ROLLER SKATING is all the rage in Moncton.

FROM MONTREAL.—The Miramichi called here on Saturday.

POLICE COURT.—This forenoon the Scott Act case against John Joy was adjourned until Wednesday.

S. OF T.—Victoria Division meets to-night in Wright's Hall, Prince Street, at 8 o'clock. Visiting brethren always welcome.

ARBOR DAY.—Friday last was Arbor Day at St. Dunstan's College. A number of trees were planted, and the grounds improved.

ST. DUNSTAN'S COLLEGE.—The closing exercises of St. Dunstan's College will be held in the Lyceum on the evening of the 19th June.

JUVENILE TEMPLARS.—Special meeting to-night at 6 o'clock in Wright's Hall to arrange for picnic on Queen's Birthday. By order of the Superintendent.

NOTICE.—Friday being Queen's birthday the dry goods stores, tailoring establishments, and boot and shoe stores in the city, have agreed to close for the day.

THE SALE of the celebrated "*Tyke*" serge in this country has more than doubled during the past season. Every 2½ yards yards of the genuine is stamped "*Tyke*."

MASONIC.—Special meeting of Victoria Lodge, No. 2, A. F. & A. M., this Monday evening at 8 o'clock. E. P. Degree. Brethren please remember. Strangers welcome.

ANOTHER STEAMSHIP.—The S S Tafna arrived yesterday from St. Michaels (Azores) with the Ralph B. Peake's cargo to Peake Bros & Co. After discharging here she will leave for Newfoundland where she will load ore for a United States port.

MORE SUMMONSES.—Three Scott Act summonses were served on Saturday, the recipients being James Cummings, Charles D. Collings and John Dunn. Cummings summons is for a first offence, and the other two are for second offences. They are returnable on Wednesday.

SCOTT ACT.—The necessary number of signatures having been obtained, the petition asking for an election for the repeal of the Canada Temperance Act in the County of Westmoreland, New Brunswick, will be forwarded to Ottawa as soon as the formalities usual in such cases have been attended to.

EXCURSION FROM CHATHAM.—The Chatham correspondent of the Moncton Times says: "Several of the young sports of the town leave next week in Mr. Snowball's excursion boat, the St. Nicholas, for a trip to Charlottetown, P. E. I. They propose to start on the evening of the 23rd and return on the 27th of May."

PHILHARMONIC HALL.—The Railwaymen's Meeting yesterday afternoon, in Philharmonic Hall, was largely attended. Miss Bartlett's address on the parable of the Pharisee and Publican was earnest and full of instruction. At the close of the church services an evangelistic service was also conducted by Miss Bartlett.

CAPES TRAFFIC.—It is reported that the steamer Mayflower is to be put on between Cape Tormentine and Summerside, P. E. Island., in a short time. The Mayflower is a good-sized boat, and has been hitherto employed at the Strait of Canso. She is owned by Amherst parties. Manager Harris, of the N. B. and P. E. I. Ry. does not know that any definite arrangement has been made as yet.—Chignecto Post.

A STRANGE CASE.—A young man named Arthur Davies is under treatment at Buffalo, N. Y., for a singular complaint. It seems that he has been unable for years to sleep in bed, and takes repose standing in a corner, propped up by the right angled walls of the room. He never walks in his sleep, but occasionally in dreaming will topple over on the floor with a crash that wakes him and all inmates of the house.

MONCTON'S NEW LOAN.—A Moncton despatch says: Tenders for the new city loan, three hundred and fifty thousand dollars, running 30 years, at four per cent, were opened on Thursday. The whole amount was awarded to the Bank of Montreal at 96¼. There were several other tenders. There is no sinking fund attached to this loan, but the bonds will be extinguished by annual drawings commencing after the first five years.

ASSAULTED AND ROBBED.—About eleven o'clock last night, as Mr. Martin Hogan, of this city, was walking along Sidney Street, between Queen and Great George Streets, he was attacked by five men and robbed of fifty cents, all the small change he had about him at the time. Some notes which he had in an upper vest pocket were fortunately overlooked by the highwaymen. Mr. Hogan was knocked down and kicked, and stones were thrown at him. He was forced to run into a house in the neighborhood for protection.

AN ACCOMPLISHED NOVA SCOTIAN.—The Stellarton correspondent of the New Glasgow Enterprise writes: Alex. McPherson, son of John McPherson, stone cutter, who is home after an absence of nine years, has travelled extensively in every state of the Union. Mr. McPherson, in speaking of the monster growth of vegetables in California, says that while in Los Angelos, Cal., a man who was growing pumkins hearing a voice in one of them, cut it open and found a big sow inside with a litter of little pigs. The sow had eaten her way in from the end and made a pen of the pumpkin.

ISLANDER KILLED.—We hear with regret that Mr. Joseph Murphy, formerly of Southport, was accidentally killed at Winters, Cal., recently. It seems that Mr. Murphy, who was engaged farming, was driving along the road on top of a high load, when the forward wheels of the vehicle caught in a deep rut, causing the team to stop suddenly, throwing him violently to the ground breaking his neck. Mr. Murphy was reading a letter from his sister at the time he was thrown from the load. The letter was found on the road near where the accident occurred. The deceased was about thirty-five years of age, and left the Island eight years ago. He was well and favorably known to many persons in Charlottetown.

QUESTION OF THE DAY.—Have you been to the physiognomist?

PASSENGERS MOVING.—There were eight passengers crossed over in the Northumberland to Point du Chehe Saturday, and eighteen returning.

THE BEST YET.—The Northumberland arrived here at 3 o'clock Saturday. This, we understand, is the best trip that she has made.

BAND PRACTISING.—The Summerside Band are practising and hope to give the public some nice music in the near future. The people of the town should help the band along. They must have funds to buy music, &c. When Mr Lefurgey has been kind enough to present the town with a $500 band, the people, we know, will help to support it.

PERSONAL.—Mr. J. M. Clark, of the firm of Schurman, Clark & Co., arrived home Saturday evening. He has been to Miramichi buying lumber for his firm. We understand he sold several horses while there.

Dr. Darrach and Son, Kensington; were in town Saturday.

Mr. J. J. Davies, Charlottetown, was here on Saturday.

Mr. W. H. Longworth, Charlottetown, was in town Saturday.

Mr. James Pender, St. John; was a passenger on the Northumberland on Saturday evening.

Messrs. E. H. Wright and J. M. Clark, of this town, who have been away on business, returned home Saturday.

NEW DRUG STORE.—Mr. J. A. Gourlie's new drug store has been completed. Messrs. Schurman, Clark & Co. had the contract for the woodwork and Mr. Soby has given it the artistic touches. It is a magnificent store, being principally finished in ash trimmed with cherry. The counters are of birch, and it makes a splendid appearance. Mr. Gourlie is moving today, and it is evident that he is not going to be behind the age. The Eclectic Bookstore will occupy the other half of the store, and expect to move in about the first of June.

CONTRACT AWARDED.—The Bank of Nova Scotia have awarded the contract for building the vault and fitting up the store now occupied by T. J. and M. L. Walsh, for their banking business. The store is to be done in white and gold, costing somewhere in the vicinity of one thousand dollars.

A GREAT ATTRACTION.—The merry-go-round was not working Saturday evening on account of the rain. It is a great attraction now, and the small boys are selling old bones, bottles, etc., to get five cents.

ASSAULT CASE.—A summons was served on Daniel McConnell for assaulting and abusing Victoria Landrigan, (his mother). The case was to have come off on Saturday morning, Mrs. Landrigan, however, decided that second thoughts were best, and so withdrew the case.

The brigt. Hattie Louise, Captain King, cleared for Barbadoes on the same day with the following cargo shipped by Messrs. McLeod & Barnard: 12612 bush. oats, $5,500; 103 crates and 80 sacks potatoes, $200; 19 carriages, $1200; 20 horses, $2000; 9 cattle; $300; 22 sheep, $100.

The Northumberland took the following freight to Point du Chene on Saturday: 49 cases eggs, $149; 126 bush potatoes, $25; 16 brls oysters, $48; 1 brl pork, $15; total, $237.

DISGRACEFUL.—Yesterday evening Lower Spring Park was the scene of one of the most disgraceful rows that ever took place in our city, the participants being whites, blacks and Indians. This is not the first time that rows of this kind have taken place in the same vicinity. An example should be made of some of the principals. Also the attention of the police is called to the crowd of "bums" and foul-mouthed blackguards who frequent the corners at lower Queen street. They may be seen around from early morning till late at night. Ninety days would be none too good for them. It would also remove a nuisance which is very noticeable to strangers in the city.

THE LAWYER'S SHARE.—A little girl in Brooklyn lost both her feet by being run over by a trolley car some time ago. She sued the company, and the judgment in her favor was $13,268.68. The court has now ordered the company to pay the girl's lawyer $7,244.85 as his share of the judgment, leaving the crippled girl as her share the moderate portion of $6,023.83. Presumably, the division was made in accordance with law, but it doesn't seem to be in accordance with justice.

A FRIEND IN NEED.—The Fairville Methodist church is out of debt. The debt, which amounted to $1,900, was paid off recently by a friend whose benefactions have in the past been of great service.—St. John Sun.

IN MEMORIAN.

Lines Lovingly Inscribed to the Memory of Louis C. Anderson, who Died March 15th, 1895, in the 22nd year of his age.

Far, far beyond the range of mortal vision,
His soul has sped its swift unerring way;
Resigned for grander, nobler habitation
His frail and time-worn tenement of clay.

He murmured not, when shadows nigh approaching,
Presaged a denser darkness yet to be,
He faltered not, when shadows deepening, lengthing,
Proclaimed the yawning of eternity.

For lo! the Cross of Christ in stateliness uprising,
Beamed forth a star of hope mid the encircling gloom;
And in that source of light and endless life confiding,
He passed triumphant thro' the portals of the tomb.

Immortal Love! Thou hast with power redeemed him,
Unveiled to him the mysteries of Thy grace,
Atoning Lamb! Thou dost forever seal him,
A spirit worthy of Thy glorious sacrifice.

T. H.

Ch'town, May, 1895.

NEWS NOTES.

France expects to have a deficit of 135,000,000 francs next year. It will be noted, therefore, that Canada is right in the swim of the most advanced fashion in Europe.

An influential deputation from Montreal waited on the Government in support of the request for a grant of $250,000 to the International Exhibition, proposed to be held at Montreal next year. Mr. Foster held out small hope of the grant being made.

Mr. Dick, an expert mining engineer, was lately at Port Hood examining the coal fields. He is said to have been very favorably impressed as to quantity and quality of the mineral. The eye of speculation and capital is evidently rivetted upon the coal wealth of Inverness.

Montreal Gazette: It is a peculiar fact that while the Liberal party is most pronounced in its professions of economy, there has never been in the Dominion a Liberal administration, either federal or provincial, but has increased the expenditure, added to the taxes, or augmented the debt. Most of them have done all three.

Mr. Gladstone advises Lord Rosebery to read works on ancient theology, and Mr. Campbell-Bannerman that he should take a course of French novels. The Premier is suffering from insomnia, and if he is constituted like ordinary men it would appear that Dr. Gladstone's prescription was most likely to meet the needs of the case.

The St. John Globe says: "Those lawyers who have calmly looked into the question seem to be convinced that the legal rights of the Manitoba minority must be protected by the last court of appeal, the Canadian Parliament," and adds: "But, if a settlement can be made before that court is appealed to, so much the better." This is a friend's advice to Mr. Greenway and the Manitoba Liberal majority.

The Hamilton "Times" says Sir Donald Smith and other members of parliament are moving for a reform of the flag, and want to have a beaver or a maple leaf or some other emblem in place of the complicated escutcheon now in use and always incorrect in its form. The beaver is certainly Canada's most ancient and venerated emblem, but on the flag we should certainly prefer the maple leaf. The beaver would look like a rat with a long, flat tail.

It looks very much as if Russia were bent on mischief in the Orient. Japan having yielded to the representations of the powers and withdrawn her claim to permanent occupation of the Liao Tung peninsula and Wai Hei Wai, Russia now puts forward another claim, and proposes to occupy certain Corean ports as guarantee that Japan shall carry out her engagements. This is the Russian method of getting a temporary foothold under false pretences, preparatory to permanent occupation.
