Ottawa, April 8.

A deputation of Maritime Province members waited on Sir John McDonald on Saturday and applied to have the subsidy continued for a fortnightly mail service between Halifax and Great Britain. No provision has been made in the estimates for the service, and should the application be unsuccessful it will be the first time in forty years that it has not been provided for.

The amount appropriated last year was \$19,600.

Sir John was also reminded by the deputation that the subsidy for the steamer *George W. Shattuck* which plies between Halifax and St. Pierre had been withdrawn.

Sir John promised to lay these matters before the Government.

New York April 8.

The steamer *Bermuda* from port Cabello, arrived badly injured by gales. On April 4th she spoke to the brig *Fleetwing* of P. E. Island from Cuba for Portland, under jury-masts—wanted no assistance.

Col. Kay was to-day elected as Mayor by a majority of 333 over Earle.

Cape Town, March 25, via St. Vincent, April 8.

A convoy of supplies proceeding from Derby in Lindina district, to Lunenburg on Pangola river, and escorted by 104 men of the 8th regiment, was attacked at daybreak on March 12th, on the banks of the Hombe river by 4,000 Zulus under Umbelime. Owing to previous alarm, the British were under arms, but were overwhelmed by the enormously superior force of the enemy.

Capt. Moriarty and 40 men were killed and 20 men are missing. The fate of the wagon drivers is unknown. 150 men of the Eighth Regiment subsequently proceeded to the scene of the fight and recovered a quantity of rockets and ammunition, and buried the dead. 20 wagons containing supplies were lost. The relief column for Ekora will start on the 26th March. A party of volunteers visited the battle-field of Isodula and found that the Zulus had left 100 wagons there, but had removed the guns and ammunition.

Ottawa, April 9.

Hon. Mr. Langevin has arrived in Town, accompanied by his private Secretary, and will leave on Friday by the Intercolonial Railway for Halifax, whence he sails by the *Caspian* on Saturday for England with reference to the Letellier matter.

London, April 9.

At the disaster to the British convoy on the Intombe river, besides the troops, it is thought the forty wagon drivers and followers were killed. Twenty-five Zulu corpses were found on the field of battle, and it is believed that many more were drowned.

Colonel Pearson signals from Ehowe that he can hold out ten days longer, till 4th April; that his provisions only are short and he has plenty of ammunition.

The dispatch says nothing of sickness. France and England will first approach the Khedive in a firm but friendly manner and afford him an opportunity to retrieve his deplorable blunder. Should he fail to avail himself thereof, the Porte will be seriously invited to take the matter into consideration.

The Sultan will be amply justified in calling upon the Khedive to resign.

At a meeting of the Marine Board, held here on the 8th and 9th inst., Capt. P. A. Scott, R. N., Chairman, Frederick A. Douse, of this city, and Allan McAnlay, of Pinnetta, passed satisfactory examinations, the former receiving a Master's certificate of competency, and the latter a Mate's.

The Sabbath School Branch of the Methodist Missionary Society will hold their annual meeting in the body of the Brick Church, Prince Street, on the evening of Good Friday,—chair to be taken at 7 1/2 o'clock. Several young men belonging to the schools will deliver addresses, and the School scholars will conduct the singing. A prominent feature of the meeting will be the presentation by the Secretaries of the different classes, of the amounts collected during the year. Over 50 classes will be represented. An interesting meeting may be expected.
