

President Of Women's Institute Gives Report

Mrs. M. J. Doyle, president of the Prince Edward Island Women's Institute, presented the following report at the 10th annual convention of the Provincial W. I. "It is my very great pleasure to present a report of our activities for the past year.

"We have chosen as the theme for this Convention 'What is the work that lies before us for the success of our Institutes.' It is a happy and stimulating thought for us that our revered and beloved Royal Family, Queen Elizabeth and the Queen Mother and Princess Margaret are Patronesses of Women's Institutes in England and often join in the social hour.

"Here in Prince Edward Island we are given at all times for consideration by our Government and particularly the Department of Agriculture under which Department the Institutes function. On behalf of our executive and all delegates here assembled I wish to say a sincere thank you to the former Minister of Agriculture the Hon. Mr. Baker, and also extend our best wishes to our newly appointed Minister Hon. Eugene Cullen.

"A few short weeks ago, while absent from the Province I heard the sad news of the death of Mr. W. Chester S. McLure. A personal friend of long standing a kindly and kindly man, a great Canadian. When he was in Ottawa as our Queen's County Representative I often had occasion to write him on behalf of veterans, as well as on matters of interest for our surrounding community. An acknowledgment would be immediately received, and very shortly some solution to the problem would be worked out with satisfaction to the parties concerned. North Rustico, his birthplace has reason to be proud of W. Chester S. McLure. May the thoughts of the good in his life, and his service to others help and console his dear ones in their sudden and sad bereavement.

"Our institute members who have lost loved ones during the past year I tender by sincerest sympathy. To older and non active members and shutins I wish to say a sincere thank you for your past services and assure them that a warm welcome awaits them at all meetings they feel able to attend.

"The past summer we were honoured to have Mrs. J. W. Adams, president of the Federated Women's Institutes visit us for a short time, and the Women's Institute Executive and members enjoyed some pleasant hours spent with her. We are all delighted to know Mrs. Adams has accepted another term as president of F.W.I.C.

"Our revised constitution and hand books have been forwarded to our Branch Institutes and I trust the members are making use of them at their meetings.

"At our Provincial Exhibition the Women's Section was again managed by the Prince Edward Island Women's Institute. We are pleased to know the standards and excellent craftsmanship was shown in handicrafts, home sewing and needle work. Public demand for the Handicraft Van has increased. We were sorry to lose two popular and capable instructors Miss Marie Taylor (now Mrs. Marie Stretch) and Miss Marie Stretch. The vacancies have been filled by Mrs. Ida DeRoche and Miss Louise Dolton, both of whom are very satisfactory.

"In September I attended a General Welfare Course at the Federal College at Annapolis, Ontario and reported on it at Institute meetings and by radio to the general public. I was appointed liaison officer by Federated Women's Institute for Prince Edward Island. Reports across Canada show that the Federated Women's Institute are fully aware of their responsibility to the public especially as it relates to

Young Women's Guild Meeting

"The regular meeting of the Young Women's Guild of St. Andrew's Presbyterian Church, Montague, was held in the church hall Monday evening, with the president, Mrs. Percy Myers, in the chair.

The meeting opened with the hymn 'O God Our Help In Ages Past.' The scripture lesson was read by Mrs. D. A. Campbell, followed by prayer by Mrs. Robert Murray. Roll call was answered by thirteen members, and there was one visitor present. The minutes of the last meeting and the correspondence were read by the secretary, Mrs. Claude Nicholson. Mrs. John MacKenzie reported for the visiting committee.

Miss Catherine Currie and Mrs. D. A. Campbell were appointed on the visiting committee for three months.

Plans for holding a wienner roast at the summer home of Mrs. Claude Nicholson in August were discussed and a number of committees were appointed to make final arrangements. Final arrangements were also made for holding an ice cream social on the church lawn the last of the week.

At the close of the meeting lunch was served by Mrs. Myers, assisted by several of the members.

with under nourished minds and undeveloped critical capacities, a people all too ready to relax into mob rule and the inevitable ensuing dictatorship, were highlighted in the entertainment provided for us.

"Now I am nearing the end of my term as your president. The past two years have been busy ones. To our directors, the executive, our radio convenor I extend my grateful thanks for your splendid cooperation. To all members of District Conventions where I attended I must say how much I enjoyed being with you, perhaps most especially at the supper hour.

"Noting your work I realize more fully than ever before that though we may give, directive the real work is done in our branch institute. A famous man once said success is due not to the genius of the few but to the faithfulness of the many. Let us continue to work together in harmony. So, in other words as Dr. Hammersjout in speaking to the N.G.O. of the United Nations Organization said 'The more you do the more we will give you are with what you have.' This has been our policy and today we can look back over a worthy record of achievement, and can look forward to working together on the problems that lie ahead."

"I would like to bring to your attention the 4-H Club program, and urge that we, as Women's Institute members, support the work in the district. There are many different kinds of work from which to choose: food or clothing clubs for the girls, and poultry, swine, calf, grain or garden clubs for the boys or mixed groups."

"The Jubilee Endowment Scholarship, one of our own projects, comes under this convenship. To date this year only three applications have been received for this assistance. "There seems to be a little misunderstanding as to whom can be recommended for this scholarship. The girl must have completed her Grade XII and be ready to start on her Degree Course in Home Economics. The first two years of this course can now be worked at in the district. There are many different kinds of work from which to choose: food or clothing clubs for the girls, and poultry, swine, calf, grain or garden clubs for the boys or mixed groups."

"At the present time there are endless opportunities as dietitians in hospitals, in schools, as teachers or extension workers for the girl who is a Home Economist."

"I would like to bring to your attention the 4-H Club program, and urge that we, as Women's Institute members, support the work in the district. There are many different kinds of work from which to choose: food or clothing clubs for the girls, and poultry, swine, calf, grain or garden clubs for the boys or mixed groups."

Cautions Against Closure

Mr. Gordon White, Deputy Minister of Highways, is seen talking to Mr. G. O. Baker, Acting Superintendent of the Canadian National Railways, shortly before the barricade was erected at the Hillsboro Bridge yesterday morning. Mr. White cautioned Mr. Baker against such action.

Barter's Film Lab.

Laments Migration Of Youth To Other Provinces

"We all lament the mass migration of our young people to other provinces. Perhaps if we tried a little harder to make rural life more interesting, to give our young people faith in agriculture, to teach them a love for the soil and the country home-stead, we might succeed in keeping more of them on the Island," stated Mrs. S. R. MacGregor, East Baltic, in her convenship report at the annual Women's Institute convention yesterday.

"I would like to bring to your attention the 4-H Club program, and urge that we, as Women's Institute members, support the work in the district. There are many different kinds of work from which to choose: food or clothing clubs for the girls, and poultry, swine, calf, grain or garden clubs for the boys or mixed groups."

Montague Legion Branch Meeting

"The regular meeting of the Montague branch Canadian Legion was held last evening with the president, Mr. J. S. DesRoches presiding. The minutes of the last meeting were read and approved. The correspondence was read and discussed.

The president reported the minutes of two special meetings held re the subject of the purchase of the old post office. Several members attended the opening of the new home of the Souris branch where Comrade DesRoches was the guest speaker.

Several bills were approved for payment. The meeting approved the donation of an annual prize to the honor student of grade twelve of the Montague High School of \$25.00, starting with the year 1955-1956. After discussion of several other matters the meeting adjourned.

Savage Harbour

"The many friends of Benny McCormack, Point de Roche, will be sorry to learn that he is suffering from a severe attack of pleurisy. All join in the hope that the popular Benny will make a speedy and complete recovery.

Mrs. Catherine Doyle of St. Andrews was a week-end visitor to St. Theresa's, where she was the guest of friends.

Messrs. Douglas Smith and Eric Smith, who spent the winter months at their home at Cherry Hill, left recently for Montreal where they will be employed throughout the summer and fall.

Mr. Fred Arsenault, Mt. Stewart, left during the week to spend his vacation at his home in the Magdalen Islands. Mr. Arsenault will be away about two weeks.

Mr. and Mrs. Jack McLellan of St. Theresa's, were week-end visitors to St. Andrews where they were guests at the home of Mr. Richard Doyle.

Congratulations are being extended to Miss Aletha Mullen of Mt. Stewart, who was a member of the graduating class of Notre Dame Academy, Charlottetown. Miss Mullen is a daughter of Mr. and Mrs. Daniel Mullen, Mt. Stewart.

Mr. William Rooney of Mt. Stewart who for the past several weeks was employed at Savage Harbour, is now engaged at carpentry work at the Charlottetown Hospital.

A motor party consisting of Miss Babe MacQuillan, Miss Sheila Dewar, Miss Sally Johnson and Miss Helen Murphy, all of Georgetown, journeyed to Mt. Stewart during this week and were guests at the home of Mr. and Mrs. Lyman Jay.

Senator and Mrs. J. P. MacIntyre arrived at Savage Harbour on Tuesday and have taken up residence in their spacious home overlooking Savage Bay for the summer months.

Friends of Mr. Alex Griffin, Scotford, are happy to see him around and about again after his recent illness.

Mrs. James Leslie was home from Ottawa to attend the funeral of her sister, the late Miss Hattie Pigot.

Mr. and Mrs. Lyman Jay of Mt. Stewart have received word that their daughter, Mrs. H. L. Costello, who underwent a serious operation at the Victoria General Hospital, Halifax recently, is steadily improving. It is the sincere wish of a host of friends that such improvement will continue until Mrs. Costello has once again regained her full measure of health.

A bumper crowd greeted the bingo games in St. Andrews Parish Hall, Mt. Stewart, on Monday. All the surrounding districts were well represented with a strong group of fans from Morrell and there battling for every game. The door prize of \$15 was won by Mrs. Frank Peters of Mt. Stewart. Among the other winners were Mrs. Ruell McCormack, Point de Roche, Mrs. Hugh John MacPhee, Casanov, Miss Helen Walsh, Mrs. Bertram MacDonald, Mrs. Lyman Jay, Mrs. Bruce Affleck and Mrs. Charles Murphy all of Mt. Stewart.

A real royal welcome is being extended to Miss Gloria Feehan, who has returned to her parents' home.

Chief Needs Stressed At Annual W. I. Convention

"Three things are needed above all else today. They are the hearth, the hand ready to serve and the place of prayer," stated Mrs. Nell A. Matheson, Convener of Agriculture, as she presented her report at the annual Women's Institute meeting yesterday afternoon.

"We home-makers have power in our home. We are an important influence on our children and families and we help shape the citizens of tomorrow in the home," she added.

"Today's home builds tomorrow's world. As our children go, so goes the Nation," stated Mrs. Matheson in emphasizing the importance of the hearth.

"Then we have the power to vote, the power to help get good schools for our children and the power to co-operate in the civil defense program.

"The privilege of voting is very precious and we must take advantage of it. It's the duty of every home-maker to cast her ballot in every election. That's the way to help preserve our democracy.

"The power of prayer is also very important. We should pray regularly each day, trying to find some place where we can pray quietly, without interruptions.

"So if we keep the hearth, the hand ready to serve, and the place of prayer in mind as we go about our home tasks we realize the power and responsibility in our hands," she stated.

Urques Development Livestock Industry

KENTVILLE, N.S. (CP)—Agriculture Minister Chisholm Wednesday called for development of Nova Scotia's livestock industry as the province's basic industry. Speaking at a three-day agricultural extension workers conference Mr. Chisholm said that regardless of arguments to the contrary this is a livestock province, and livestock must be the basic industry.

Sources associated with the speaker, he said, accounted for by far the largest proportion of agricultural income.
