Dependable - Economical - Coal Burning

ENTERPRISE PIPELESS FURNACE

A Size For Every Home

INSTALLED

184.00 AND UP

These coal burning furnaces are designed and built to give you years of heating comfort. Modern in appearance and efficient in performance, they will burn coal, coke or wood. All cast iron construction with a galvanized exterior casing, heavy corrugated two piece fire box, the combustion chamber and feed section are in one piece. The radiator is a heavy casting put together with strong machine bolts. If you have a heating problem ask to have one of our experienced heating experts call on you.
