Those mentioned most prominently as probable choices for secretary-general of Russia it will be possible to put them in the form of a resolution which could be communicated to the negotiators at Panmunjom as the basis for a settlement.

He noted that the U. N. command already has made suggestions for machinery to settle the prisoner issue including the sending of prisoners to a demilitarized zone under control of neutral countries.

The U. N. command proposal was put into concrete terms for the first time in the Assembly by Health Minister Paul Martin on Canada, Nov. 3, when he suggested that a "protecting power" made up of several countries should take over the prisoners for "release and repatriation."

The British leader noted in a review of world events during the last year that Communist propaganda has intensified in arousing hatred between countries. No progress had been made on the important problems of unification of Germany, a peace treaty for Austria, new U. N. memberships and disarmament.

Describes Nature Of Korean Fighting

"Korea is no cold war for the boys who are there. It is plenty hot and plenty uncomfortable," Major Andrew MacRae told the gathering at the annual Garrison M.C.O.'s Mess Dinner held last night in Parkdale Hall.

The major was the guest speaker last evening at the Parkdale Women's Institute in the hall for the annual event. He said that the Koreans some of their morals might well be looked up to by people here.

He said the newspaper stories of various tortures and atrocities practised in the country were not exaggerated. The Second World War veteran who recently returned from a tour of Korean service described his experiences there from a personal point of view.

Of the Koreans who worked with the units Maj. MacRae said they were excellent workmen who Continued on page 8

Would Mean - An additional eight-per-cent application was dismissed recently.

Less Costly Service - Mr. O'Brien said in his opening statement today that the proposed new method, by stabilizing rail earnings, would result in "less costly rail service" through enabling the carriers to get capital at cheaper rates.

Provincial counsel for two of the eight governments fighting the railway application—all except Ontario and Quebec—commented sharply on some of Mr. O'Brien's statements in the outline of his case.

The railway lawyer said that under the new system the "disputes, arguments, appeals and re-hearings" of the last six years would be completely avoided.

M. A. MacPherson of Saskatchewan, senior of the provincial counsel who have been battling against rate increases in that time, commented that this made it abundantly clear that those who had been raising issues in opposition to freight increases would be "sensored forever."

He also pointed to a statement by the rail counsel that the board not "confiscate" property and that confiscation would result if the railways could not get a fair return on their rail property investment.

This, suggested Mr. MacPherson, was importing law from below the border. (The U. S. constitution forbids such "confiscation." Canadian law does not.)

J. J. Frawley, Alberta counsel, said the railway opening showed that the carriers and their provincial opponents are "as far apart as poles."

"The opposition will be intense and prolonged," he promised. Fitzgerald, representing bereaved mothers, Premier J. Walter Jones, Mayor J. D. Stewart, C. M. Sinclair, President Charlottetown Branch Canadian Legion, Mrs. J. M. Davies, representing ladies Auxiliary, Charlottetown Branch Canadian Legion, Cpl. A. M. Johnston, R. C. M. P. S. M. McInnis, Air Force Association, a group of Nursing Sisters, the armed forces and the general public. Two soldiers, Vernon Burke, Charlottetown and John MacKinnon, Marsfield, laid wreaths recalling vividly mind the "Hot" war in Korea and the "Cold" war in Germany.

Burke placed his in memory of fallen comrades of the 25th. Brigade, serving with the United Nations forces in Korea, while MacKinnon remembered those who have lost their lives in serving with the NATO powers in Germany. Officers commanding the various units participating in the parade and ceremony at the cenotaph were: Lieut. K. A. MacKenzie, R.C. N. (R), Lt. J. D. W. Smallwood, R. C. S. C. Corps. W. Major C. H. Kydd, M.C., 28th L.A.A., Major E. Kennedy, P. E. I. Regt. (17 Recce) Lieut. Col. K. M. Johnston, E.D., 5 Signals Regt. R. C. Signals, Lieut. Col. J. A. L. Irwin, 21 Field Coy. The marching band was led by Lieut. MacLeod, Air Force Cadets. Pipes on parade were Pipe Major Burke and Frank Burke. The Recce Regiment band under the direction of Bandmaster Thomas McFarlane furnished the music during the parade and at the cenotaph ceremony. At the conclusion of the impressive ceremony the parade returned to the Legion Home via Grafton, Prince, Richmond and Grafton Streets. His Honour Lieutenant Governor T. W. L. Prowse took the salute from the base in front of the Provincial Building on Richmond Street. The Lieutenant Governor was accompanied by his Aids, Captain J. J. Connolly, V.R.D., Lieut. Col. A. W. Rogers, E.D., and Squadron Leader Prowse Lieut. Governor, Mrs. G. D. Allan G. MacMillan.

Urges Retaining Equipment On Public Squares

The Charlottetown Playgrounds Commission passed a resolution last evening, urging the City Council not to transfer the playground equipment from the City Squares to Victoria Park because of the need for handy and adequate playing material for children up to 9 or 10 years of age.

They added a rider however that Hillsboro Square might be eliminated as unsuitable for a playground area, in its present muddy condition, while King's Square and Connaught Square should be retained. Accommodation near the new wading pool at Victoria Park might be adequate for the equipment not otherwise used.

It was pointed out that considerable "rough stuff" was caused by older boys even up to 20 years of age, especially in the evenings when there was no supervision. These older youths might be required to confine their play to the Park area. There was a full attendance at the meeting which was held in the Physical Fitness headquarters on Euston Street.

Activities Of B.Y.C. Greatly Increase In Scope

The multiple fall and winter activities of the Basilica Youth Club are already underway and these activities have increased their scope so much during the past four years that they now serve as a big incentive to secure new members in the Club's current membership drive.

The club was organized back in March, 1949 with the aim of providing spiritual, cultural, athletic and social programs for the youth of the parish. The members have adhered to these aims only they have greatly increased the means of obtaining them since 1949.

The B. Y. C. now has the full use of the Holy Name Hall for conducting its winter sports program of bowling, basketball, badminton and ping-pong. Weekly competitions are being held over these various sports and well over 100 members are enjoying the advantages.

But the sports program does not stop here. In the winter months the boys will form a hockey team and in summer there is softball and tennis for both young men and women.

The social activities are conducted the year round. Wednesday night has been set aside as Social Night with the club members hold dances or parties at the hall. The attendance at these functions this year has exceeded the hopes of even the executive.

The Club provides many outlets for development in the spiritual field. Each month a Communion Mass for the members is held and members are invited to attend monthly spiritual meetings. Well known Catholic leaders are invited to give lectures periodically, religious films are shown and a Communion Breakfast is held each year.

And in the cultural field there is ample opportunity for members to develop their talent. Concerts are given at various times throughout the year and in the winter time the club members hold the Cultural committee is in the process of rounding up a cast for the Club's first play this season.

To conduct and arrange these various operations the club appoints a new executive each year. The current Club president is Mr. Lorne Arsenault and he has working with him John Walsh as vice president, Marie MacGuigan as secretary and Owen Kelly as secretary treasurer.

Other members on the executive are Charlie Cheverie, Wilf Butler, Abe Zakem, Ade Campbell, Helen Gillis, Pat MacNeill and Helen MacEachern.

A new venture started by this year's executive is the forming of a Junior B. Y. C. This is for the benefit of students in Grades IX, X and XI at St. Joseph's and Notre Dame Convents and Queen Square School. These younger members have been given the use of the Hall on Friday night and so far more than 100 of them have been attending the weekly programs.

And in addition to taking advantage of means to help themselves the Club joins in activities to help others. Each year they play an important role in promoting the Hospital Bazaar and at

Baptist Young People's Rally

With the Charlottetown Baptist Young People's Union as hosts, an Island-wide and enthusiastic B. Y. P. U. Rally convened Monday evening at the Charlottetown Baptist Church. The young people's societies represented were Summerside, Charlottetown, Hazelbrook, Montague, East Point. They chose their new president, Mrs. Robert MacKinnon of Hazelbrook. Betty Robertson of East Point was elected vice-president, and Margaret Dawson of Trigon and Charlottetown was chosen secretary-treasurer.

The Rally was chaired by Charles Ballew, president of the Charlottetown B.Y.P.U. Assisting him in the opening worship service was Windsor Brehaut who read the scripture and Harley Condon who led in prayer. Misses Barbara Rupert and Nancy MacNevin sang a duet. The B. Y. P. U. Rally was planned to coincide with the visit of Rev. J. Murray Armstrong, pastor of the Sussex, N.B. Baptist Church and president of the Maritime Young People's Union to speak at the Charlottetown Baptist Church Anniversary Services. At the Rally Mr. Armstrong delivered a strong scriptural message of expository preaching.

As a further part of the program, Florence Matheson related her interesting experience as the Charlottetown B. Y. P. U. representative at the Young People's Convention held in August at Acadia University and the Wolfville Baptist Church. The music at the Rally was provided by Organist Royston F. Mugford.

MUSKRAT BOOM

REGINA-(CP)-The Provincial Game Commissioner reports a large and remunerative crop of muskrats is wandering about Saskatchewan waiting to be picked off. Many have been killed by traffic this fall.

GRANGEMOUTH, Scotland-(CP)-A £40 engagement ring found by a sanitary inspector has this town baffled. Its discovery was advertised for six months, but so far the rightful owner has not been found.

Organized In 1949

Christmas times they help in the As can be seen the club has come a long way since its inception on the night of March 11, 1949. At that meeting Elmer Blanchard was appointed the first president, and Rex F. L. Case of St. Dunstan's was the first moderator. Mr. Leo F. MacDonald was the first guest speaker.

In succeeding meetings which were held every month the members set the age limit at 17-35 years to include both single and married people.

The first annual meeting was held on September 18, 1949 and the first Communion Breakfast in 1950. Other annual events instituted since then have been the bowling banquet, formal dance and the picnic.

The presidents since the time of Elmer Blanchard have been Louis Butler, Edward Laughlin, Vince King, Art MacInnis and now Lorne Arsenault. Father James Kelly succeeded Father Case as moderator and he in turn has been succeeded by Rev. Francis Corcoran.

To continue this steady forward progression the Club has launched its first membership drive. At present there are approximately 140 memberships but club officials feel this number could almost be doubled.

Heading this drive is the chairman of the membership committee Abe Zakem. Abe and his committee will be willing to discuss membership at the party in the Holy Name Hall tonight, at the bowling tomorrow night, at the teen-agers party on Friday night or at any time.

Island 4-H Club Members In Toronto For Big Fair

Twelve top ranking Island members of the 4-H Club arrived in Toronto yesterday afternoon to take part in the competitions at the Royal Winter Fair, accompanied by Mr. S. C. Wright, National President of the organization and Mrs. Ralph Manning, Assistant Supervisor of Women's Institutes.

Six Island clubs will be represented in the various competitions which along with the elaborate programme of entertainment provided, will keep the young people busy from this morning at 11 o'clock until 11 p.m. next Monday.

The clubs competing are, Tryon Clothing Club, represented by Imogene Howatt, Tryon and Elaine Smith, Victoria; New Haven Food Club by June MacPhee, New Haven and Thelma Willis, New Haven; Millicote Dairy Club, by Wilfred Stewart, Dunstaffnage and Wallace Wood, York, R.R. 1; C.C. Beef Cattle Club, by Norman Carruthers, Augustine Cove and George Murphy, Augustine Cove; Red Point Foultry Club, Bertie Robertson, East Baltic, Elwood Ching.

Charges Air

presented aviation's annual award, the McKee trophy, to the head of the De Havilland Aircraft of Canada Limited, Philip Clark Garratt. Mr. Garratt, 58, joined a succession of a dozen men who have earned aviation's recognition as outstanding contributors to the development of Canadian aviation.

He is managing director of a company which has produced three outstanding post-war aircraft—the Chipmunk, a single-engine trainer, the Beaver, a single-engine utility bush plane, and the Otter, a bigger version of the Beaver, which seats 14 passengers.

All three aircraft have won recognition in foreign countries.

Aviation Writing

The A.I.T.A. meeting today also put the spotlight on aviation writing. Awards for the writing contest of the aviation writers' association, an international body, were presented.

The prime award, for the outstanding story in all classes, including newspapers, aviation and popular magazines, and technical publications, went to Ron Keith, editor of Canadian Aviation. Alan Kent of the Toronto Telegram won top honors in the daily N. Y.

Souris East; Tracadie Garden Club, Joseph Lacey, Tracadie Cross P. O., George MacDonald, Tracadie P. O. The convention will be highlighted at the Saturday luncheon with an address by Gordon Graydon, M.P., at the Roof Garden of the Royal York Hotel, and at the annual banquet at 6 p.m. the same evening when the members will meet Foster Hewitt during the presentation of trophies.

An elaborate programme of entertaining features will carry the delegates to plants of nationally known firms in Toronto, Hamilton, and other Ontario cities. Attendance at a professional hockey game in the Maple Leaf Gardens, a visit to Niagara Falls and a bus tour of Ottawa, including luncheon at Chateau Laurier to be addressed by Rt. Hon. J. G. Gardiner, Minister of Agriculture are all on the agenda. His Excellency the Governor General of Canada will receive the delegates at Rideau Hall at 11.15 a.m. Monday, to be followed by a tour of the Parliament Buildings.

newspaper section, followed closely by Jim Hornick of the Toronto Globe and Mail.

Andre St. Pierre, described by the award chairman as "the dean of French aviation reporters," won the French-language newspaper award. Bob Francis, Vancouver free-lance writer, won the award in the popular magazine section, followed by Jock Carroll of Montreal's Weekend Magazine.

Ross Willmott of A.V. Roe Company of Toronto, was runner-up with Keith in the technical publications section.

TEMPORARY HAZARD

VANCOUVER—(CP)—Youthful vandals were blamed for a small dynamite explosion that tore a five-foot circle on the 10th green at the university golf course here. A stick of dynamite apparently had been buried near the centre of the green.

LONG SHIPMENT

VANCOUVER—(CP)—Between 15,000 and 18,000 long wooden pilings are being shipped to Nyack, N.Y., to form a foundation in the Hudson River for approaches to a bridge spanning the river from Nyack to Tarrytown, N. Y.

I took a sneak peek into the ladies' wear stock room this morning. Well, I spied some really cute around-the-house wearables—QUILTED COTTON DUSTERS with matching SCUFFS. They are of gay-Mexican cotton prints with solid colored linings and turn-back cuffs. The shoulders are raglan and the sleeves elbow length. These Dusters are dress length, they fasten down the front with smart link buttons and have Oriental necklines. The price is to your liking I think—just 11.95 for the Dusters and Scuffs. You'll be well-dressed and comfortable in one of these outfits (sizes are 12, 14 and 16), they're designed for wearing at home and they're to be found in the Ladies' Wear Department at Holman's.

DON'T take a chance on "just any deodorant" . . . not when you are able to get LENTHERIC DEBO in the Cosmetic Section. This is a spray deodorant and anti-presprant in a "squeeze" plastic bottle. Lentheric Debo is a light frothy liquid which dries instantly and is not harmful to fabrics. Lentheric Debo is priced 1.25 for the boudoir sized container. It's in the Cosmetic Section at Holman's.

UMPTEN and oodles of crackling smart SKIRTS at prices you'll gasp at . . . 2.98 to 5.95 they're on a long rack in the 5 and 10 Department. Straight slim skirts—gathered skirts—pleated skirts in size 12 to 20 and they're made of plain or plaid flannel (wool), jersey (wool), alpina worsteds (blend). There are heaps of colors from which to choose. Your extra skirt is here waiting for you in the 5 and 10 Department at Holman's.

START your Christmas shopping right today, by purchasing a BOX of CHRISTMAS CARDS from the China Department of the Summer-side Store. Boxed Christmas Cards are priced anywhere from 25 cents to 5.95 and there are some delightful greetings in the collection. Now, is a grand time to get your Cards before they're picked over and before there's a rush on them. The collection includes Christmas Cards by Grandma Moses, Carl Gartner, Norman Rockwell, Earl Bally and other familiar artists. For Christmas Cards make a bee-line to the China Department at Holman's in Summerside.

News From The "Y" Physical Program

With the on-coming of inclement weather and conspicuous absence of 'Old Sol' in the sky, a gradual up-surge in interest has been evident in attendance increases in each phase of the 'Y' program. Here is a run down of what is presently going on in this respect.

In the Junior Boys, group ages 12-14 years, a Leaders Corps has been set up. This is the first time that such a move has been made at the local Y. M. C. A. The Leaders Corps is a service group which assists in instructing and leading in their regular class sessions. Most Y. M. C. A.'s across Canada have such groups and together they form the National Leaders Corps of Canada.

Presently, there are forty-two boys in the Junior class from which six leaders have been chosen. They are Allan MacKenzie, Ernest Peake, Hugh MacLean, Jimmy White, Derek Dew and Merrill Johnson. These boys are on a one month probationary period at the end of which time, if they show the necessary qualities of leadership and physical ability, they will become full fledged members in the National Body.

The Intermediate boys, ranging in age from 15 to 18 years, have been organized into a club. The total enrollment in this group, now at thirty-five, has been divided into four teams, each with their own captain, to form the Y. M. C. A. Boys League. Various schedules have been drawn up, including basketball, volleyball, floor hockey and after school instructional sessions in each league schedule will be run off for each sport.

In addition to team games, there will also be individual sports such as badminton and wrestling. Each team competes against the others and the team having the highest point standing at the end of the 'Y' season will receive the Biker Shop trophy donated by the Biker Shop for annual competition at this age level.

The points system is set up as follows: a. Basketball—the team winning the league receives 100 points, 2nd place team gets 50 points, 3rd 25 points. In addition, each player and hence each team receives two points for each game he plays. Thus, the second or third place team, by high participation can receive as many points as the winning team with low participation. The importance of the 'poorer' players is thereby recognized and their role on the team becomes a pertinent factor in the success of his team. A team defaulting a game loses 50 points.

Interlocking schedules will be run throughout the year or Tuesday and Friday evenings from 7:00 to 8:30. There are still openings for more players if you act immediately so come ask about it. The executive of the leagues for this year is as follows: Pres.—Jack Ross, Vice Pres.—Don Large, Secretary—Roger Tanton, Tres.—Clinton Taylor, Advisory Committee—Malcolm MacFadyen and Mark Ladner.

The Junior program is being run like the Intermediate program. They have two instructional periods per week on Tuesday and Friday at 4:30. Saturdays from 9:30 to 11:00 A.M. will be used for league play in various sports. Incidentally, we haven't a trophy for competition in this age group and we will greatly appreciate any such donation.

Juvenile classes for boys 9-11 years are held on Tuesday and Friday at 3:30. For the first several classes attendance was poor but of late there has been an encouraging increase in members present.

Many have been enquiring regarding the Y. M. C. A. sponsorship of a senior basketball team. The packed gymnasium schedule has been cleared for an hour and a half two nights a week for purposes of basketball practices. These nights are Monday at 5:30 and Thursday at 7:00 P. M.. Any Y. M. C. A. members interested in playing for the Y. M. C. A. may turn out for practices at these hours commencing this week. In addition to gymnasium classes for boys and girls, there is a volleyball league on Wednesday, badminton on Monday and Thursday and a Square Dance Club on Wednesdays. Square dancing starts at 8:00 p. m. with an hour of instructions followed by two hours of dancing.
