WHAT IS BACKACHE? Local and Other Items.

The Reason Why Dodd's Kidney Pills Invariably Cure This Complaint.

Mrs. Wm. Crawford, Oromocto, N. B. Writes—Felt the Healing Power of Dodd's Kidney Pills From the First—Completely Cured, and by Dodd's Kidney Pills only.

Oromocto, N B, Jan 1.—It has been brought home to the people of New Brunswick that backache is not backache in the strict sense of the word. Backache means that the kidneys are out of order. It is the dull pain that is only felt by those organs (incapable of keen sensation) when in serious distress. That is the reason that the great kidney remedy, Dodd's Kidney Pills, is so universally successful in curing backache. That is, in a great proportion, the reason that Dodd's Kidney Pills are in such demand the world over, backache being the commonest symptom of derangements of the kidneys in existence. Dodd's Kidney Pills are known to cure every form of kidney disease. Beginning with Bright's disease and diabetes, the two formerly incurable maladies, and running right through the list, including rheumatism, dropsy, heart disease, bladder and urinary troubles, and blood disorders, they cure every known form of kidney disease.

Mrs Wm Crawford, Oromocto, Sunbury Co, N B, says: "For six months I have been ill with kidney and liver complaint which caused a frightful pain in my back extending up between my shoulders. My physical and nervous system was affected so much that I became very weak. My blood seemed to lack vitality. I have taken two boxes of Dodd's Kidney Pills and they have done me a world of good, relieving me of the pain in my back and shoulders and making me feel better and stronger in every way."

I felt the healing power of this splendid medicine from the first few days and I know that no other medicine was instrumental in making the cure because I have taken no other medicine and been under the doctor's care without receiving the slightest benefit."

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

MAIL SERVICE AT NEW LONDON.—We are informed that Mr. James Warren has commenced this service in good style with a properly equipped outfit and team—in marked contrast with the last service. We hope he will continue as he started, and receive the praise of the travelling public. Comments are heard that no tenders were called for the Graham's road mail service. Is this favoritism on the part of the Minister of Marine? We think this service should also be open to public competition. It was so under Conservative rule and should continue.

RE-OPENING.—The Charlottetown Business College and Writing Academy will be re-opened today at 9.30 for the winter course. This term offers special inducements to all, both young and old, who wish to procure a sound practical business education. Special arrangements may be made by those who wish "a picking up" or private instruction in any particular branch or branches. No clerk or other person employed during the day can afford to absent himself from the evening sessions especially designed for them. A number of lectures by prominent business and professional men will be delivered during the term. Join as early as possible and secure the services of the large staff of practical teachers who will be in attendance. For particulars apply to the College.—L. B. Miller, President.

France's Decision.

PARIS, Dec. 31.—France has decided to remain neutral during the Transvaal war. Russia endeavored to induce her to demand the immediate evacuation of Egypt, promising to make a demonstration on the Indian frontier, but France refused.

Going Into Danger.

"Goodby, Harold!" she cried as she threw her arms around his neck and wept on his shoulder. "I shall pray for your safe return."

"Going to the Philippines?" asked a sympathetic bystander.

"No," she replied tearfully. "Going to play center rush."—Chicago Post.

Canvasser—I have here a work—Master of the House—I can't read. Canvasser—But your children—Master of the House—I have no children—triumphantly—nothing but a cat. Canvasser—Well, you want something to throw at the cat. He took the book.—Tit-Bits.

No Hope For Him.

"Then you cannot be the sunshine of my life?" asked the young man, with the insistence of one under a fixed idea.

"No," replied the lady detective softly; "you know I am a professional shadow."—Indianapolis News.
