GEN. EISENHOWER ELECTED IN LANDSLIDE VICTORY

Island Swine Breeders Score At Winter Fair

Veteran Marshfield Breeder Heads Championship Winners

AMHERST, N. S., Nov. 4 — (Special) — Prince Edward Island swine breeders again proved their superiority in the Maritimes hog industry by sweeping nearly all the honors and prizes in the swine show at the Maritime Winter Fair today.

The Islanders' sweep this year was even more convincing than in past years. Today they won all the championships, reserves and first placings. Only placing to elude their grasp were three seconds, a third and three fourths. Fifteen classes were judged by Preston Hooker, of Ormstown, Quebec. The count of the Island breeders read 15 firsts, 12 seconds, 14 thirds and 12 fourths.

A veteran showman who has won far more than his share of high placings during the years, had the greatest amount of success today. It was Almon Boswell of Marshfield who won all the male championships along with the seven firsts, three seconds, three

fourths and two thirds. His boar Woodstock 126C, won the senior and grand male championship.

Roland Paynter of French River won the grand championship in the sows with Stewart 14 and his sow was also senior champion in addition Paynter showed the reserve junior boar and won two firsts, two seconds, two thirds, two fourths and two fifths.

S. C. Stewart and sons of Dunstaffnage made a very strong showing. They had the junior champion, reserve grand champion and three reserve champions. The Stewarts also picked up five firsts, five seconds, four thirds, three fourths and three fifths.

William Pound of French River won one first, two seconds, three thirds, a fourth and two fifths. He won his first in the class for sows 12 months and under 15.

Andrew Bain of French River showed one sow and placed second. Mainland prize winners in-

Democrats	127	230
Republicans	79	200
Other parties	0	1
Vacant	—	—
Doubtful	229	4
Total	435	435

Electoral Vote Standing

WASHINGTON, Nov. 4 — (CP) — At 1 A. M. E. S. T., with returns far from complete, Eisenhower was leading in 35 states having a total electoral vote of 381 as follows (state electoral vote in brackets): Arizona (4), California (32), Colorado (6), Connecticut (8), Florida (10), Idaho (4), Indiana (13), Iowa (10), Kansas (8), Maine (5), Maryland (9), Massachusetts (16), Missouri (13), Montana (4), Nebraska (5), Nevada (3), New Hampshire (4), New Jersey (16), New Mexico (4), New York (45), North Dakota (4), Ohio (25), Oklahoma (4), Oregon (6), Pennsylvania (32), Rhode Island (4), South Dakota (4), Tennessee (11), Texas (24), Utah (4), Vermont (3), Virginia (12), Washington (9), Wisconsin (12), Wyoming (3).

Stevenson was leading in 13 states with an electoral vote of 150 as follows: Alabama (11), Arkansas (8), Delaware (3), Georgia (12), Illinois (27), Kentucky (10), Louisiana (10), Michigan (20), Minnesota (11), Mississippi (8), North Carolina (14), South Carolina (8), West Virginia.

The electoral vote required to elect a candidate is 266.

Britain To Pay More For Australian Beef

CANBERRA, Nov. 4 — (AP) — Britain has agreed to pay more for Australian beef, Commerce Minister John McEwen announced today. He said that under the 15-year meat agreement Britain would pay 20 per cent more for ox and heifer beef and 10 per cent more for cow beef.

Bitter Debate Flares After Queen Opens British Parliament

By Alan Harvey
LONDON, Nov. 4 — (CP) — The Queen opened her first parliament today amid ancient pomp and ceremony but the pageantry quickly to push through bills denationalizing the steel and transport industries as announced previously by the Conservative Government. The speech also promised parliament would consider proposed increase in maternity benefits and hinted compensation for industrial injuries will be increased.

Socialists denounced the address in the following debate as a "wholly inadequate" document which failed to recommend a remedy for Britain's shaky economy.

Sharp Contrast

The bitter debate provided a sharp contrast to the almost fairy-like atmosphere of the state opening.

Huge photos of the smiling Queen on her way to parliament chased news of the United States presidential elections off the front pages of afternoon newspapers.

In the first great state occasion of her reign, Elizabeth showed no trace of nervousness. To a fanfare of trumpets, she rode in a horse-drawn coach through crowded streets with the Duke of Edinburgh beside her.

The royal couple, with fingers touching, walked to the throne as peers in scarlet and ermine watched in hushed admiration.

Seated under a gilded canopy,

Charlottetown Airport Runway Estimates Now Prepared For Approval Of Treasury Board

RICHARD M. NIXON who was elected to the vice-presidency of the United States yesterday.

OTTAWA, Nov. 4 — (Special) — The Treasury Board will decide in the very near future whether the main Parliamentary Estimates for 1953-54 will contain a vote for the extension of the runways of Charlottetown Airport, The Guardian learned here today.

It is understood that in the course of his visit to Charlottetown some time ago, Transport Minister Chevrier was much impressed with arguments presented to him at that time for enlargement of the present airport and recommended examination of the matter by engineers of the civil aviation branch of the Department.

The results of this re-examination was favorable to the extension project and departmental estimates now ready for submission to the Treasury Board are said to contain an item for an undisclosed amount for it. At the same time the Treasury Board, which is a committee of the federal cabinet, invariably makes some cuts in estimates of all departments, and this obstacle must be hurdled before the extension has official sanction.

Huge Expenditures

In view of the increasing use of both larger piston-engined planes and jet-planes, the department has been spending larger amounts some time ago, Transport Minister Chevrier was much impressed with arguments presented to him at that time for enlargement of the present airport and recommended examination of the matter by engineers of the civil aviation branch of the Department.

Aide To Railway Builder Dies In N.Y.

NEW YORK, Nov. 4 — (CP) — Linn M. A. Evans, 72, former aide to one of the builders of the Canadian Pacific Railway, died here yesterday.

Evans, a native of Montreal, attended McGill University and left to join the staff of Sir William Van Horne, one of the builders of the C.P.R. He accompanied Sir William to Cuba to participate in the building of another railroad and remained there to manage a sugar plantation.

He returned to New York in 1927 to work in the trust department of the Bankers Trust Company.

BULLETIN

SPRINGFIELD, Ill., Nov. 5 — (Wednesday) — (AP) — Governor Adlai Stevenson early today conceded victory in the election to Gen. Dwight D. Eisenhower.

Popular Vote Standing

WASHINGTON, Nov. 5 — (Wednesday) — (CP) — At 1 A. M. EST returns from 66,432 of 146,347 voting units showed the popular vote: Eisenhower 15,970,324; Stevenson 13,542,356.

Huge Tidal Wave Follows Siberian 'Quake'

HONOLULU, Nov. 4 — (CP) — A thundering 13-foot wall of water, spawned by a vast earthquake 3,500 miles away, burst today on the eastern north shore of Oahu in the Hawaiian Islands.

It was the fourth and largest tidal wave to hit Hawaii in little more than an hour.

The waves followed a seismic shock that raced at more than 400 miles an hour throughout the Pacific from a point in the ocean between Siberia and Japan.

On its way, the shock threw nine-foot waves at Adak in the Aleutians and at Midway in the Central Pacific.

The 13-foot wave on Oahu knocked down telephone lines and bowled over a United States navy photographer but he was reported uninjured.

In Honolulu harbor, on the Oahu southern shore and in the lee of the seismic shock, rising water tore a cement barge from its moorings. The barge struck a freighter, a glancing blow and caved in 25 feet of the freighter's rail and stanchions.

At Hilo on Hawaii Island a recently-completed \$13,000 territorial boathouse was demolished by a wave, the Coast Guard reported.

Coast guard buoys, weighing 10 to 12 tons, were torn from their moorings.

Hilo police ordered the evacuation of Keauhoua beach, badly hit by a tidal wave in 1946.

A spokesman for the U. S. Coast and Geodetic Survey at Honolulu said radio reports from Midway said 1 1/2 feet of water stood on airplane hangar floors and electric generators were out of commission.

Transocean Airlines in San Francisco said the wave had passed Wake Island by 4:36 P. M. E. S. T., and had caused no damage.

Fierce Battles Erupt Again In Korea

SEOUL, Nov. 5 — (Wednesday) — (AP) — The bloody battles for Triangle Hill and Sniper Ridge erupted in new fury early today after a day of uneasy frost-nipped calm.

South Korean infantrymen jumped off in a surprise attack on Triangle Hill just before dawn and within an hour had driven almost to the Red-held crest.

After fighting to hand-grenade range, they were pinned down by Chinese mortars and artillery fire 10 yards from the top.

Some 300 Chinese Reds assaulted South Koreans on Pinpoint Hill, top of Sniper Ridge about a mile away. They were stopped and fell into an exchange of rifle fire with the South Koreans at 200 yards.

House Control Uncertain

So heavy was the flood of ballots that counting of returns for the various congressional races was running far behind. There was no immediate, clear indication at 12:15 A. M. EST whether the Republicans would win control of the legislative branch of the government.

In two Senate races that attracted wide attention, Senator Joseph R. McCarthy appeared sure of reelection in Wisconsin. The Communists-in-government charges of the Republican whose tactics gave rise to the epithet "McCarthyism" were an issue in the 1952 election campaign.

In Connecticut, Senator William

More Than \$250,000 Loss In Pulp Mill Town Fire

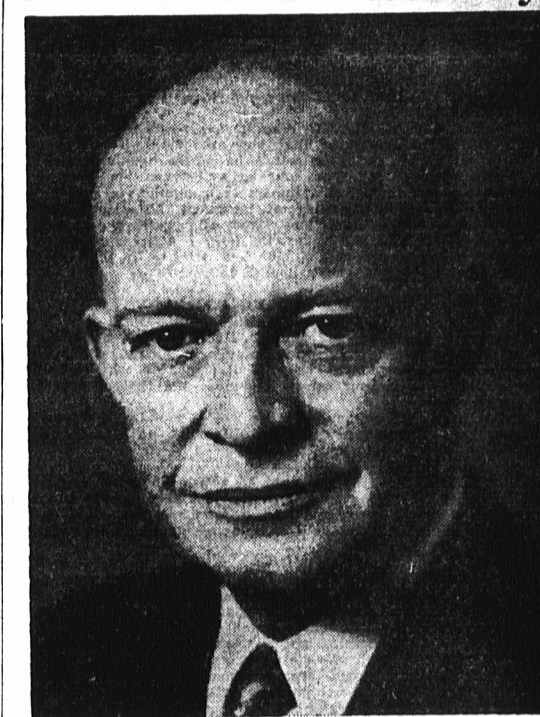

SMOOTH ROCK FALLS, Ont., Nov. 4 — (CP) — Damage was estimated at between \$250,000 and \$500,000 today in a fire which destroyed the three main buildings in this Northern Ontario pulp mill town.

It wiped out a Hudson's Bay Company store, an Abitibi Paper and Paper Company woods commissary and a municipal garage.

Blazing out of control for four hours, it razed the three attached frame buildings in this community 100 miles northwest of Timmins.

The Abitibi warehouse held thousands of dollars worth of

Democrats' 20-Year Rule At White House Came To End Yesterday

PRESIDENT-ELECT EISENHOWER

(By R. J. Anderson, Canadian Press Staff Writer)
NEW YORK, Nov. 5 — (Wednesday) — (CP) — The man who led the Allies to victory in Europe in 1945 was heading early today to his greatest personal triumph—the presidency of the United States.

The far west had not yet rendered its verdict and counting of a record number of votes was far from ended, but it seemed that nothing would keep Gen. Dwight D. Eisenhower out of the White House as the country's 34th President. He would be the first Republican President in 20 years.

The Republicans, in fact, were claiming a landslide victory in the presidential race though Eisenhower himself was silent on that score. Adlai E. Stevenson, the Democrats' nominee, was not yet conceding defeat. An aide said, though, that "It looks grim."

And a little later, word came from the Stevenson camp: "It's all over but the concession to Ike."
(From Washington came the report: "It clearly is a Republican landslide.")

The General captured New York State's 45 electoral votes, cracked the once solidly Democratic south wide open by winning Virginia and other Southern states and took wide leads over Stevenson in some of the heavily-populated northern states.

Eisenhower led in Kentucky and was running through the farm states of the midwest like a prairie fire. He was leading in Iowa, Kansas, Indiana, and even President Truman's native Missouri which the Democrats had been sure was safe for themselves. He won Stevenson's home state, Illinois.

With the far west still to be heard from, Stevenson led Eisenhower only in three big-population states—Pennsylvania, Michigan and Massachusetts.

With the far west still to be heard from, Stevenson led Eisenhower only in three big-population states—Pennsylvania, Michigan and Massachusetts.

- **Parkdale Players with "Up She Goes" will be at Morell Hall, Thursday, Nov. 6. Curtain at 8:30. Admission 50c. Everybody loves this show. Tickets available at Dingwell & Rossiter's, Co-operatives, Village Diner.

AMHERST, N. S., Nov. 4 — (Special) — Judging in what is being acclaimed as the best Ayrshire show to be held here in years got underway at the Amherst Winter Fair today and Island Ayrshire breeders more than held their own in the tough competition. Representing the Island Ayrshire men with their outstanding cattle are such breeders as A. MacRae and Sons, Central Royalty, Keith Boswell and Sons, Victoria, George Boswell, Frenchfort Col. F. I. Andrew, Charlottetown, and John Gillis, Forest Hill.

Fourteen classes were judged today and they gave judge Erskine Roger of Lachute, Quebec, plenty of headaches. Many of the classes contained a dozen Ayrshires and all of them were of high quality. Jerseys were being judged at the same time in another part of Bailey Arena, the judging of both breeds will be completed tomorrow, there are no Island Jerseys here.

John W. Gillis of Forest Hill, won the grand championship in the male classes this morning with his four year old bull Falruve Fashion Clansman. This bull also won the senior championship.

Dies From Injuries In Road Accident

Mr. Michael P. Murphy, 81, of South Shore, who was taken to the Charlottetown Hospital on Oct. 29 suffering from injuries received when struck by a car on the highway in the vicinity of his own home early that morning, died at 2 a.m. yesterday.

Coroner Dr. L. E. Broowe empaneled a jury which met at the Charlottetown Hospital at 2 p.m. yesterday and after viewing the remains proceeded to City Hall inquest until 7 p.m. Thursday, Nov. 13 at City Hall.

The jurors are Messrs. John Szotak, (foreman), Reginald MacDaniel, Robert Stewart, Eric MacGregor, Arnold MacLean, Everett Besgan and John Anthony Gallant.

Girl Hopes Operation Will Cure Burned Throat

By Steve Herder
Canadian Press Correspondent
ST. JOHN'S, Nfld., Nov. 4 — (CP) — An eighteen-year-old girl who hasn't tasted food for 15 years is soon to have an operation which may enable her to eat normally.

Fay Parsons of Sandy Point, a tiny settlement on Newfoundland's west coast, had her last meal when she was three years old. She can't remember how it tasted.

But after years of being fed through a tube inserted into her stomach, she is still alive... and hopeful.

Fay will soon receive treatment which may allow her to take food like other people. The Newfoundland Health Department is sending her to London where Dr. R. W. Raven will perform a delicate operation which may cure her.

Dr. Raven won't charge for his work. Hospital expenses will be paid by the Department.
