

Ice Water.—Doctors Disagree.

A celebrated physician says "All ice-water drinking is bad, also that a severe blow upon the body just over the solar plexus, which in good United States language means an important portion of the nervous system located just back of the stomach," will cause almost instant death, and he further says "the sudden shock caused by a deluge of ice-water into the stomach has exactly the same effect upon the solar plexus as the blow, and may cause sudden death by its action upon it and through that on the heart."

GRATEFUL-COMFORTING EPPS'S COCOA BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operation of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may catch a cold by a fatal shaft, by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

JAMAICA EXHIBITION, 1891.

AN EXHIBITION will be held in Kingston Jamaica, in January, 1891, of Island products, manufactures and works of art, together with exhibits of works of art, machinery and industrial and agricultural products from Great Britain, other countries and colonies.

In view of the geographical relation of the Island of Jamaica with the sea ports of Canada, and the nature and extent of the imports of Jamaica, as well as the products of the Island, the Government of Canada accepted an invitation of the Government of Jamaica to participate in such exhibition, with a view of obtaining an extension of markets for the products and manufactures of Canada.

The Canadian Government will undertake to pay freight of all approved exhibits. Entries must be made not later than September 30th next; and the latest date at which exhibits can be sent forward from Halifax, N. S., or St. John, N. B., is the middle of December.

Mr. Adam Brown, M. P., has been appointed Honorary Commissioner to represent Canada at the exhibition.

Forms of application and general information can be obtained on application to the Honorary Commissioner. Address: Department of Agriculture, Ottawa, or to the undersigned.

By order of the Minister of Agriculture. H. B. SMALL, Secretary Dept. of Agriculture. Ottawa, July 24, 1890. aug8—2i

All Right, 5817.

THIS SPLENDID HORSE is too well known to the breeders of Prince Edward Island to need any puffing. They all know what he is, and what a grand family of trotters and roadsters he has built up in the Maritime Provinces, where his stock have taken high rank, and are every year coming to the front. He is one of the very few horses in the provinces that contributed a representative to the 230 list in 1889, his son Charlie Mitchell having made a record, in a contested race, of 2.23 1/2.

ALL RIGHT, 5817, is the sire of George Lee. 2.23 1/2 Charlie Mitchell. 2.28 1/2 Black Pilot. 2.30 1/2 Black Bird. 2.36 1/2 Defiance. 2.39 1/2 Little Fred (trial 2.28). 2.39 1/2 Maud R. 2.40 Lucy Derrick (4 yr. old). 2.44 1/2 Nellie T. (trial). 2.35 George All Right. 2.41 Nellie. 2.45 and many other speedy and well-known trotters.

ALL RIGHT will stand at the Stables of Patrick Connolly, in Charlottetown, every week from Tuesday morning to Saturday morning at R. Y. McCoubrey's, New Glasgow Bridge, every Monday afternoon; and in Summerside every Saturday from noon till Monday at noon. If you want to raise trotters—and of course you do—breed to ALL RIGHT, and you will get fast trotters and first-class roadsters. NEWTON LEE. May 5, 1890—dy law w
