Big Season Ahead

TRACK and field is indeed to have its fling in this province throughout the summer months.

The most recent word from the Island branch of The Amateur Athletic Union of Canada is such as to make track and field athletes happy for the months of July and August and indeed into September. The branch president of the A.A.U. of C., Dave Boswell, has given us a tentative list of events for the vacation period. These events are a joint project of the P.E.I. branch of the Amateur Athletic Union of Canada, the department of physical education, the department of agriculture, the local branches of the Royal Canadian Legion, local track and field clubs, Summerside Lobster Carnival committee and the Caledonia Games and Dundas Plowing match sports committee.

THINGS start off with a twilight meet at Summerside on Thursday, July 5. This should be a warmup for The Highland Games which go at Antigonish on Friday and Saturday, July 13 and 14.

The next week is Lobster Carnival Week in Summerside and as usual the open provincial AAU of C championships will be staged at Queen Elizabeth Park. Also in conjunction with this meet will be the qualifying meet for the National AAU of C track and field championships and British Empire and Commonwealth games trials at East York, Toronto on August 4 and 6.

Saint John, New Brunswick will play host to the maritime championships on Saturday, July 28. These should attract the outstanding athletes in the seaside provinces and Prince Edward Island and is most likely to be very capably represented.

4-H Club Meets

THREE days later, Tuesday, July 31, King's County 4-H clubs will hold their annual field day and the following day the Caledonia Games will be staged at Lord Selkirk Park. The very next day, August 2, Prince County 4-H clubs conduct their annual field day and on Saturday, August 4 Prince Edward Island athletes will be competing at Toronto in the AAU of C championships.

THREE days later, August 7, the Queen County 4-H clubs take over for their field day. The following week, Wednesday August 15 there is scheduled a twilight meet at Memorial Field in Charlottetown. The next Wednesday athletes can participate in a similar meet at the RCAF station in Summerside.

Saturday August 25 finds athletes from all over the Maritimes assembling at Charlottetown for the Maritime Invitation Track and Field meet. The final 'go' of the season is set for Dundas Plowing Match on Wednesday and Thursday September 12 and 13.

Legion Takes Over

IN ADDITION to the above meet schedule, the provincial command of the Royal Canadian Legion is planning a track and field competition in each of the five zones. Also, several Allied Youth posts are planning a combined picnic and field day during the summer.

Charlottetown, Summerside and RCAF Station are urged to have a track and field club organized for participation in local and provincial meets. All independents will be permitted to enter any of the above meets as well, or affiliate with any local club. In the meets sanctioned by the AAU of C, participants must possess an AAU of C card.

THE Island branch of the AAU of C and the physical education department will sponsor a provincial track and field club representatives of the best provincial athletes for competition in mainland meets.

Anyone wishing any information on the above meets is asked to contact Charlie Ballem in Summerside, John E. Ready in Charlottetown, Flying Officer Noel Houle, RCAF Station, Dave Boswell, Charlottetown, Mrs. Irene Ferguson, Summerside and Harry Hodge, Charlottetown.

It shapes up like a great summer for track and field and athletes are urged to avail themselves of the opportunities presented.

The sponsors and promoters are energetic and surely deserve the wholehearted support of every athlete.

Let's see that they get it.

EPHL Takes New Life

OTTAWA (CP)—The Eastern Professional Hockey League, which appeared ready to fold two weeks ago, took on new life Tuesday when general managers of five National Hockey League clubs rallied to its support.

President John Urie emerged from a five-hour closed meeting with the NHL representatives and told reporters that the future "looks much brighter" than it did at the recent NHL meetings in Montreal.

Urie said that a plan approved at the meeting would have Boston, Montreal, New York, Chicago and Detroit share any losses incurred by EPHL clubs. This would avert the losses of teams in Kitchener and Sault Ste. Marie and thus save the league itself.

The loss-sharing plan must first be approved by owners of the NHL teams. Then general managers agreed to meet in Ottawa shortly with the views of the owners.

S'side Raceway Opening Tonight

Summerside Raceway takes the lid off the 1962 harness racing season tonight.

Race secretary Glydon Willis has announced an attractive eight-dash card that gives every indication of being a crowd-pleaser all the way. He has lined up four fine classes, all of which will have double dashes.

The feature attraction brings together six well-known speedsters. These pacers and trotters will get the word in dashes four and eight and excitement should be plentiful in both these miles. Ellen Joyce leaves on the rail and this will make her tough to head. Others providing the competition are Erv Averill, McGee Volo, Edward M, Miss Tom Scott and Josedale Co-Pilot.

All other six dashes could be equally as exciting and indeed it could well be that one of this half dozen will steal the spotlight.

Summerside Raceway officials are expecting a big crowd for this curtain raiser. They have everything in apple pie order and they are hoping to get moving in real style tonight.

Win, place and show betting will be available on all dashes and in addition four features will be provided for pari-mutuel customers.

First dash goes promptly at 8 o'clock.
