thirteen miles north-east of Alexandria.

The Salvation Army.

GENERAL BOOTH and his army of peace have been successful beyond precedent. But already the axe is laid to the root of the tree.

Excursions and Teas.

The weather of Friday was doubtful and unsatisfactory. The excursion party from Charlottetown was, consequently, not so large as it would have been, and many friends and pleasure-seekers in the country were also deterred from attending.

Stray Shots. THE PUBLIC SPIRIT OF CHARLOTTETOWN.

I have seen in late papers that Mr. Burpee, of St. John, has offered to found a Free Public Library for the town of Portland, New Brunswick.

I have frequently been asked by visitors to the Province, "What are the lions of the place?" Most towns of the size have something that they are proud of, have something that visitors will be interested to see.

The reason for this great lack in Charlottetown is not far to seek. Selfishness and narrow-minded pride are at the bottom of it all.

The Citizen's Insurance Co'y.

The Life Department of the Citizen's Insurance Co'y. fully realizes in this a source of great strength. Policies are absolutely indispensable after five years.

Excursions and Teas.

The weather of Friday was doubtful and unsatisfactory. The excursion party from Charlottetown was, consequently, not so large as it would have been, and many friends and pleasure-seekers in the country were also deterred from attending.

THE crops throughout the Ottawa Valley never looked better, and farmers generally look forward to a bountiful harvest.

THE sale of Kensington Brewery and Land, advertised for sale on the 9th day of August, A.D., 1882, is postponed until further notice.

IN ten days the Vice-Regal party at the Grand Casapedia, landed seventy-six salmon, weighing twenty-six to thirty-three pounds each.

A BORE is a man who takes up so much of the time talking about himself, that a fellow hasn't a chance of getting in something to say on his own account.

MR. LABOUCHERE avers that Mrs. Langtry's net profits in a single week of her provincial tour in England amounted to over seven thousand dollars.

THE Rev. M. P. Freeman, of Nova Scotia, will preach in the Baptist Chapel, to-morrow, Sunday, the 30th inst., morning and evening, at the usual hours.

LAST Saturday the Duchess of Albany presented to the Canadians the prizes won by them during the meeting. The Canadians won prizes of the aggregate of \$1,500.

HARRISON AINSWORTH's library, to be sold at the end of the month, is said to contain a blood-curdling collection of criminal literature which would make the fortune of the dime novelist.

THE particular attention of fishermen is directed to the advertisement of the Inspector of Fisheries regarding exhibits to be made at the Great International Fisheries Exhibition at London next spring.

A COMPANY to be known as the "Moncton Forge Company," with a capital of \$100,000 divided into 1000 shares of \$100 each is to be formed in Moncton. A start will be made with \$20,000 subscribed capital.

NEW GLASGOW, N. S., wants a system of water works, but is so religious that a committee of church deacons has been appointed to look up scriptural reference on the subject.

REV. DR. TALMAGE, who is at Virginia watering-place hotel, occasionally visits the ball-room to see the dancing, and his wife and their young daughters and son pass a portion of every evening there, the young people always joining with a zest in the dancing.

A GENERAL committee meeting was held in the Mayor's Office, St. John, N. B., on Monday, for the purpose of receiving the report of the sub-committee on the centennial celebration in 1882. They recommend a trades procession, a great naval and military display, orations, etc., the ceremonies to extend over three or four days.

MR. CLIP P. KENNEDY, general passenger agent of the L. N. A. & Chicago Railway, Louisville, Ky., says: "Those who are suffering from rheumatism and general bodily ailments coming from diseases of a similar nature should use St. Jacobs Oil. I was cured of a case of rheumatism of twenty years standing by St. Jacobs Oil, after everything else had failed."

STRUCK BY LIGHTNING.—During the storm which passed over this Province last night, the lightning did considerable damage. Several barns were struck in King's County, and the spire of the Roman Catholic Chapel in Georgetown was partially destroyed. Those living in the neighborhood of the chapel heard the crash and were much alarmed. No other damage is reported from Georgetown.

MR. CHARLES GRIFFIN, of St. John, is in the city, introducing a new map of British North America. The map is, in the opinion of competent judges, an article unrivalled in its line. It deserves the attention of all who desire a true geographical knowledge of the Dominion. Mr. Griffin is staying at the Rankin. It can be seen at the bookstore of Theo. L. Chapple, Esq., who has been agent for P. E. I.

PISCATORIAL.—The fishing at Morel is reported good. Those who have visited that well known stream, get good catches. A few have "choice salmon stories," and the Indians report "good luck for white folk." Noel Abraham sends us the following notice:—"I respectfully beg to acquaint the piscatorial fraternity of Charlottetown, that I have recently supplied myself with a new and improved spear for salmon, and have on hand a good supply of birch-bark torches. I guarantee with my new outfit that no misses will be made." Noel "lets the cat out of the bag."
