Yesterday morning at the Summerside High School diamond (sometimes referred to as "Finn Stadium") the Summerside Kinsmen Bantams, No. 1, defeated the Kensington Bantam baseball team by the score of 15 to 0.

50th Wedding Anniversary

On Monday evening on the occasion of their 50th wedding anniversary Mr. and Mrs. Harry Arnett were pleasantly surprised when 75 friends and relatives gathered at the home of their daughter, Mrs. Heber Schurman, Chelton to extend good wishes and congratulations.

The rooms were artistically decorated with cut flowers. Mr. Arthur MacKay acted as chairman and in a few well chosen remarks explained the purpose of the gathering and congratulated Mr. and Mrs. Arnett on this very important occasion.

He then called on Mr. George MacKay, M.L.A., to read an address, followed by the presentation of many beautiful gifts including a cabinet of 1847 Rogers' silverware from members of their family.

The address recalled that both Mr. and Mrs. Arnett lived in the Albany community all their lives and during the last half century their home has "always been one of hospitality and friendship." The address concluded: "May you both be blessed with health and happiness for many years, to enjoy the continued friendship of your many good friends in the prosperous community of Albany."

Mr. and Mrs. Arnett feelingly expressed their appreciation to their many friends for good wishes and beautiful gifts. A faintly lunch was served by four of their grand-daughters.

On the center of the table was a beautiful wedding cake which was cut by the "bride" and passed around. Out-of-the-Province guests included Mrs. John K. Coyle, Brooklyn, Mrs. Charles Crue, and Robert Arnett and Heber Schurman, Boston, Mass.

A very song brought to a close a very enjoyable evening.—S.

S'side Kinsmen Club Meeting

Mr. Harry Dick was chairman of the July meeting of the Summerside Kinsmen Club held last evening at the Olympia Restaurant. Mr. Vernon Chute of Charlottetown Club was a guest.

Mr. Herb Stright, reporting for the committee in charge of the concessions at the race track on Dominion Day, said that rain spoiled the program but a few sales had been made before the rain started. He reported the net proceeds as \$33.18. He said that this amount was possible as Mr. Harold Gaudet, the race track proprietor had donated his share of the proceeds to the club. He also expressed appreciation to Robinson's Bakery, Morrison Bros., Mr. Heber MacQuarrie and Mr. George Douette, who had not charged the Club for merchandise purchased and services rendered because the event had not been successful.

It was reported that the final reports on the Spring Carnival and Peanut Day were not ready and would be given later.

Jim Harris, reporting for the sports committee, said that Midge and Pee Wee baseball teams had been organized in Town with the cooperation of Jim Hogan of the Physical Fitness Department. He said that the club had agreed to pay the sum of \$200 to Curran and Briggs team for the use of several of their imported players to teach the youngsters and show

Contract Let For New School At S'side Airport

A contract for the erection of a school at Slemont Park, the residential area for R. C. A. F. personnel at the Summerside airport, has been given to M. F. Schurman Co. Ltd. and work will commence as soon as the area is cleared. It will be a very fine building with ten classrooms and will be located in the center of the area of about 255 housing units.

It will be a one-storey frame construction with concrete floors covered with linoleum. It will be a T-shaped building composed of four stages, the first two of which will be built this year. The other two will be built when and if the need arises. The outside will be finished with asbestos plain boards to the bottom of the window sills above which will be asbestos shingles to the eaves.

A flat tar and gravel roof will top off the building. It will have its own boiler room in the basement and this is the only section of the basement that will be excavated. In addition to the ten classrooms, one of which will be a kindergarten room, there will be an office for the principal and wash rooms. The lobby floors and the wash room floors will be done in lenzo tile.

It is understood that the building should be completed by the end of this year.—S.

Sydney Horse Racing Results

SYDNEY, N. S., July 11 — (CP) — Drivers Worrell Lewis and Harley Harrison shared the spotlight in the Cape Breton Turf Club's sixth card of harness racing at the Sports Centre here tonight before more than 2,000 spectators.

Lewis, who drove five winners a week ago, took three firsts tonight. He brought home Bert Doyle's Togo Bars in the second race, which was marred by a three-horse spill on the second stable turn.

Out of six starters, three finished in the second as a collision downed three closely grouped horses. Mack Stout, driven by Gerald Jardine, and Bobby D. reined by Mike Jabene, dumped the race and sidestepped Pinky Gault's Bob Long pacing on the outside. All drivers were thrown free and two sulks smashed. Neither horses or drivers suffered injury.

Sport Echoes From Prince County

The standing of the Island Baseball League:

Table with 3 columns: Team, W, L, Pct. Curran & Briggs 5 0 10, Falcons 3 2 6, Abbies 1 4 2, R. C. A. F. Royals 1 4 2

All of which makes it fairly certain that our services as a crystal ball gazer or even tea cup reader will not be greatly in demand. And yet—our prognostications weren't wholly wrong. We had the C and B boys up there where they are. We had the R. C. A. F. Royals down where they are: in a toss-up for the cellar position even, and they are tied for last place. If we had called the Falcons Abbies and the Abbies Falcons we could have got started growing a flowing beard right away. But there is the rub.

We totally under-estimated the power of the Falcons, and over-estimated the ability of the Abbies (which is just another way of saying that we thought the old-timers were slipping, and that the youngsters were coming ahead with leaps and bounds. The guy who invented the saying, "Youth must be served," double-crossed us. "Old-timers must be served" it should read.

This is just as true in Summerside as it is in Charlottetown. Take Bill Allen, for instance. The heat from the candles on that last birthday cake should make a four-room apartment comfortable in February, and yet look at him. He is one of the best batters on the Curran & Briggs team at present, and he runs bases like a colt just let out to pasture. Don't let anybody tell you that youth must be served. Youth must keep out of sight while their elders are served, and then do the best job they know how on the chicken's neck. And that's pretty much the way it is in the Island Baseball League.

However, we do have a few youths who are getting along fairly well at that. Alan Stewart, for example, who set the Abbies down with four hits, a performance which hasn't been bettered on the Curran & Briggs diamond all year. Then there's Benny Grady. He's hitting and fielding with a lot of authority these days. Paul Schurman, for another. A nice hit to centre in two trips to the plate, and a fine catch in centrefield in that last game with the Abbies. Bill Davis's beautiful shoe-string catch in the 2-2 game between the C & B Juniors and K of C boys. And last but not least, Bob St. Pierre's no-hitter in that same game. Yes, the kids are doing a pretty fair job, we guess, after all. Only don't sell the oldies short. They can get around pretty well in spite of their arthritis.

Game Of Contrasts

It was a game of sudden contrasts. All National in the first innings, all American in the middle and all National at the climax, with Konstany, Jansen and Blackwell making the big names of the American resemble sandlot kids.

Enos Slaughter of St. Louis, "the displaced man," opened in centre field instead of the Cubs' Hank Sauer as the last-minute switch. Manager Burt Shotton had tried to bench Sauer to get a regular centrefielder in the game. Failing, he named Sauer to start in centre, but Slaughter asked for the assignment this morning and got it. Sauer started in right.

It was a good thing Slaughter was there, for he made a dazzling overhead catch on Walt Dropo's long belt to the barrier in the second.

Slaughter started the Nats on their way after Jackie Robinson grounded a single to right in the second. The 34-year-old Slaughter, playing his seventh all-star game, tripped off the wall in left centre, scoring Robby. Slaughter scored on Sauer's fly to right-fielder Hoot Evers. Yankee Vic Raschi, who pitched the first three innings, was victim of this blast. The Americans got to starter Robin Roberts, the Phils' \$25,000 bonus kid, for a run in the third. Washington's Cass Michaels sent a pinch double bouncing into the centrefield bullpen. Phil Rizuto of New York beat out a bunt for a hit and Detroit's George Kell scored Michaels with a fly to centre.

Don Newcombe of Brooklyn, least effective of the National League pitching parade, was touched for two runs in the fifth that sent the Americans into the lead for the first time.

That was the way it stood until the ninth when Kiner's smash off Houtteman sent the boys into overtime.

The crowd roared with Jansen as he mowed down the American slugger from the seventh through the 11th. He whiffed two each in the seventh, eighth and ninth including Larry Doby of Cleveland, George Kell of Detroit and Ted Williams of Boston.

Jansen's work followed in the same pattern as Konstany, who fanned Hoot Evers and Jim Healy in the hitless sixth, his only inning. Then, after Jansen did his job, Blackwell continued to bamboozle the losers with his baffling side-arm stuff to receive credit for the victory.

Crowd Paid \$126,197. The excited crowd that paid a record of \$126,197 to sit in the bright sun around Comiskey's green acre saw a battle that will be discussed as long as All-Star games are played. Few will forget the curling
