CENTENNIAL TREE

The Canadian (1967)
Centennial Tree
RED ALMEY
FLOWERING CRAB

Plant your Centennial tree now during our Island's one Centennial year. It will be well established, ready to celebrate Canada's 100th Birthday in 1967.

The Red Almey, Flowering Crab has been selected by Canada's Centennial Tree because of its extreme hardiness and superb performance. It's handsome bronze red fruit in summer. Grows from 10-12 ft. in height and Fiery crimson blooms appear in Spring, followed by small red fruit in summer. Grows from 10 - 12 ft. in height and does not require any special type of soil.
