THE QUEEN'S DIAMOND JUBILEE

The movement in Canada to found the Victorian Order of Nurses is quite similar to the movement in Great Britain by which the Queen's Jubilee Institute for Nurses was founded in 1887.

"Queen Victoria's Jubilee Nurses" have now been at work nursing the poorest of Her Majesty's subjects in their homes for six years.

The extension of the work to every town and district in the United Kingdom is only a question of money, and it is towards this object your help is invited.

"Queen Anne's Bounty" is part of our national history. It is hoped that "Queen Victoria's Nurse" may be made equally so.
