The bidding: South West North East
1 ♠ Pass 1 A Pass
2 NT Pass 3 NT
Opening lead—five of clubs.
This hand was once played in a duplicate pair game. At most tables the final contract was three notrump. In every case but one, the contract was defeated.
At some tables, the final contract was four spades. This was defeated when East opened a club and the defense took three club tricks and the ace of diamonds. It is a close question whether North should respond to the two notrump bid with three spades or three notrump. But our story does not concern itself with the bidding, but rather with the play. Where three notrump was the contract, West opened a club which South won with the jack.

DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
I S L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.
