Grain

WINNIPEG, June 12 (CP) - Most coarse grain prices recorded gains in fairly active trade at the close today on the Winnipeg Grain Exchange. Oats and barley brought quite aggressive buying with American interests taking oats and overseas purchases in barley. Trade reports said a substantial export business in barley was worked with overseas interests. Flax responded to buying by industrial interests and seaboard accounts. Offerings were light. Flax also was reported sold to the continent. The relative firmness of U. S. grain markets was considered a factor on trade. No reports of wheat for export were available. Prices of class two wheat were down 2 1/8 cent. Prices of I. W. A. wheat were down 1/8 cent. Closing prices: Oats: July 80 5/8; Oct 81 7/8A; Dec. 80 7/8A; Barley: July 122 5/8; Oct 122 5/8; Dec. 119 1/2; Rye: July 2.01; Oct 2.02 3/4B; Dec. 2.02 1/4A. Flax: July 4.06; Oct 4.06; Dec. 3.91B.

Canadian Dollar

MONTREAL, June 12 (CP) - The United States dollar today closed at a discount of 2 1/32 cent in terms of Canadian funds, down 1/16 from Wednesday's close. That is, it took \$0.97 31/32 Canadian to buy \$1 American. The pound sterling was \$2.72 5/8, down 1/2 from Wednesday.
