## Gardner Stops Woodcock To Win British Empire Boxing Championship

LONDON, Nov. 14 (CP)—Jack Gardner, 24-year-old prospect who has been fighting less than two years, tonight wrestled the British and British Empire heavyweight boxing titles from Bruce Woodcock by stopping the defending champion in 11 rounds.

Woodcock was unable to come out for the 12th round after taking heavy punishment from the challenger.

Gardner, with a 13-pound pull in weight and a five-year age advantage, hammered the champion's left eye into a puffy, bloody balloon.

This was the eye severely cut by Lee Savold when he knocked out Bruce in four rounds here last summer for the European version of the world heavyweight title.

Woodcock, 29, has held the British title since 1945.

Woodcock's highly publicized right hook shock Gardner occasionally but the winner's greatest staying power kept him in the fight and enabled him to unsettle the odds of 6-to-4 laid on Woodcock.

Gardner won the opening exchanges and was narrowly ahead on points for four rounds. Toward the end of the fifth round he landed a fierce right that slashed open Gardner's cheekbone. Woodcock went in for the kill in rounds six and seven but Gardner covered up foxily and awaited his chance.

Woodcock tired in the eighth, and Gardner, taking the championship about the head, won the next four rounds and forced Woodcock's manager to call a halt.

Gardner weighed 208 1/2; Woodcock 195 1/2.

Woodcock, who had held the championship since he knocked out Jack London, appeared to have reached the end of his fist career.

His manager, Tom Hurst, said: "It's highly unlikely Bruce will ever fight again."

Jack Solomons, who promoted the show in huge Earl's Court Arena, was more emphatic.

"His retirement is absolutely definite," he said.

In a preliminary, Don Cockell, British light heavyweight champion, won on a low-blow disqualification in the seventh round of a 10-rounder with Lloyd Marshall of Cleveland.

The Briton outweighed his opponent, 177 1/4 to 176 1/4.

## Villemain Wins By Knockout

ANTWERP, Belgium, Nov. 14 (AP)—Robert Villemain, French middleweight, knocked out Tommy MacFarr of Jamaica tonight in the third round.

Although he was handicapped by MacFarr's height and reach, Villemain floored his opponent with a series of right and left hooks midway in the round.

## S'ide Curlers

The adjourned annual meeting of the Summerside Curling Club will be held at the Curling Rink in Summerside on Monday, November 20th at 7.30 p.m.

## Millionaires In 11-4 Victory Over Glace Bay

SYDNEY, N. S., Nov. 14 (CP)—Sydney Millionaires, stung by their first defeat of the season last night, assailed Glace Bay Miners tonight for an 11-4 deluge in a Cape Breton Senior Hockey League game.

Glace Bay traded goals with Sydney for half of the first period and in the third, when each team scored three markers. But for the rest of the time Money-men had things their own way. They slapped home eight goals without a reply.

Despite the wide-open play, only minor penalties were handed out—something of a novelty in the high-spirited Cape Breton loop. Scoring was evenly divided, with no outstanding point-getters.

Sydney lost its first game of the season last night to last-place Northside Victorias.

Glace Bay: Goal, Woodall; defence, Dalgleish, Nickel; centre, Biggs; wings, Leger, Frezell; subs, Marshall, Gray, Gallagher, Bruce, Bonhomme, Watson, Vickery, Munderick, Pirie, Anderson.

Sydney: Goal, Pidsodny; defence, May, Rokeye; centre, Whalen; wings, MacIntyre, Birukow; subs, Berry, Hildebrand, Roach, Matthews, Bowness, Dinning.

One of their biggest puzzles to the opposition is the way they seem to be able to spread their scoring honors around with any number of combinations.

Friday night it was the Horeck duo and Bathgate combination with four goals that sent Halifax into a dizzy 7-1 defeat, with Pawlynszyn, Trainer and defence-man Duchak picking up the remaining tallies on the night's performance.

Moving to Moncton the following night the Horecks and Bathgate again started the ball rolling with Cecil "Bobby" Dowling and Bob Gray finishing it off for a 4-2 victory. The game, incidentally, marked the first one of the season with Islanders for Bobby and the last for Bob, who is now pulling his weight with Glace Bay Miners in the Cape Breton League in exchange for Marcel Clements.

Losing to Beavers at Saint John on Monday by a 5-3 count, it was Bobby and Mousey Dowling that pulled the brother act for the Islanders as well as the Horecks. Bobby notched two of the three goals on assists from Mousey, while Johnny potted the other on a pass from Danny. Running his count to three goals and an assist in two starts this season, we'd say Coach has already vindicated himself in the local product up with the club, even though he has used him sparingly to date.

A thing that seems to be puzzling fans here, is the ability of the Saint John Beavers to take the measure of the Islanders, yet still can't do anything more with the club for Bob, who is now pulling his weight with Glace Bay Miners in the Cape Breton League in exchange for Marcel Clements.

We do think, however, that one of the big reasons for Beavers' success over the Islanders is Dennis Brodeur in the Saint John cage. There is no doubt about it that he is a "hot" goalie and seems particularly so where it concerns the Islanders. Another good reason too, is Beaver's strong and smart defensive play, especially around the net. If you watch them closely you will see that they don't give the Islanders too many unhampered shots from a good scoring position, and when they do fall down in that respect, Brodeur is always there to come through in the clutch.

With three successive defeats at the hands of the Beavers it over-comes, you can bet your bottom dollar that the Chamberlain crew will be a going concern when they take the ice here Friday night against the Les Ramsay-coached puck-

sters. It will be the start of a reprisal movement on the part of the locals, we hope, and should prove to be a game that will be really worth seeing.

It is a bit of a riddle all right, but for the most part it is hockey all over. It usually boils down to a matter of comparison between styles of play, the breaks of the game and the many little peculiarities or circumstances of a particular game which makes hockey the great and popular sport that it is today. It is pretty hard to put your finger on the exact cause and many prefer to put it down to one team having the "Indian Sign" on the other.

Of the 308 football writers and broadcasters who voted, 66 placed Ohio State first. The once-beaten Buckeyes accounted for 2,412 points. Oklahoma polled 63 first-place votes and 2,261 points.

Army with 2,272 points, barely edged California for third. California's total was 2,126.

Kentucky with 2,001, was fifth. Then, in order, are Texas, Princeton, Illinois, Tennessee and Michigan State.

Ohio State, the big ten ruler, gained top position after a tinging 19-14 victory over a determined Wisconsin eleven.

TORONTO, Nov. 14 (CP)—Daniel Hans, M. suing William Filipuk for \$20,000 in a suit for alienation of affections, testified yesterday that Filipuk stole Mrs. Hans' love while he (Hans) worked a night shift. Hans said he came home one night and found Filipuk and Mrs. Hans in bed.

Monana, the eighteen-year old Standard Bred mare, owned by R. S. Humphrey, Kensington won the Feature Event of the Maritime Winter Fair Horse Show. "The Maritime Roadster Stake" with a purse of \$250.00. Other winners were: 2nd—Ann Clegg, owned by Geo. A. ## Visiting Old Home

Joe O'Brien (above) noted harness race driver, is home again in Alberton visiting with his wife, Joe's parents Harry and Mrs. O'Brien. It's a little over three years since Mr. O'Brien left for Foxboro, Mass., to pit his skill against leading American drivers at the newly opened track there. He accomplished so much that he received an offer from Sep Palin of Castleton Farm, Kentucky, to act as assistant trainer. He made good by winning the \$50,000 pace at Santa Anita, Calif., early in 1948 with the Castleton's pacer Indian Land.

Since then he has raced many horses on many tracks and his fame is now ringing throughout the harness horse world. He has been a leading driver in United States, has placed two horses in the two minute class and done many other notable things that have attested to his uncanny ability as a reinsman.

Islanders will then we are sure, give Mr. O'Brien and his very helpful wife, Betty, a very fine reception at the Alberton Institute Hall on Thursday evening. Father Monaghan who takes a great interest in all sports including harness racing is back of this big feature which is expected to be attended by hundreds of friends and admirers.

## Sport Echoes From Prince County

Councillor "Windy" Steele is leaving Summerside for the winter months to coach the Fredericton Capitals at the New Brunswick capital. Maritime fans are still mindful of the fact that Steele's achievements with the Moncton Hawks have not been duplicated since he left the Hub City. Unless something happens to counteract this favorable impression, "Windy" will continue to be much in demand by Maritime hockey clubs. It will be interesting to see how he will fare with the Caps, and the writer of this column wishes him the best of luck in his new venture.

Dame Runcr has it that a number of Summerside's intermediate hockey players are leaving the town to try their fortunes in other Maritime centres. Dillon McNally, Garry Gay, Charlie Delghan, Syd Bernard and "Mooney" Gallant are names of a most often banded about in connection with this proposed exodus from the "Rinkless Town of the Maritimes." Stellarton and Pictou are localities mentioned as possible centres for the above hockey players to show their wares.

Well, at least, we seem to have a very fine aggregation of juvenile talent here in Summerside, and the chances are pretty bright that these boys will stay with us throughout the winter, despite the rather un-congenial sports atmosphere hereabouts. It wouldn't surprise us a bit if those kids copied the Maritime title. Of course, they could run up against a super-duper team somewhere in the three provinces that would shatter that dream, but the chance is certainly worth taking.

The Charlottetown Islanders are back on the victory wagon again. That is, if they haven't fallen off while we are writing this. They're playing St. John and it could happen. We could be wrong, (we are a fair share of the time), but the way we see it, the chief musical note of the present Islander victory polka is the reunion of the Horeck brothers on the same line. These boys are just two more hockey players when they're separated, but together they're terrific. Together they even rejuvenate Frankie Bathgate and make him 20% better than par, which is saying a lot. Anyone who feels like contradicting us can go look at the scoring statistics of the last few games. (Just not the ones that the St. John Beavers have clipped the Charlottetown boys again. That makes it three in a row. It means a sure-fire thriller at the Forum Friday night, and probably a new record in attendance.)

## Have Little Trouble With St. Mary's Team In Game Last Night

Two quick goals by Cecil Dowling and Frank Bathgate in a space of 27 seconds of play in the final minute of the second period, paved the way to a 4-1 victory for Murph Chamberlain's Islanders over Halifax Saint Mary's here last night in a fast, rousing Maritime Senior Hockey League contest.

Played before a packed house, the game came up with plenty in the way of smart hockey that gave the cash customers more than their fill of smart action. The Islanders' victory sent them into a nine-point stranglehold on the league leadership over their second place last night's rivals.

Following up on a somewhat loose and scoreless first period, both teams really buckled down to playing smart hockey that saw the play go wide open and fast in the two remaining frames.

Playing an outstanding game for the Hallions, Bill Watson, with nemates Muckle Hollett and Danny Wilkes, opened the scoring at 13:50 of the second frame. Watson's goal came on a smart breakaway at centre ice on a long pass from defence-man Frank Grabowski, the former going right in to beat Gordon cleanly. Islanders were playing a man shy at the time, Johnny Duchak off for high sticking.

The one goal lead was short lived, however, when Islanders struck back in the closing minute of the frame. Bobby Dowling, notching up his fourth goal in three games, gave the equalizer on a smart attack with Travis and Duchak. Frank Bathgate denied the twins just 27 seconds later on the end of a two man attack around the net with Danny Horeck to reverse the advantage.

Outshooting their rivals eight to three in the final frame, Howard Beaudry lengthened the Islanders' lead to two goals at 6:27 when he banged one past an overworked D'Aoust on a three-man attack with Travis and Dowling.

Notching up his second goal of the game, Bathgate ended the scoring for the night at 18:22 on a smooth passing play. Kevin "Crusher" Conway, making one of his famous rink-length rushes, was knocked down at the Halifax blue-line but shoved the puck ahead to Johnny Horeck, who carried in behind the net and passed out to Bathgate. Picking a hole in the pass that a foot between D'Aoust's legs and the left goal post, the classy high-scoring drilled it home without hitting pad or post from about fifteen feet out.

Plays Two-way Game For Award

Playing a smart two-way game as both forward and defenceman to pick up two assists and displaying solid rearguard action, Larry Travis was a deserving winner of the "best player" award, a hat donated by Henderson and Cudmore of Charlottetown.

It was a big night for goalies Gordon and D'Aoust who had to really come up with stellar saves against fast, dangerous attacks by both forward sections at the end of smart passing plays. D'Aoust handled 26 shots on the play while Hal Gordon kicked aside 19.

Lineups:—  
Halifax: Goal, D'Aoust; defence, Powers, Brown; centre, Watson; wings, Wilkes, Hollett; subs, Grabowski, Buck, Miller, McGregor, Ford, Digger, Black.

Charlottetown: Goal, Gordon; defence, Duchak, Vitale; centre, Bathgate; wings, D. Horeck, J. Horeck; subs, McLagan, Travis, Conway, Trainer, Pawlynszyn, Clements, Beaudry, C. Dowling.

Referee: Swain, linesmen, Perry and Kane.

## Player In Picture Is Johnson

With reference to an article which appeared on the sport page of this paper in yesterday's issue in connection with the new 1950-51 hockey calendar put out by the Macdonald Tobacco Company, this sports department would like to make a correction.

It was learned from Bruce "Red" Favaro, right winger of the Islanders Hockey Club who is presently sidelined with rib injuries, that it is not his picture that appears with the player group of the Toronto Marlboros, last year's Allan Cup champions.

Although a member of that team last year, Favaro states that he was absent when the group picture was taken, and that the player in question is Bill Johnson as stated in the above mentioned calendar. He admitted, however, that there was considerable facial resemblance between he and Johnson but that "Johnson is a big six-footer and that sure isn't me."
