

Brotherhood Through Understanding

Brothers must be able to understand each other's speech. If brotherhood is to become universal—Thy Kingdom come on earth—some language must be created or chosen to be learned as a second language by every child in the world. This could be done on the authority of the United Nations, then ratified and put into effect by the member nations.

At Home With Christ

By Rev. K. Robertson MacFadyen, B. D.

At home with Christ, on Zion's hill, Are loved ones in that world above; They do His will, and thus fulfill Plans that roll on God's wondrous love.

They live with Him through endless years, Beyond the reach of toil and pain; Forever gone are doubts and fears, And farewells never heard again.

All tears are dried from every eye. Sin, death and sorrow passed away; Their souls set free, exalted high, Can now with joy God's work survey.

For light they need no moon nor sun, Within the universal wall; Christ is the light for every one, In land where shadows never fall.

Eye hath not seen, nor ear hath heard, What Christ in Heav'n for them had stored; The gift of grace, by Him conferred, Excels all wealth that men could hoard.

IN MEMORIAM

Soon from this world of care we'll go. For time on swift wings quickly flies; But Christ will take us home, we know, To those bright mansions in the skies.

Then praised be Christ, the Lord of Heav'n, Who has to man showed matchless love; O praise His name for blessings giv'n. Praise Him for promised joy above.

IN MEMORIAM

In loving memory of my husband, Alfred Smith, who passed away February 21st, 1951.

I miss you now, my heart is sore, As time goes by I miss you more. Your loving smile, your gentle face, No one can fill your vacant place.

Lovingly Remembered by His Wife.

Giant Negro Saves Trapped Driver

HOUSTON, Tex., Feb. 20 (AP)—A giant negro walked out of the night on a highway near here early today, saw a man trapped in the cab of his smouldering truck-trailer, and ripped the cab apart to save the driver.

The unconscious driver, Roy Gaby, Jr., 26, fell free into the arms of the waiting and astonished police, and the negro disappeared as quietly as he appeared.

"No one knows his name but he did a job I couldn't do with six trucks and a wrecker," said Deputy Sheriff Don Henry. "It was a terrific display of human strength."

The mystery man placed his hands on the cab door and wrenched it off. Then he climbed into the cab, planted his feet on the floor and his neck and shoulders against the top.

"You could hear the metal give," said Henry. "The top bowed out, the seat buckled down and the dash broke under the pressure."
