New Glasgow Team Wins Opener In Allan Cup Series

NEW GLASGOW (CP) — New Glasgow Rangers drew first blood in the Allan Cup quarter-finals here Monday night with a 4-1 victory over Hull Legion. The second game in the best-of-five series with the Ottawa district champions is scheduled here tonight. Ranger goals were split among Tommy Kaufman, Eugene Swartzack, Geno Scatolone and Ralph Cameron. Ron Limoges scored the lone Legion tally. Referees Alex Barilo and John Knud handed out 17 penalties, including a misconduct to Jim McDonald of Rangers. The 16 minors were divided evenly between the two clubs. RANGERS TAKE LEAD After a scoreless first period, Kaufman put Rangers ahead at 4:21 of the middle frame. The goal came after Legion goaler Fortin stopped Jim McNeil on a breakaway. Playing coach Leo Fahey picked up the rebound and flipped to Kaufman who lifted the puck over the sprawled netminder. Eugene Swartzack gave the locals a two-goal bulge when he batted Scatolone's rebound past Fortin late in the period. Scatolone and Swartzack combined again for the third marker at 3:54 of the final period. Swartzack's pass put Scatolone in the clear to the left of the net. He waited for Fortin to make the first move, then picked the short side with a high backhand. SUMMARY First period: No scoring. Supreme Court Agrees To Hear Boxing Clubs Appeal

WASHINGTON (CP) — The Supreme Court Monday gave the International Boxing Club another round in which to challenge a verdict that would drive it out of the fight promotion business. In a one-line order, the court agreed to hear IBC's appeal from a decision finding it guilty of monopolizing championship bouts. The action means the court will decide whether the punishment decreed by District Judge Sylvester J. Ryan in New York was too severe. Ryan last year ruled against the IBC clubs of New York and Illinois, James D. Norris and Arthur M. Wirtz—their principal officers — and Madison Square Garden, the New York sports palace. He held they created an illegal monopoly in the promotion of title fights from 1949 to 1953. As a result, he ordered the clubs to break up, and directed President Norris and Director Wirtz to sell their stock in the Garden corporation and resign as officers of the Garden.

CHICAGO (AP)—Middleweight champion Carmen Basilio arrived in Chicago Monday wearing a wide grin that reflected confidence in his March 25 rematch with Sugar Ray Robinson. The champion said he weighs about 153½ pounds. He will box only three rounds a day instead of six or seven. Bob Lord Fast Becoming Scrooge Of English Soccer

LONDON (CP) — Bob Lord, chairman of the Burnley Football Club, is establishing himself among sports writers as the Scrooge of English soccer. The hot-tempered official was almost unanimously blasted a month ago when he denounced the efforts of Manchester United to sign players after the disastrous Munich air crash. He was in the headlines again Monday with an announcement that the reconstituted Manchester side, beaten 3-0 by Burnley Saturday, "played like teddy boys." While there were no fancy waistcoats or bicycle chains in evidence on the field, the Manchester side was distinguished by occasional outbreaks of fisticuffs.
