

Father Takes Action To Protect Children

Wife and Family to Receive At Least \$20,000

Last winter, a young father told a Confederation Man: "Fred, you know how much is left of my \$5,000 income after payments on my house... food and clothing bills... and all the other expenses. How much protection can I afford for my family?" "A lot more than you think, Jim," replied the Confederation Man. "We have a plan that, on your salary, will provide for your family \$10,000 in cash at death... and \$100 every month until your daughter is 21. Then, they'll receive another \$10,000. In the event of death after your daughter is 21 this plan provides \$20,000 in cash. That's enough to provide a brighter future!" That's how a Confederation Life Man helped one father protect his family. He can help you too!

KIDNEY ACIDS Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves"—when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Dodd's help the kidneys so that you can rest better—and feel better. 134

Miss Lois Mutch on behalf of the community presented Mr. Barber with a gift of money. In words of warm appreciation he thanked the people for the gift and spoke of the many acts of kindness he had received since coming to North River five and a half years ago. He spoke especially of the Mutch family who had been such good neighbors, and had so graciously opened their home for this occasion.

Dr. A. S. Mr. Stephen Ackland spoke briefly, urging all to work together in the cause for which Mr. Barber had laboured so faithfully. A delicious lunch and a social hour were enjoyed by all. The singing of "Blest Be The Tie That Binds", and the Dismissal Benediction by Dr. Weir brought the gathering to a close.
