They Secured the Information.

The next prisoner at the bar was a foreign-looking person, whose beard covered his features, so that it was quite impossible to say from just what country he hailed. The police justice looked up at him, then called for the German interpreter.

"Ask him what his name is," said the justice, in an undertone, to the interpreter.

"Wie heisst du?" said the interpreter.

The prisoner put his hand to his ear.

"Wie heisst du?" cried the interpreter.

The prisoner looked stupid and did not answer.

"Call the French interpreter," said the police justice.

The French interpreter could not make the prisoner understand what was wanted of him, so they called the Spanish interpreter. This man, however, fared no better than had the others, so they called the Italian and the Hebrew and the Russian and the Norwegian and the Danish and Swedish and the Turkish interpreters, but none of them could get an answer from the prisoner.

They came to the conclusion that the man was deaf, so, after bawling the question at him, they wrote it down in German, French, and every other known foreign language. But the prisoner merely looked stupid and did not answer.

They came to the conclusion that he was shamming, so they tried to intimidate him in every foreign language known.

Finally the court policeman lost his temper.

"Why the devil don't you tell his honor your name?" he cried.

The prisoner looked surprised.

"And shure," said he, "and is that what ye are after? Why the devil didn't you say so?"—Kate Field's Washington.

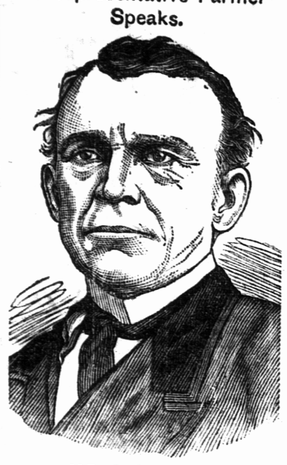
WONDER IN WELLAND!

A Representative Farmer Speaks.



MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIRS,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN,
Welland P.O.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself; Messrs. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly,
THOMAS CUMINES,
Welland, Ont.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.

A By-Law for licensing, regulating or preventing Billiard Tables, Bowling Alleys or other like places of Amusement.

Be it enacted by the City Council of the City of Charlottetown, as follows:—

1. From and after the First day of July next, A. D. 1892, no person shall have in his possession, custody or power, in said City, any billiard, pool or bagatelle table, or any bowling alley set up for hire or gain, directly or indirectly, without having first obtained the license therefor severally required by this By-Law.

2 No billiard, pool or bagatelle table or bolling alley shall be licensed or kept or used in any tavern, inn, house of entertainment, saloon or place where intoxicating liquors are sold, or in or upon any premises connected therewith.

3. All applications for a license to keep either a billiard, pool or bagatelle table, or to keep a bowling alley, shall be made in writing to the City Council of said City, a copy of which petition shall be filed in the office of the City Clerk at least one month previous to the meeting of the Council at which such petition is to be presented.

4. It shall be the right and privilege of any ten or more civic electors having votes in the civic ward in which the petitioner for such license seeks to set up such billiard, pool or bagatelle table or such bowling alley, to object by petition or in any similar manner to the granting of any such license within such Ward, such objections to be filed with the said City Clerk at least four days previous to the first meeting of the Council to consider such application for license.

5. The objections which may be taken to the granting of any such license may be one or more of the following:—

a. That the applicant is of bad fame and character.

b. That the premises in question are out of repair or are not in a fit condition to afford accommodation for the use applied for.

c That the licensing therefor is not required in the neighborhood; or that the premises in which such billiard, pool or bagatelle table or such bowling alley is sought to be set up and used, are in the immediate vicinity of a place of public worship, hospital or school; or that the quiet of the place or locality in which such premises are situated will be disturbed if any such license is granted.

6. Every application for such license and all objections to every such application shall be heard and determined at a regular meeting of Council, open to the public.

7. The Council may refuse or grant any such license. In case it shall be determined to grant any such license the Mayor of the City shall issue the same, countersigned by the City Clerk, on payment to such Clerk of a license fee of twenty-five dollars for each billiard, pool or bagatelle table, and of a license fee of fifty dollars for each bowling alley, the license for the several keeping and issuing whereof has been granted by said Council, which said several licenses shall be and continue in force for one year only from the date of the issue thereof, not renewable, but the licensee may make a fresh application for a new license in manner hereinbefore provided.

8. All such licenses shall be granted subject to the following conditions, the breach of any of which shall be deemed a breach of this By Law:—

(*a.*) The premises in which any such billiard, pool or bagatelle table or any such bowling alley is kept or used shall be closed at the hour of ten o'clock, p.m., every evening, and not opened before ten o'clock, a.m.

(*b.*) There shall not be any internal means of communication between the room in which such billiard, pool or bagatelle table or such bowling alley is kept or used and any place in which spirituous fermented or other manufactured liquors are or may be sold.

c. No person licensed as aforesaid shall permit, allow or suffer any spirituous or fermented liquors to be drunk in the room in which such billiard, pool or bagatelle table or such bowling alley is kept and used or in or upon the premises connected therewith. Nor permit, allow or suffer any gambling in such room or premises, or any betting on any game played in such room. Nor permit, allow or suffer any minor under the age of sixteen years to be or remain in such room without the written consent of his parent or guardian first had and obtained.

9. Any person or persons guilty of any infraction of any of the provisions of this By-Law, including those contained in Section 8, shall upon conviction thereof before the Stipendiary Magistrate of the City of Charlottetown forfeit and pay a penalty not exceeding the sum of sixty dollars for each offence exclusive of costs, and in default of payment thereof, it shall and may be lawful for the said Magistrate to commit the offender or offenders to the common jail of the said city for any period not exceeding ninety days with or without hard labor, unless the said penalty and all cost and charges be sooner paid.

The Telephone Co'y

—OF—

P. E. ISLAND.

PERSONS using the Telephone would find talking much more satisfactory if they would observe the following Rules:

1st. Speak with your mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the Telephone so as to cover the Ear, just as if you wished to shut out all other sounds. Do not press too hard on the Ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
