WATER RATES—Pay up.
Something interesting for every reader of THE EXAMINER in Jas Paton & Co's. advt.

THE REV GEO H THEYER, of Bourbon, Ind. says: "Both myself and wife owe our lives to Shiloh's Consumption Cure."
THE PHILHARMONIC SOCIETY have decided to give their concert on Tuesday evening, May 3 d. Advertisement will appear later on.

SMALL DEBT COURT—The City Small Debt Court will meet to-morrow. There are a number of cases on the docket to be disposed of.
NOTE THIS—The time for paying water rates will soon have expired. Have you paid? If you have not, do so and avoid trouble.

NEW LODGE, I. O. O. F.—On the 29th of March a new lodge of the order was instituted at North Sydney. This makes the second lodge in Cape Breton.
WHY will you cough when Shiloh's Cure will give you immediate relief. Price 10c, 50c, and \$1.—Reddin Bros.
THE ROTARY CLUB.—Owing to the illness of Mr. Bain, who is suffering from la grippe, there will be no meeting of the Rotary Club at the A. M. C. A. this evening.

CROWDED OUT.—The advt. of auction of Mr. P. P. Gillis' building lot, coach house, horses, &c., will appear to-morrow. The sale takes place on the 15th inst.
A CHEAP FAMILY MEDICINE CHEST—Twenty-five cents is a small amount to pay for a medicine chest, yet that is all a box of Everybody's Pills costs, and it is a whole drug store in itself.
TALK TO YOUNG MEN.—The talk to young men in the Y. M. C. A. next Wednesday evening will be on "The Great Northwest," given by Hon. D. L. Reid. As this will be a highly interesting as well as an instructive discourse, every young man should make it his chief object for Wednesday night.

TOOTH BRUSHES.—The balance of our Tooth Brushes (only 3000) is now offered at a price of 1c. A good Brush for ten cents—Dodd's Medical Hall.
Now is a good time to take Estey's Iron Tonic so that the system may be strengthened and the blood purified to withstand the debilitating effects of the warm summer weather. Druggists sell it. Price 50 cents. ap dw lm
NOTE THIS—As the Rev. Mr. DuParout will hold a men's mission in St. Paul's Church on Saturday afternoon, there will be no rally-women's meeting; but instead, a meeting for women only will be held in McLeod's Hall at 4 o'clock, conducted by the W. C. T. Union.

THE MARKET.—The market to-day was small, with business rather slow and prices high. Eggs were very scarce at 12 cents per dozen. The butter supply was very small, and selling at 28 cents per lb. Honey sold at 55 to 60 cents per 100 lbs. One car of apples moving at all at about 31 cents per bushel.
CHOICE PATTERNS.—A beautiful line of terra cotta and drab wall papers, with dados, friezes and borderings to match, just opened at the Diamond Bookstore. The public are invited to inspect, as similar goods cannot be had on P. E. Island, and the prices in many cases are one-half that paid elsewhere.

POLICE COURT.—This morning a young man was fined \$30 or 30 days for using abusive and provoking language, and two young men for being drunk and fighting on the streets were disposed of for fines of \$2 or 8 days each. One of two men summoned for selling intoxicating liquor on Sunday confessed and was fined \$1.62 and costs, and the case against the other was adjourned.
ST. PAUL'S MISSION.—The mission last evening was very largely attended. The preacher delivered an excellent address on the Law of God, basing his remarks upon the commandment. Quite a large number of persons returned for the after meeting, which was most impressive. This afternoon, at 4 1/2, and to-night, at 8 o'clock, the services will be continued. All are invited. Everybody welcome. Fees free. Come to the mission.

Twenty to thirty per cent. discount on boots at St. James's Corner. Now is the time to get big gains as the stock must be sold.
BARNYARD LEAGUE.—At the meeting last night Mr. G. Frank Beer read a very interesting and instructive paper on "Jean Ingelow." The paper dealt with the life and writings of this popular poetess. At the close of the paper an address was made by Mr. George E. Full, and selections from Jean Ingelow's works were read by Mrs. Full, Mrs. Beare and Miss Mitchell. An entertaining dialogue was given by some of the younger members, and Mrs. Rowan and Mrs. McLeslie sang a solo, with Miss Wilson as accompanist.
It is now pretty well understood to be a dangerous practice to attempt to pain off worthless imitations of the "Myrtle Navy" tobacco for the genuine article. In former years that practice was the cause of much annoyance, and Messrs. Tackett & Sons were compelled to resort to the law courts to put a stop to it. Though they have not met with any cases of the kind lately, it is always a safe precaution for the purchaser to see that the trade mark T. & S. in bronze letters is stamped upon each plug; no plug ever leaves the factory without it, and to appropriate the trade mark is a punishable offence.
It is welcomed in every house in France and England, and in a very brief time the same can be said of Canada, from the Atlantic to the Pacific. Laxative Phenix requires only to be tried once to be gratefully appreciated. A marvellous washing and cleansing alternative. Just fancy an article that will make all your clothes as good as new, and that will clean everything in the house from the silver that you cherish to the common earthenware which you thought of throwing out, making it just like new. That is what Laxative Phenix will do and a score of other things. For it will clean everything, and it will not harden your hands.

FANCY SALE.—Remember St. James' Church fancy sale and tea on Thursday afternoon and evening next. Ladies may look for bargains in fancy work. All are invited. ap 21

Good News.—By telegraph from Mr. L. E. Prosser, who is now in Montreal, we learn he has been successful in securing a large bankrupt stock of dry goods and clothing at a great big bargain which will arrive in a few days.
KILL that chronic cough before it kills you. A cough often ends in consumption, and to cure coughs, croup, bronchitis, whooping cough and all wasting diseases, no remedy equals Estey's Emulsion of Cod Liver Oil Sold by druggists.
A SMOOTH SKIN.—Estey's Fragrant Philadelphia is strongly recommended for softening, beautifying and preserving the skin, and giving it a blooming and charming appearance. It completely removes tan, sunburn, redness, etc., and by its balsamic and healing qualities renders the skin soft, pliable and free from dryness. Sold by druggists.

The clothing man who has to resort to the contemptible, mean trick of showing a boy's suit at \$1, and making people believe it to be the same as our \$1 suit, is hardly worthy of notice. When selling clothing we show our own goods, and don't trouble to show an inferior suit of our own and say it is the same as our neighbor's.—James Paton & Co., Market Square. ap 5 31

Mr. Joseph H. Cahill, of Kildare, Prince County, was 2nd Vice-President of the graduating class of medicine of the Baltimore University. At the commencement exercises held in Harris' Academy of Music, Baltimore, on the 30th ult., he received his degree of doctor of medicine. Wherever they go—north, south, east, or west—our boys "do us proud" in the universities of the world. We congratulate Dr. Cahill, who locates himself, we are informed, in the U. S. States.
Mr. Augustine McGrath, a native of Charlottetown, was recently elected Secretary of Typographical Union No. 13, Boston, defeating John Douglas, who held the position for six years past. The secretary is paid a snug salary. Mr. McGrath served as President of the Union during one of the hottest terms on record, and he went to the fullest satisfaction. He went to Boston from Charlottetown when 18 years of age, and joined the Union the following year. He has served several terms as delegate to the Central Labor Union, was an active member of Printers' Assembly, 2006, K. of L., when that order was achieving its greatest success, and has been connected with several other labor organizations in Boston. The Globe says: "Mr. McGrath is well liked, temperate and industrious, and all concede that he will be an earnest and efficient official in his new position."

Come and choose your Carpets, and we will measure your rooms and match your carpets free of charge.

James Paton & Co's. CLOTHING!

The increase in our sales in this department is very encouraging. It is only a few years since we decided to add this branch to our already large business, and now we may say it is one of our leading lines. Already this season we have sold hundreds of Suits, and are sure that all who have patronized us are well pleased. We are not yet satisfied, and want all to call and see our Clothing "OUR BOYS" CLOTHING, particularly, is very fine, the assortment being the largest ever shown in this city. As to our prices, you will find they are the lowest; and we don't make our Clothing Room a depository for Second-hand Clothing and old Bankrupt Stocks. We import nothing but FIRST-CLASS GOODS, and will sell them lower than any old second-hand.

BANKRUPT STOCK

that can be brought to this city. Call and get our prices before buying, and you will find what we advertise is true.

James Paton & Co's. TAILORING

This department is only new with us, but promises to increase rapidly. We have received the past few days a very large stock of TWEEDS and WORSTEDS, and these goods being selected personally by our own buyer from the makers, places us in a position to offer you the best value obtainable. We feel confident in saying if you favor us with your spring order you will find our prices very low. Our SCOTCH TWEEDS and PANTINGS are very fine goods, and will make up very pretty. They are the latest patterns obtainable. MR. P. J. FORAN, whose talents as a first-class Cutter are already well known, has charge of this department.

MANTLES AND MILLINERY.

DON'T BE IN A HURRY TO BUY THESE GOODS! Our buyer always remains as long as possible in England to enable us to offer to the ladies the choicest goods of the London markets. Last season those who bought before seeing our goods were very much disappointed, and we are sure won't buy this year.
All our SPRING GOODS will be along in a few days, and we intend having TWO GRAND SHOW DAYS to enable all to see our stock, which is very fine, to advantage. We also intend to have a SATURDAY EVENING SHOW, same as introduced by us last year, to enable all to see our goods who cannot attend on Show Days.
