

Heads Institute of Chartered Accountants

Mr. A. Emile Beauvais, C.A., of Quebec, (above), who has been elected president of the Canadian Institute of Chartered Accountants, at the Institute's annual convention in Banff, Alberta, Mr. Beauvais, a native of Quebec, is senior partner of a prominent Quebec firm of chartered accountants. He is a past president of the Quebec Institute of Chartered Accountants, and is well-known as a director of several companies and as a former director of the Quebec Board of Trade. He has been a member of the executive of the national body of chartered accountants for many years, and in 1948 was the official delegate of the Canadian Institute of Chartered Accountants at the International Congress on Accounting which was held in Paris.

IN MEMORIAM

MR. HECTOR MacKAY

The news of the passing of Hector MacKay of DeSable on August 13th, 1951, was heard with regret by a host of friends and acquaintances.

Son of the late Hector MacKay and his wife Mary Ferguson, he was the youngest of a family of eleven. He was born at DeSable June 23rd, 1877 and spent his whole life there.

A life-long member of the church of Scotland, and one whose entire life was devoted to its well being, he will be greatly missed in that respect, as one who took a leading part in all church affairs.

For many years he performed the duties of Church Secretary for DeSable and was also Secretary for the Western Parish for a time. His home was noted for its hospitality to friends and strangers alike and many indeed there are who will fondly remember their happy associations there.

A successful farmer and one who was interested in progressive farming, he, with his brother James operated an Illustration Station for a number of years. His devotion to family life, his unflinching hospitality and Christian outlook on life will not be forgotten by those who knew him best.

There are left to cherish the memory of a kind and loving husband and father his wife, and six daughters. Charlotte at home; Beatrice, Mrs. Roland Buchanan, Churchill; Mary, Mrs. J. Albert MacDougal, Argyle Shore; Elsie, Mrs. Jack MacEachern, Appleton Road; Katie, Mrs. Douglas Affleck, Lower Bedouque; Reta, Mrs. Neil Campbell, Elmwood. Also one brother James at home and one sister Mrs. Abijah Burns, Lower Free-town.

The funeral service which was largely attended was conducted by Rev. Donald Nicholson, assisted by Rev. L. S. Woolfrew, both of whom were officiating.

The hymns sung were "The Lord's My Shepherd" and "Take Comfort Christians." Rev. M. Nicholson sang very feelingly "Beyond the Sunset."

The pallbearers were Ernest Holm, Dan Dart, Duncan MacKinnon, Melville Bell, Russell Ferguson and Hector MacNevin.

The floral tributes were as follows: Pillow—Wife. Wreath—Beatrice and Roland, Reta and Neil. Double Spray—Charlotte, Mary and Jack. Wreath—Katie, Douglas and Family.

Wreath—Elsie, Jack and Family. Spray—Jean, Elsie and Morris. Wreath—Lauretta and Alex MacLeod.

Wreath—Pupils of Kingston School. Spray—Lady Argyle L. O. B. A. Spray—Mr. and Mrs. Mack MacPhail. Spray—Messrs Harry, Jack and Wilfred Campbell. Spray—Mildred and Peter MacEachern.

Spray—The Willis Family. Spray—Marion and Donald MacKenzie. Cut Flowers—Mr. and Mrs. Neil MacDougall and Family. Mrs. Pearle Affleck. Mr. and Mrs. Orville Johnson. Mr. and Mrs. Victor Willoughby. Interment was in the family plot at Argyle Shore.

Strange But True

By F. H. MacArthur

Every man in the British Navy gets his daily issue of rum. If a man does not wish to draw his grog he is credited with 3 pence a day in lieu. Petty officers get their rum straight, while other ratings get a diluted drink, made up of two parts of water to one of rum.

If the moon traveled the exact path of the sun and the earth we should have an eclipse of the moon at every full moon. In other words, we'd never see a full moon.

It is an amazing fact that once in every 22 or 23 years we have a month without a full moon. Why? Because the "lunar month," the complete time taken for all the phases, is just over 29 days, whereas our shortest month, February, is only 28 days. So every 23 or 24 years, it depends partly on leap years, the moon cannot show its full face during February. It makes up for it by having two full moons in March.

During the last war, ships exchanged gunfire at ranges of fifteen miles and more. This long-range gunnery was made possible by means of the radar range-finder.

Who are privileged to drink the King's health while sitting? Answer: The Navy, because in early days the cabin roofs were so low that the men could not stand up straight, throw back their heads and drink.

Most of us have heard potted meat called "Fanny Adams." Just how did the nickname originate? Back in 1867 Frederick Baker was hanged for the murder of a young girl named Fanny Adams. The name was originally given to canned mutton.

IN MEMORIAM

In loving memory of our dear Father and Brother, who passed away, Alexander Logan, September 6th, 1933; Kenneth Logan, December 24th, 1931.

Those whom we love go out of sight. But never out of mind; They are cherished in the hearts, Of those they left behind.

Dear ones, who left us lonely, Watch us through the gates ajar; There a Father, there a Brother and Sister, Gone within those gates ajar.

Away in the beautiful garden of God, By the valley of rest so fair, Sometime, some day, we know not when, We'll meet our loved ones, there. Lovingly Remembered by Charlie and Garnet.

now adorns the officers' mess. One would naturally think the title of cheese champ would go to a rat or mouse. Not so. A Persian lawgiver named Zoroaster lived on nothing but cheese for 30 years.

Gentle Laxative — Mild Antacid

KIDNEY ACIDS Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves"—when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Dodd's helps the kidneys so that you can rest better—and feel better.

Chevrolet alone offers this complete Power Team!

POWERGlide Automatic Transmission*
First... finest... and only fully proven automatic transmission in the low-price field. Gives you simplest, smoothest, safest no-shift driving at lowest cost. No clutch pedal—no gearshifting—not even a hint of gear changes in forward driving! And—outstanding as it is—PowerGlide is only one member of Chevrolet's marvelous automatic power team.

Extra-Powerful 105-h.p. Valve-in-Head Engine
PowerGlide is coupled with the most powerful engine in the low-price field—Chevrolet's extra-efficient 105-h.p. Valve-in-Head Engine. It marks the highest development in Chevrolet's thirty-nine years of concentration on Valve-in-Head design—trend leader for the industry—and brings you the finest combination of power, efficiency and dependability in its field.

EconoMiser Rear Axle
Still another feature of this automatic power team—and a vitally important one in the maintenance of fuel economy—is Chevrolet's EconoMiser Rear Axle. Rear wheels travel farther at each engine revolution... fewer engine revolutions and less gas are required at highway speeds. And, of course, this means traditional Chevrolet economy in over-all driving.

Oil Does It All!
Oil replaces gears in the PowerGlide Automatic Transmission. There's no direct mechanical connection between engine and rear axle. You have an infinite number of drive ratios, and the engine automatically selects the right one. Results: A smooth, unbroken flow of power... *relax velocity* at all engine speeds... and finest no-shift driving at lowest cost!
