N. Y. Stocks

NEW YORK (AP)—The stock market made it three in a row Friday—three all-time high marks.

The advance wasn't so vigorous as those of the two previous days, but it carried the market ahead comfortably.

The Associated Press average of 60 stocks gained 50 cents at $159.70 That is exactly $2.00 above the old all-time high established Sept. 3, 1929, and first broken last Wednesday.

At the same time, losses were frequent, and that gave the market an irregular appearance. Minus signs were found in steels, motors, aircrafts, airlines and railroads. Good gains were scored by oils, motion picture, chemical, radio - televisions, utilities and building materials.

Weakness in railroads was a disappointment to brokers who have felt that the present upward trend needs strength in rails to make it convincing.

The industrial component of the average was ahead 80 cents at a new high of $219.50 and utilities were up 40 cents at a new high of $71.30. Rails were down 20 cents.

Canadian stocks were mixed. International Nickel advanced ¾ and Hiram Walker was ahead ¼. Canadian Pacific eased ½, McIntyre dropped ¾ and Dome Mines fell ⅛.

On the American exchange, Giant Yellowknife gained ⅛ and Lake Shore slipped ⅛.

Serious Floods In South Africa

JOHANNESBURG (AP) — The worst floods in 44 years Thursday crippled communications lines and threatened food supplies in parts of all four of South Africa's provinces. The air force parachuted supplies to marooned victims.

Waters from burst dams and overflowing rivers flooded farmlands in wide areas of Natal, Orange Free State, and the Transvaal, the three northernmost provinces. Rail and road links have been severed, including the main Johannesburg-Durban highway.

Meat supplies are dwindling because the farmers cannot get their cattle to the railroads.
