

Tentative Dates Set Last Night For Lobster Carnival In 1957

Summerside will have a second annual lobster carnival in 1957 with tentative dates set for July 15th to 20th. This was decided last evening at a meeting held in the Town Hall of the various committees acting under the chairmanship of Mr. Edgar Cannon.

The following sponsoring clubs were represented by their appointed delegates who will act as chairmen of the committees in charge of various events and hold voting powers at the carnival committee meetings: Kinsmen Club, Clifford Ramsay; Lions Club, Buddy D'Amico (temporary); Y's Men's Club, John Ellis; Rotary Club, Frank

Daley; R.C.A.F. Association; Roy Johnston; Legion, Ben Champion. It was decided to invite Bill Lynch of the Lynch Shows to come to Summerside during October to meet with the committee with a view of making arrangements to have his shows stage midway attractions in 1957.

The meeting decided to request the commanding officer of R.C.A.F. Station Summerside, to inquire into the possibilities of holding the Air Force Day/T on July 20th in connection with the lobster carnival. Many valuable suggestions were brought up to make this coming carnival bigger and better than last years.

Among the proposed attractions considered were a long distance swim from Cape Tormentine Summerside, having a destroyer from the United States Navy visit Summerside during that week as well as a ship from the Canadian navy; a reunion of the P.E. Highlanders Regiment and of the 105th Battalion.

Chas. Linkletter Will Speak At Ont. Convention

Mr. Charles Linkletter, advertising manager of M. F. Schurman Co., Ltd., Summerside leaves this morning for Belleville, Ont., where he will address the Ontario Y's Men's regional convention as representative of International Association of Y's Men's Clubs.

Following this convention Mr. Linkletter will go to Winnipeg to attend the National Young Liberals Convention. He will go to the convention as a delegate from this Province in which he holds the office of provincial president.

The provincial secretary of the association, Mr. Neil MacLeod of Summerside will leave for the convention on Tuesday.

Resigns From Rink Committee

At a meeting of the rink committee held on Wednesday night for the purpose of completing arrangements for the skating bouts to be held in the Civic Stadium on October 3rd, the resignation of Mr. Charles Hogan as a member of the committee was tendered and respectfully accepted. It is understood that the resignation was tendered due to other commitments.

RECEVES SAID NEWS—Rev. Theodore Ross yesterday received a telegram announcing the death in Calgary, Alberta of his brother, Senator George H. Ross, after a short illness. Senator Ross was formerly of Ross' Corner, near Bedeque, and he is survived by his wife, one sister, Mrs. D.J. McCutcheon of British Columbia and one brother, Rev. Theodore Ross.

A FINE STAGE The pine floor stage is 25 feet deep and 60 feet wide at the rear, with a proscenium opening 30 feet wide and 14 feet high.

The red, white and blue footlights produce 3,600 watts and have three controls for fading or brightening, while overhead the two rows of border lights, also red, white and blue, produce 7,200

watts and are controlled by six circuits for presenting various lighting effects. A high fidelity sound system is located to the right of the stage, including a combination radio and phonograph. Two speakers are installed in the walls of the auditorium. From the wings of the stage or from the gym floor there is easy access to the ladies and gentlemen's dressing rooms located on opposite sides of the building on the ground floor.

The dressing rooms each contain five showers and adjoin the two washrooms. The ground floor, with ceilings of acoustical plaster, contains a small waiting room, a large play room for youth activities, with two small adjoining offices, a large room which has been set aside as a public library, a janitors room and the boiler room. The library has a separate entrance and has a sound system connected to the school, with which it will be closely associated.

The heating system is pneumatic ally with two 45 H. P. hot water, horizontal, return fire tube boilers supplying the heat from bunker "C", a petroleum by-product.

The building, which was started a year ago, is 124 feet long and 61 feet wide and was constructed by the M. F. Schurman Co. with Mr. Laurie Coles as construction superintendent.

Couples Honored By A. Y. P. A. Friends

A very pleasant evening was spent at the home of Mr. and Mrs. Walter Moore, New Annan, when the A.Y.P.A. of St. Mark's and St. Elizabeth's united to honor two former members, Miss Hope Mill (now Mrs. J. C. Pillman) and Robert Howard.

Mr. Pillman and Mr. Howard welcomed the guests and after a few complimentary remarks called on Mrs. John Moore to read an address. The presentation of a Bible to each couple was made by Laurette and Clayton Mill.

Mr. Ingham welcomed the guests and after a few complimentary remarks called on Mrs. John Moore to read an address. The presentation of a Bible to each couple was made by Laurette and Clayton Mill.

Grandmother To Wed; Will Take House With Her

VIVIAN, Man. (CP) — Mrs. Marcella Warren, 57-year-old grandmother, sat in her five-room house Wednesday and explained how she plans to remarry next month in the same house but 200 miles away in Fort Frances, Ont.

The little white home will start moving east as soon as a contractor discovers a way of routing it.

For Mrs. Warren, whose house seems to follow her wherever she goes, the long distance move won't be new. And Art Gosselin, 59, of Fort Frances will be bringing his bride-to-be home literally "lock, stock and barrel."

Mr. Gosselin, widowed five years ago, met Mrs. Warren, whose husband died two years ago, while working near Vivian this spring.

Y's Men's Club Make Plans For Active Season At S' side

Some 350 people from many parts of Prince and Queens Counties heard a dramatic story of the development of a new movement in leadership training at a rally in Trinity United Church, "Bob" MacLaren told of the growth of the Christian Workers Centres of the United Church of Canada at Tatamagouche, N. S., Paris, Ontario, Fort Qu'Appelle, Sask. and Naramata, B.C.

Of the purpose of the centres, he says, "We do not try to train professional workers. Rather, we take young people from the farm, business, forest and school and give them background training that will open new doors for them. We are here to help them feel the nearness of Christ and to know that they belong to God's universe and have a part to play."

The rally, one in a series of nine throughout the Maritimes, was planned on an Island Presbyterian level to include all the Western part of the Province, with a similar rally being held tonight in Montague.

The special speaker, himself principal of the centre in Naramata, B.C., was accompanied here by Mrs. MacLaren and A.C.T.C. principal, Rev. John T. Stewart. Rev. S.H. Haslam, Margate, chairman of the P.E.I. Presbytery was chairman for the service. Rev. J. H. Kean, O'Leary, read the scripture text. Rev. L.D. Archer, Tryon, offered prayer. The United Church choir from Kensington, directed by Rev. L.M. Murray, formed the choir and also sang the anthem.

Mrs. Eric Sheen, Summerside, was organist and accompanied Mrs. Erland Ramsay, Summerside in vocal solo.

Members of Summerside Y.P.U. acted as ushers, as well as assisted the W.A. of Trinity in serving a lunch following the service in Epworth Hall.

Words of appreciation were spoken thanking the press, church, and leaders for their assistance and co-operation.

Leadership Training Rally Is Held In S' side United Church

At the first meeting in the newly enlarged and renovated Y Centre on Green St., the Summerside Y's Men's Club had as speaker last night club member George MacLennan, who reported on his attendance this summer at a Y.M.C.A. leadership course held at Lake Couchiching, Ont. He will be this year acting as mentor to the H-Y Group sponsored by the Y's Men. The speaker was introduced by the chairman for the meeting, Bill Warwick, and thanked by Clarence Mercer.

That the Y's Men are in for a busy season, was evidenced by reports given the club in regard to the annual fiddling and step dancing contest, the House of Harmony Quartet, plans being made to hold the Y's Men's district convocation in Summerside, and reorganization of the Y's Men sponsor of Boy Scout troops and Wolf Cub packs. Ken Walker reported that the fiddling and step dancing contest will be held in the new civic auditorium on October 13th, with nine-year-old Ernest Hicks, Maritime step dancing champion giving a special exhibition. Trophies for the contest have been donated by Reves Bros. of Freetown, The Flower Cart and George Clarke of Summerside. MC's for the contest will be Bob Hogg and Ken Walker.

John Leuty told the club that it is hoped to have the House of Harmony Quartet appear in Summerside on October 24th, although this date has not yet been confirmed. This group has performed under the sponsorship of the Y's Men in previous years under the name of The Cabin Boys.

District Governor Frank Cameron stated that a district convocation has been planned for Summerside on November 3rd with the Summerside Y's Men as host club. Bill Warwick called for volunteers from the club to deliver advertising circulars, along with H-Y Group members this Saturday, this being one of the club's money raising projects.

Willard Hogg, club treasurer, reported that the extension to the Y Centre had cost in the vicinity of \$5,600. Clarence Mercer called for a vote of thanks from the club to the members of the building extension committee, who he said had done a marvelous job.

Frank Cameron stated that a Wolf Cub leadership course would be held in October, and a Boy Scout leadership course on November 16, 17, 18. Volunteers to act as Cub and Scout leaders this year:

W.M.S. Presbyterian Sessions At Summerside Are Continued

Continuing its session from Wednesday, the Woman's Missionary Society (eastern Division of the Presbyterian Church met again yesterday morning in its third session.

Led by Miss Winston of the Miramichi Presbytery, the meeting opened with an inspiring devotional service. Reports were then heard, first from the home mission secretary, Mrs. Gordon Stephenson, Sydney River, from the children's work secretary, read by Mrs. Stephenson, while Mrs. Stephenson's report was supplemented by brief reports of the Coverdale Home for Women and the Maritime Home for Girls, given by Mrs. George MacKay, Moncton and Miss Jean MacGregor, New Glasgow, N.S.

These homes, though spoken of sometimes as corrective, seek to give Christian training and help to women and girls committed to them.

Mrs. Stephenson paid tribute to Miss Ethel Bennett, deceased, a faithful deaconess in the Caledonia—Glace Bay field, after which she gave a resume of the general work of the W. M. S. Board. (a.d.).

A brief talk on literature for children's work was given by Miss Margaret MacDougall, regional secretary and a discussion followed on the general needs of the work along these lines.

The home helpers secretary, Mrs. M. G. Archibald, gave her report followed by a long discussion on changes to be made in the constitution of the society. At 12:30 the meeting closed to re-convene at 2:00 p.m.

AFTERNOON SESSION

Following devotional service conducted by members of Picton Presbytery, the business resumed. A report from the editor of the "Presbyterian Message" followed by a business statement from Mrs. A. Coldwell, Sydney Mines came next with discussion following. Mrs. Ingham, port worker, Halifax, gave a most interesting report on her work. Other reports received were from Miss Cummings, retiring port worker, Saint John, Mrs. Stavert, literature secretary, Mrs. Jardine international secretary, while Miss Anna Macdonald, missionary from British Guiana spoke briefly on Wednesday afternoon.

One new officer, Mrs. Lawrence Sutherland, Tatamagouche was appointed to replace Mrs. A. Coldwell, business secretary for "Presbyterian Message."

Otherwise the nominating committee brought in the same slate of officers for 1956-57. Allocations of funds for home and overseas work included special work in British Guiana, Japan, India, Nigeria and Formosa, while the home work had a few additional grants.

The president's address was inspiring and helpful.

Rev. J. Donald MacKay installed the officers in an impressive service.

The credential committee reported a total of 155 visitors, board members and delegates registered.

The resolution and courtesy committee expressed gratitude to God for all His goodness, with grateful thanks to each and every one who helped to make this annual gathering a memorable occasion.
