RECEIVED at SKINNER'S MEDICAL WAREHOUSE. One Case of genuine WORCESTERSHIRE SAUCE—For Sale cheap. Dec. 11.

To the free and independent Electors of the First District of Prince County.

GENTLEMEN—

HAVING been chosen by the Majority of the House of Assembly to fill the office of Colonial Secretary, under the new system of Government, and his Excellency the Lieut. Governor, in accordance with the wishes of that Majority, having appointed me thereto, my seat in the Assembly has become vacant, and I am required to go back to you, in order that you may ratify by re-electing me, the selection which His Excellency and the Majority of the Assembly have made.

You are no doubt aware, by the published proceedings of the Assembly, that I recorded my vote against giving retiring allowances to the Attorney General and Colonial Secretary. This vote was given by me with much reluctance, but in strict conformity with a pledge I had made to you. I regretted having given this pledge, inasmuch as it compelled me to appear in opposition to that party with whom I have uniformly acted—for, were I not restrained by my pledge, I should have cheerfully voted with the Majority; because I cannot deem that the concession made by the Assembly, and demanded by the Lieut. Governor, in compliance with his imperative instructions, ought to be put in comparison with the immense advantages which will accrue to this Colony from the introduction of Responsible Government. It is not necessary that I should particularise these advantages on this occasion, as I have no doubt they are well understood by most of you, and as I will have a better opportunity of entering into a full explanation of them, should that be required, at the time of the election. Suffice it to say that, independently of the great privilege which the people now possess, under the truly British system of Government conceded to this Island, of controlling the administration of their own affairs—Imperial revenues to the amount of nearly two thousand pounds, hitherto beyond the controul of the Legislature, have been surrendered to the Colony.

In conclusion, I trust that my past conduct is a sufficient guarantee that I have not abused the confidence with which you have honoured me; and cheered by the consciousness of having faithfully discharged my duty, I am now emboldened to solicit your suffrages at the ensuing Election.

I have the honor to be, Gentlemen,
Your obedient servant,

JAMES WARBURTON
