JAMES McCLATCHY, Esq, Editor and Proprietor of the Sacramento *Daily Bee*, and Chairman of the California Pioneer Excursion, left in the *St. Lawrence* on Tuesday night *en route* for Boston, New York and Washington from which latter city he will take his departure for Sacramento. During his brief visit to Charlottetown, we trust he enjoyed himself well, and we believe he carries away with him a very favorable impression of P.E.Island, and its "kind, hospitable and generous inhabitants." It was our privilege to meet Mr McClatchy frequently in the social circle, and the more we saw of him, the better we appreciated, and the more we admired his frank, jovial, and open-hearted Irish disposition. We wish him and his young son, a very safe and pleasant passage to his home in the distant West, and hope that amid the endearments of the domestic hearth, the *Bee* will favor us with its editor's first impressions of Prince Edward Island.—*Pat.*

Ship News.

The Surveying Steamer *Gulnare*, Capt. MacLeod, 57 hours from St. John's, Newfoundland, arrived here last evening, to go to her winter quarters. By this arrival we learn that the storm on the 4th and 6th inst. did not reach St. John's, although great preparation had been made in anticipation of its approach. Passengers by the *Gulnare* — Miss Reilly, Miss Gates, Miss Murphy, Mr. Woods.

The Steamer "Commerce," with some 400 bbls of Flour, arrived here from Boston and Halifax on Thursday evening last.—PAT.

Cleared at Boston, Oct. 7.—Warrior, Burrows, for Little Harbor.

The Barque "Empress" Captain Gillis, which sailed from Liverpool, on Sunday morning, for Prince Edward Island, grounded on Taylor's Bank about 4 a m, while in tow of the steam-tug Talbot, and remained fast. At noon the crew (14 in number) and two passengers were landed by the New Brighton lifeboat. The ship is reported to be broken in two and fast breaking up.—"Liverpool Mercury," Sept. 27.

NOTICE TO MARINERS.—The fixed light now, and for many years past, exhibited on Harbor Grace Island, Conception Bay, Newfoundland, will be discontinued after the 30th of November, next. After that date the light will be revolving, showing in every direction two white flashes, followed by one red flash. The interval between each flash, in attaining its greatest brilliancy, will be 30 seconds. In a favorable state of the atmosphere the light will be seen 25 nautical miles.—Isl.

QUICK TRIP.—The Ship *New Dominion*, Captain Kickham, owned by Hon. J. C Pope, arrived here yesterday in 14 days from Liverpool. She has beaten even the regular Mail, for we received papers by her, through the kindness of Captain Kickham, two days later than came by the last English Mail. Her log shows that day after day, she made an average of ten and eleven knots an hour. This clipper ship, which has now fully established her fame, is laden with merchandize for city merchants.—*Pat.*

The "New Dominion" was built by Mr. John McKinnon, Master Builder for the Hon. J. C. Pope at Summerside.—ED. EX.

Heavy oats are good for horses; none will deny that; but oats can't make a horse's coat look smooth and glossy when he is out of condition. "*Sheridan's Cavalry Condition Powders*" will do this when all else fails.
